PART 2: GENERAL CONSTRUCTION NOTES

OWNER: White

PROJECT 2024White

1. It is the Owners intention to proceed with the dwellings occupied during the entire construction project. Contractor shall coordinate with the Owner in all construction operations to minimize conflict and to facilitate the Owner usage of the dwelling, parking, and access to the building. Working hours are Monday – Saturday 7:30 AM – 5:00 PM unless otherwise agreed to and or modified by the Owner.
2. The Contractor shall perform all work to accommodate to the greatest extent reasonable the normal use of the premises by the Owner and Tenants during the construction period.
3. The selected Contractor must, prior to contract signing, supply the Town and the Owner with proof of insurance for workers compensation insurance and general liability insurance with a broad form contractual endorsement with minimum limits of one million (\$1,000,000.00) dollars per occurrence for bodily injury and five hundred thousand (\$500,000.00) dollars per occurrence for property damage. The Contractor shall indemnify and save and hold harmless the Owner and the Town under these policies, which shall list the Town, its agents and the Owner as additional insured.
4. The Contractor and Owner agree that all services offered by the Town through the Consultant, which may affect the Contractor or Owner, are offered by the Town in order to assist in the project implementation and the necessary program compliance. The Contractor and Owner agree to, upon review and acceptance of such services provided, indemnify, defend, save and hold harmless the Town and Consultant, their officers, agents and employees from whatsoever (including, without limitation, reasonable attorney's fees and other costs and expenses incident to any suit, action or proceeding) incurred or sustained by Town or Consultant which shall arise out of or result from Consultant's performance in good faith of services pursuant to the Professional Services Contract. The Contractor or Owner agree that the Consultant shall not be liable to the Contractor or Owner, or their heirs, successors or assigns, for any act performed within the duties and scope of employment pursuant to the Professional Services Contract.
5. In the event that the Owner is dissatisfied with the work performed although the work has been completed to industry standards and has been approved by the local Town's code enforcement officials and the Rehabilitation Consultant, the Owner's approval will be overridden, full payment will be issued to the contractor and the project will be officially closed.
6. The Owner will supply all necessary power required by the Contractor to complete his work. Power shall be limited to the use of existing outlets and shall not exceed the existing ability of the system. Power required over the ability of the existing electrical system shall be the responsibility of the Contractor. Heating during construction shall be supplied by the Owner.

7. The specifications do not attempt to detail every task and procedure required to perform the work in full. The Contractor shall perform the work as required to complete the work in a professional manner using customary trade practices and standard work practices.
8. The Contractor shall take every precaution to ensure the safety of the occupant(s) during all phases of construction. The Contractor shall to the greatest extent reasonable maintain a least one exit for access. Coordinate restrictions and closures with Owner. The Contractor shall be responsible for protecting the dwelling and contents from weather and or physical damage during construction. The Contractor shall be responsible for any damage caused to the building and or contents caused by lack of said protection to the dwelling or contents until completion of the contract at no additional cost to the Owner.
9. The contractor will be responsible for covering and protecting large furniture unable to be removed from the respective work areas. The Contractor will be responsible for the movement of the owner's furnishings as required to facilitate the proposed work. The Owner is responsible for the movement and safe keeping of valuable personal belongings and small items and furniture in the project area.
10. Plants, shrubs, and lawn areas are to be protected from damage and debris. Repair and/ or replacement of all damage to existing landscaping shall be done at no additional cost to the Owner.
11. The Contractor shall take all necessary measures and precautions to protect the surroundings from damage occurring due to performance of the work. All areas and surfaces of the existing building which are affected by the execution of the new work (removals, demolition, repairs etc.) shall be patched and restored to either match the existing adjacent conditions or to match the new work, whichever is applicable. If such damage occurs it will be repaired by the Contractor at no cost to the Owner. Contractor shall provide all temporary shoring, bracing and other construction (interior and exterior) required to perform the work of this contract.
12. The Contractor shall provide all material, labor, and equipment required to complete the work specified within.
13. The contractor shall obtain all required permits and schedule necessary inspections with the Windsor Building Department and Construction Specialist. Contractor is responsible for any plans, drawings and specifications that the Building Department may require. All rehabilitation, alterations, repairs, or extensions shall be in compliance with all applicable national, state and local codes, HUD requirements or compliance with the latest edition of the International Building Code, which ever applies and is the more strict. All electrical, heating, and plumbing work shall comply with the rules and regulations of the National, State and Local Codes.
14. Contractor shall verify critical dimensions, operations and functions in the field before ordering or fabricating items which must fit adjoining construction. The Contractor shall verify all existing conditions and dimensions prior to the work. Any and all discrepancies shall be reported to the Owner and Consultant prior to ordering any materials or performing the work.
15. The Contractor shall follow manufacturer's instructions for assembly, installation and product adjustment. In the event of conflicting specifications the specifications of the manufacturer shall prevail.
16. The Contractor shall notify the Owner and Consultant, within 24 hours of discovery, in the event unforeseen circumstances. If the work is deemed additional or extra by the Consultant then a change order will be negotiated, executed and authorized by the Contractor, Owner and Consultant prior to the commencement of the work. Any work performed prior to the execution of a change order may not be considered for payment.

