

Full Sap Moon Snowshoe Hike

March 21, 2019: Full Sap Moon

7:00PM- 9:00 PM

This moon was known to Native Americans as the Full Sap Moon, as it marks the time when maple sap begins to flow and the annual tapping of maple trees begins. If snow conditions permit, bring your own snowshoes or borrow a pair of ours and join us on a guided Full Moon Hike through Northwest Park's forest & fields.

Be sure to bundle up in warm clothing layers.
