- 3) **New Business:**  
Jim Mason made us aware of literature that preaches hate that is being disseminated by the Saudi Arabian government to mosques within the United States. The source for this information is a moderate Israeli journalist. The commission is going to ask Bill Warner-Prouty, council member, to ask the Imam of the Windsor mosque if the hate literature has been received and how it is being handled.
- 4) **Committee Report:**  
Joyce Armstrong gave an update on the forum about community inclusion for people with disabilities. The next sub committee will be on Monday March 14<sup>th</sup> 2005 7:00 p.m. in the Ludlow room. There are still items to be finalized. We expect our moderator will be chosen within the next week. The location is either Sage Park School or the Town Council Chamber. The choice of location will determine the May date of the event.