17. The selected Contractor shall attend a contract signing and pre-construction meeting as scheduled by the Owner and Consultant. The selected Contractor shall attend periodic job meetings during the course of construction, on site, as required
18. If the Contractor is delayed at any time in the progress of the work by any act or neglect of the Owner or by any employee of the Owner, or by any separate Contractor employed by the Owner, or by changes ordered in the work or by labor disputes, fire, unusual delay in delivery of materials, transportation, adverse weather conditions not reasonably anticipatable, unavoidable casualties, or any cause beyond the Contractor's control, or by delay authorized by the Owner pending arbitration, or by any other cause which justifies the delay, the contract time shall be extended by Change Order for such reasonable time as may be agreed upon by all parties. It shall be the responsibility of the Contractor to request and document in writing such extensions within three (3) calendar days.
19. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this or the Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of the Contract, the Owner shall, thereupon, have the right to terminate the Contract by giving written notice by certified mail to the Contractor of such termination and specifying the effective date of such termination. In such event, all unfinished work required by the Contractor under this Contract shall, at the option of the Owner, be completed or not.
20. In the event that the Contractor does not commence or pursue the work as hereinafter stated, then the Owner shall have the right to terminate the Contract and to hire a successor Contractor to perform the work. Any such termination shall be by certified mail to the address noted in the Contract, and shall be effective as of the date of mailing. Payments by the Owner in the event of termination shall be as follows:
21. The successor Contractor shall first be paid and then the terminated Contractor. Payments to the terminated Contractor shall be limited both as to those funds remaining after payment to the successor Contractor but shall not exceed the value of the work actually performed by the terminated Contractor. Further, should the total cost for work performed under the Contract exceed the amount stated in the Contract due to the Contractor's termination, then the Owner shall have a cause of action against the terminated Contractor for any such additional cost.
22. The Contractor may request a maximum of 1 progress payment as work is completed in accordance with the attached specifications. The request shall be in the form of an itemized bill for that portion of work completed by the Contractor. All requests for payment shall be accompanied by a fully executed Lien Waiver on a form provided by the Town. Final payment is contingent upon the receipt of a signature of the respective inspector for which each permit was issued. The Contractor shall be responsible for obtaining the signatures and presenting them upon final payment. No final payment shall be made until the project has been shown to be free of all liens and restriction and all guarantees from the Contractor and from manufacturers, as they apply to the work, are presented to and accepted by the Owner.

23. OTHER PROVISIONS – LEAD BASED PAINT

The Contractor shall be responsible for all details/actions noted in the attached lead report. Any and all rehabilitation work under this Agreement will comply with the requirements of the Federal Lead-Based Paint

Poisoning Prevention Act (42 U.S.C. 4831) which prohibits the use of lead-based paint in residential structures constructed or rehabilitated with Federal Assistance in any form.
