

LEGAL NOTICE

The Town of Windsor, Connecticut is soliciting proposals from qualified consulting engineering firms to provide survey and design services for the replacement of approximately 100 feet of bituminous concrete sidewalk, concrete stairs and appurtenances at a walkway from the intersection of Lennox Avenue/Kellogg Street to the Moorlands. Firms responding to this request should be of adequate size and sufficiently staffed to perform the assignment described above.

The Consulting Engineering firm will be evaluated and selected based on design and technical competence, the capacity and capability to perform the work within the time allotted, past record of performance, and knowledge of Federal, State, and Municipal regulations and procedures. The selected firm must meet all Municipal, State, and Federal affirmative action and equal employment opportunity practices.

A copy of the full Request for Proposals are available on the Town of Windsor's website at:
