May 12, 2022

Honorable Mayor, Town Council and Citizens of Windsor:

I am pleased to transmit the Fiscal Year 2023 Adopted Budget to the Town Council and the community. The Proposed Budget was presented to the Council and a public hearing on the budget was held on April 4, 2022. The Town Council conducted several budget workshops throughout the month of April.

Revenues and expenditures in the Proposed Budget totaled \$130,159,300. During budget deliberations on April 27, 2022, the Town Council made changes that resulted in a budget of \$129,894,300 which was adopted by citizen vote at the referendum held on May 10, 2022. This budget yields a mill rate of 33.27.

A summary of the changes made to the Proposed Budget can be found on the following pages.

The Adopted Budget represents hundreds of hours of effort on the part of many people, including the Town Council, and I extend my appreciation to all of them.

Sincerely,

A READER'S GUIDE TO THE BUDGET

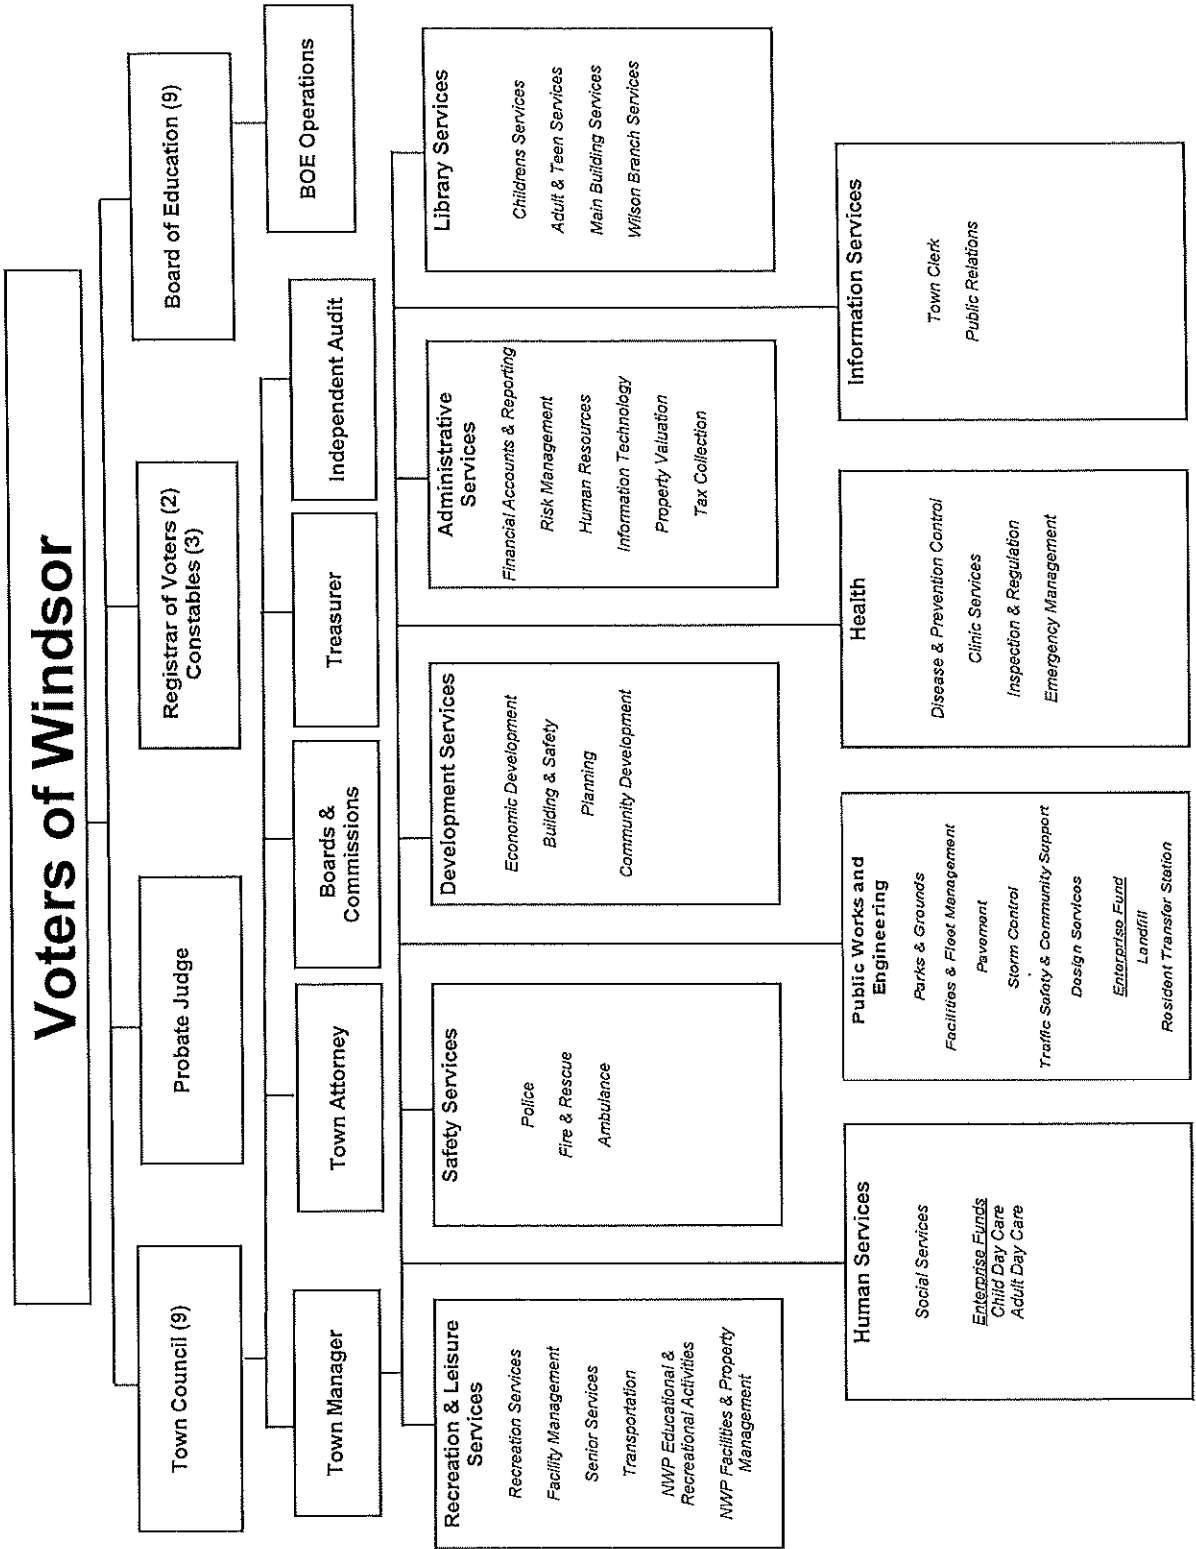

This budget is designed to serve as both a financial tool and a public communications forum. Consequently, we have worked to produce a document that is clear and complete with information that our readers want to know.

The budget may be broken down into the following components:

