II. Public Hearings for Certificate of Appropriateness

Mr. Sealy read the legal notice into the record

A. Certificate of Appropriateness: 130 Palisado Ave., Pergola in rear yard, Miller.

Susan Miller and Eric Weiner were present and addressed the commission. Susan stated they would like to put up a pergola in the side yard next to the house. It is an 8' tall wood structure and set back 10' from the fence. Commissioner Yeich asked if it would cover the table. Ms. Miller said it would cover a big chunk of the patio. Commissioner Yeich asked if this was to add shade under the table. Ms. Miller stated the pergola is for shade. The patio is south facing and gets direct sun during the warmer months. Commissioner Yeich stated that she conducted some research into pergolas and that they date back 3,000 years to the Italian Renaissance. There was no additional discussion or questions from the commission.

Motion: Commissioner Yeich moved to accept the application 130 Palisado Ave., Pergola in rear yard. Commissioner Reardon seconded and it passed 3-0-0.

- C. Certificate of Appropriateness: 118 Palisado Ave., Replace playground structure, Windsor Montessori School.

Enita Jubrey, representing the Town of Windsor and the Montessori School presented the application to replace the existing playscape. Mrs. Jubrey stated it the new playscape will be placed in the same location as the old one. She stated the old structure is over 20 years old. She stated that they have grant funding to replace the playscape. She explained the location of the playscape.

Motion: Commissioner Yeich moved to accept the application 118 Palisado Ave., Replace playground structure. Commissioner Reardon seconded and it passed 3-0-0.

Commissioner Yeich asked the applicant if that was the price of the playscape. Mrs. Jubrey state yes and she stated that Department of Public Works will install the playscape. Commissioner Dupont-Diehl asked about the roof material. Mrs. Jubrey stated that she did not know but would find out. Commissioner Dupont-Diehl stated that it appears this not highly visible from the road. Commissioner Yeich asked how many children use the playground. Mrs. Jubrey says the facility serves infant through 3rd grade and they have summer camps. She stated they have about 135 students. Commissioner Reardon asked for clarification on how visible the structure would be from the road. Mrs. Jubrey said that some of the roof peaks may be visible from the right of way. Commissioner Yeich asked if it was fenced in. Mrs. Jubrey said it was fenced in but not locked and that it does not get a lot of public use. Mrs. Jubrey then explained some of the safety guidelines around playscapes. She stated the risk manager has review it and does not have any concerns. The commission reviewed the site on the town's GIS. Assistant Town Planner Sealy stated that the playground was 4-5' down from the parking lot. He then explained that the view of the playscape from the right of way was a question that came up. It was his determination that a portion of the roofs and play structure would be visible and therefore require a certificate of appropriateness.
