

SUMMER 2019

WINDSOR

There's a lot to do in Windsor!

TOWN OF
WINDSOR
First in Connecticut. First for its citizens.

This summer 2019 edition of *There's a lot to do in Windsor* highlights Windsor activities planned for May through August.

A picture tells a thousand words (and we love seeing the smiling faces of our Windsor neighbors,) so you will notice that many of your favorite programs that meet on a regular or weekly basis have been removed from the text listings, and highlighted throughout the publication with photos. We hope you'll take time to read about these programs and services offered for Windsor residents of all ages and give them a try!

Special thanks to Windsor's own Dr. Leonard Hellerman for the photo featured on our cover. Dr. Hellerman has graciously donated his time and photographic art for the cover of this and every issue of our publication.

We hope that as you and your family use each edition of this magazine, you'll always feel free to call us with suggestions and criticism. If you are a non-profit, civic or religious organization and you would like to have your event considered for inclusion in future brochures, please don't hesitate to call.

Exercise Your Right to Vote

Windsor's method of creating a community budget and then putting it up for vote gives every citizen of voting age a chance to participate – and that can only keep our town healthy.

It is anticipated that this year's adjourned town meeting (budget referendum) will be held May 14th, although the official date of the adjourned town meeting had not been set by the Town Council at the time of this printing.

Here's how to learn more about the budget:

- The Town of Windsor website at townofwindsorct.com
- Review the budget at the Windsor Public Library, Wilson Branch Library or the Windsor Town Clerk's Office or, if you would like a copy of the proposed budget, just call the Town Manager's Office at 860-285-1800.
