

# Real Estate, Personal Property, & Motor Vehicle Taxes

With voter approval of the second budget referendum on June 18th, the mailing of tax bills will be delayed by one month.

The Town Council is scheduled to meet on Monday, June 24th to set the FY25 tax rate at 30.32 mills.

Tax bills for real estate, business personal property, and motor vehicles are expected to be mailed on July 26th, with payment due by Thursday, August 1st, or no later than Tuesday, September 3rd, to avoid interest charges.

Any bills not paid in full by September 3rd will incur a monthly interest fee of 1.5%.

Please visit [Tax Calculator](#) to see projected real estate tax amounts based on a 30.32 mill rate and the first year of a two-year phase-in for the State-mandated October 2023 property revaluation, as approved by the Town Council.
