New Business:

Open Space Mailers:

Terry gave an update on the Open Space Mailers. 6,000 were printed and 1,000 were mailed out prior to the holiday, funded from the “Open Space Fund” We are looking for suggestions on where to distribute and display them, Shad Derby, Earth Day (April 22), Library.

Frank Davis will schedule a meeting with the Town Manager to track the progress and discuss more options for distribution. Frank will give a brief update to the Town Council on our fundraising efforts and administration funding 2005 request in January.

Special Thanks to Terry, Ann, and Colette for an outstanding effort and final product.

And Thanks to Frank III and Matthew Davis for stuffing and sealing the 1,000 envelopes.

Old Business:

Wish List of Properties for Preservation

Blaise handed out an updated list of properties on our “Preservation Wish List”

We also received a draft list from Cyd Groff of properties she recommends to add to the list.

Plan of Conservation and Development

Ann suggested (via e-mail) we each take a section of the plan, learn it, and report back to the Commission. Also implement a similar approach with the TP&Z regulations.

Frank will make copies of the plan for all members.

Lord Property Subdivision

Frank will attend the Wetlands meeting on Tuesday Jan 4th and update members of the resubmitted proposal. All commission members are welcome to attend.

2005 Commission Goals

Work to identify “Open Space” preservation opportunities on our map in conjunction with our wish list to formulate a plan for preservation.
