

# Discovery Days

at Northwest Park

**Description:** Stop into the Nature Center to chat with one of our Naturalists and explore the various exhibits we have on display. Watch a live feeding, or get hands-on with artifacts and activities based on the theme of the day. This is the opportunity to ask one of our staff those burning questions you may have about wildlife in Connecticut.

**Ages:** All ages.

**Saturday, January 13:** How Do Animals Stay Warm in Winter?

**Saturday, February 24:** Hibernation and Awakening

**Time:** 10:00 AM to 2:00 PM

**Location:** Northwest Park Nature Center, 145 Lang Road, Windsor.

**Price:** Free. No Registration needed.
