Weekend Wheels and Charger Pack Backpack Program

The Weekend Wheels and Charger Pack backpack program distributes supplemental food to Windsor elementary and middle school aged children in need throughout the school year. Many children receive free or reduced meals at school but could be lacking those meals throughout the

weekend. Each week a child from eligible families receives a backpack or bag filled with food to bring home from school for the weekend. On Mondays, backpacks and bags are returned to schools and will be packed again during the week for the next distribution. The goal of this program is to keep those students healthy and nutritiously satisfied through the weekend and ready to focus and learn in school on Monday mornings. Registrations are taken at the Windsor Food Bank, Social Services office and the elementary and middle schools. Please call 860-285-1839 for more information.
