RENTER'S REBATE PROGRAM **April 1st thru October 1st**

State law provides a reimbursement program for Connecticut renters who are elderly or totally disabled, and whose incomes do not exceed certain limits. Persons renting an apartment or room or living in cooperative housing or a mobile home may be eligible for this program. This is not an entitlement program.

Windsor Social Services are completing Renters' Rebate applications by telephone appointment. All supporting documents are required prior to making application. Visit our website and link to the Renters Rebate information to view documents needed and further instruction or call the Social Services office. Upon receipt of required documents a caseworker will call you by phone to make application.

RENTER'S REBATE PROGRAM SEMINAR

Join us for a discussion hosted by Social Services to find out what Renter's Rebate is, who is eligible and what you need to apply. Windsor residents who rent and are 65 and older or are over 18 and on Social Security disability may be eligible for the rebate depending on income.

This event be held on **May 19th from 10:30AM-noon at the L.P. Wilson Community Center** in the All Purpose One Room. Call to RSVP at 860-285-1839.

Our presenter will be GERALYN LAUT, a Certified Prevention Professional and Tobacco Treatment Specialist as well as an active Executive Board Member of Amplify, a regional behavioral health action organization. She will keep your attention and highlight current issues such as opioids, vaping marijuana and FETINOL. The COVID effects will also be discussed.

The event will be held on Tuesday, May 24th at the Windsor Public Library, 323 Broad Street from 6pm – 8pm. Light dinner will included and we will start serving at 5:45pm. Childcare is available and dinner will be provided. Space is limited and registration is required. If you are interested call Windsor social Services at 860-285-1839. Don't wait as space is limited.

ARE YOU A CARETAKER **FOR A FAMILY MEMBER?**

We know how difficult that can be! Between 30% and 50% of caretakers also work outside the home and do their caretaking before and after a long day at work. Handling two jobs is tiring and often times becomes too much.

Windsor Social Services is looking to offer a helping hand to you and your family members through resources and support. If you are interested please call Deb at 860-285-1839. She will be asking for your email address and a short idea of what caretaking you are doing. By collecting this data we will have a better idea how many Windsor residents are caretakers and what services could benefit them and their loved ones. We look forward to talking with you.
