

# UNITED NATIONS BLACK HISTORY VIRTUAL TOUR

The **Windsor Human Relations Commission** invites you to take a Black history-themed tour of the United Nations. See how the lives of people of African descent have intertwined with the mission of the United Nations. Learn about the Transatlantic Slave Trade, apartheid, and the Ark of Return, a memorial to honor the victims of slavery, on the UN Visitors Plaza.

The tour is an inspiration to fight prejudice, racial discrimination, and social injustice. To book the Black History Virtual Tour now through February 26, go to [visit.un.org/content/virtual-tours](https://visit.un.org/content/virtual-tours).