- 1) **Introduction.** The introductory section of the budget describes the overall philosophy upon which the budget was developed. The Town Manager's message provides an executive summary of the budget and outlines the organization's short-term and long-term strategies. The budget process gives an overview of the procedures used to prepare the budget and provides a calendar of important dates.
- 2) **Financial Summary.** Sections A (Summary of Town Funds) and B (General Fund Revenues) provide a summary of all General Fund revenues and expenditures managed by the town, including an in-depth explanation of revenues. Section C (General Fund Expenditures) lists the General Fund impact of each general government service unit and the Board of Education. Upon the recommendation of the Town Council, the community will vote on the total proposed General Fund expenditures for fiscal year 2022 including the new capital projects budget as described on pages Q-10 and Q-11.
- 3) **Support Sections.** Sections D through R are the supporting sections of the budget document. These sections explain in detail how total and General Fund expenditures were derived and what products and services will be offered to our residents. These sections also list the individual department highlights, key statistics, performance measures, a fun fact, and goals.
- 4) **Non-General Fund Services.** Section S contains the budgets for the four town enterprise funds – the Windsor-Bloomfield Sanitary Landfill, the Caring Connection Adult Day Care Center, the Windsor Child Development Center, and the Resident Transfer Station. Each of these funds is dependent upon revenues generated from the users of these facilities. The budget for the Windsor's Office of Community Development is listed in Section L. The Community Development Office receives partial support from town tax dollars in addition to operating through grant funds and loan repayments.
- 5) **Appendices.** Contains various informative items for the reader. For example, a summary of the town's Capital Improvement Program is provided in Appendix A and a Price Guide listing rates for various Town services is provided in Appendix G. Appendix I consists of a Glossary of Budget Terms that the reader may find helpful when using this document.

We hope that you find this budget document informative and easy to read. If you have any questions or comments, please contact us at (860) 285-1800. We can also be reached via Email at townmanager@townofwindsorct.com.

Voters of Windsor

March 25, 2022

Honorable Mayor, Town Council and Citizens of Windsor,

In accordance with the Town Charter, I am pleased to present the proposed Fiscal Year 2022-2023 (FY 23) Financial Plan and Program of Services. As the Town of Windsor adapts to a new environment based on the recent global pandemic, national economic uncertainties, inflationary pressures, supply shortages and world unrest, I would like to once again extend my appreciation for the continued dedication of town employees as well as the Town Council and the Board of Education members. Over the last several months we have worked collaboratively to develop a sound budget proposal that addresses the diverse and varied needs of our community. The main objective in preparing the FY 23 budget was to preserve and improve upon current level of services to meet emerging needs while mitigating an increase to the tax rate.

Along with continued funding for previously established initiatives in prior year budgets, the proposed FY 23 General Fund budget also includes additional funding for:

- clean and sustainable energy efforts
- volunteer firefighter recruitment and retention programs
- Windsor Volunteer Ambulance
- technology improvements and annual service contracts
- reinvestment in capital assets

In addition, this budget provides the organization with the ability to address increased service demands in several areas and initiate succession planning by adding staffing resources in the following areas:

- police department (full time half year police officer)
- public works (1 full time Maintainer)
- assessor's office (transition a part time position to full time)
- social services (transition a part time position to full time)
- senior services (transition of a part time position to full time)

The Board of Education's proposed budget reflects a 2.85% increase over the adopted FY 22 budget. The Board's proposed budget is being transmitted separately to the Town Council.

Overall the General Fund budget for FY 23 is proposed to be \$130,159,300, an increase of \$4,371,680 or 3.48% over the adopted FY 22 budget. Below is a breakdown of the primary General Fund budget categories comprising the proposed expenditure increase:

FY 2023 Proposed Budget Summary

	FY 22 Adopted Budget	FY 23 Proposed Budget	\$ Change	% Change
Board of Education	74,366,390	76,484,440	2,118,050	2.85%
Town Operating Budget	35,281,750	36,797,050	1,515,300	4.29%
Sewer Service (MDC)	4,521,450	4,772,150	250,700	5.54%
Debt Service	7,846,030	8,081,410	235,380	3.00%
Great Pond Improvement District	402,000	488,250	86,250	21.46%
Other Post-Employment Benefits (OPEB)	750,000	750,000	0	0.00%
Capital Projects & Open Space	2,620,000	2,786,000	166,000	6.34%
Total	\$125,787,620	\$130,159,300	\$4,371,680	3.48%

Revenues

Below is a table comparing major General Fund municipal aid categories between the adopted FY 22 budget and Governor Lamont's FY 23 budget proposal. Education Cost Sharing is net of the Alliance District grant and the federal Elementary & Secondary School Emergency Relief Funds (ESSER II), which are both distributed directly to the Board of Education and are not part of General Fund revenues. For FY 23, an anticipated reduction in Special Education Excess Cost funding is offset by additional funds proposed from Municipal Revenue Sharing grants as well as the state-owned property payment in lieu of taxes:

	FY 22 Adopted Budget	FY 23 Governor's Proposed	\$ Change
Education Cost Sharing	11,547,660	11,547,660	-
Municipal Revenue Sharing	2,068,940	2,432,540	363,600
Special Education Excess Costs	1,300,000	1,000,000	(300,000)
Airport Development Zone	150,000	193,000	43,000
State Owned Property PILOT	27,300	75,490	48,190
Veterans Tax Exemption	17,000	17,000	-
Totally Disabled Exemption	3,000	3,000	-
Total	\$15,113,900	\$15,268,690	\$154,790

We are expecting interest rates to begin to increase over the coming months and into the new fiscal year. This is based on recent and anticipated future Federal Reserve monetary policy action that will affect interest rates we receive with our local banking relationships. We are taking a measured approach and expect to achieve a blended interest rate of approximately 0.65% for FY 23. Based on this approach, we have forecasted to receive approximately \$360,000 in additional interest income than was budgeted for in FY 22. Other non-tax revenues such as interim motor vehicle tax collections, cell tower leases, and conveyance fees are projected to see increases over this year's budget, which helps to off-set any budgeted decreases in other revenue line items.

Of the \$130,159,300 proposed General Fund revenues, \$110,453,290 will come from the current property tax levy and \$19,706,010 from other revenues including State Aid. The FY 23 Town Manager's budget proposal does not assume any funding to come from the Opening Cash category, as per Town Council direction.

Grand List

The October 2021 net grand list increased in value by \$104 million or 3.24% as compared to the October 2020 grand list. This increase in assessed value is largely the result of the completion of the tax agreement for the Amazon facility on Day Hill Road, the new Amazon facility on Kennedy Road, new construction at Great Pond Preserve apartments and new homes at Poquonock Commons. Although significant re-investments in personal property were made by Triumph Actuation Systems, Barnes Aerospace, MCI Communications Services, Cannon Financial and Dell Equipment Funding, these investments were not enough to offset depreciation and the loss of other equipment accounts as the personal property portion of the grand list decreased approximately \$40 million or 8.0% as a result. The motor vehicle portion of the grand list increased by nearly \$63 million or 28% over the October 2020 grand list. The number of registered vehicles increased in town according to data received from the Connecticut Department of Motor Vehicles, and assessments increased due to the higher sales values of both new and used vehicles as reflected in the JD Power pricing guide.

After accounting for other adjustments, such as elderly exemptions and tax appeals to the Board of Assessment Appeals and the State of Connecticut Superior Court, the net change in assessed value used to calculate the mill rate is increasing 3.3% or \$106 million as compared to FY 22. This increase in taxable assessed value provides approximately \$3.6 million in additional projected revenue.

Motor Vehicle Mill Rate Cap

Governor Lamont's budget as introduced in February proposes to lower the State-wide mill rate cap on motor vehicles from 45 to 29 mills. Also included in this proposal is changing the method local assessors use to value motor vehicles. The current method of average retail value would be converted to manufacturer's suggested retail price, with a 20-year depreciation schedule. Lowering the mill rate would mitigate the tax liability on motor vehicles, but could result in a loss of tax revenue to the municipality or a shift in the tax burden to real estate and personal property. The Governor's budget proposes to include reimbursement grants to municipalities to cover any loss of revenue, however, it is not clear if the amount the town would receive would be substantial enough to cover the loss of tax revenue over time. Given the fact that the General Assembly is not slated to decide on the Governor's proposal until late in the spring, the proposed budget does not take into account a 29 mill cap on motor vehicles.

Tax Rate & Impact

Based on the overall expenditures and revenues, the proposed mill rate is 33.97. The budgetary tax impact is 2.10%. This is in line with the median budgetary tax increase of 1.88% over the past five years. If Opening Cash was increased from zero to \$1 million, the mill rate percentage change would be reduced to 1.17%.

Concluding Remarks

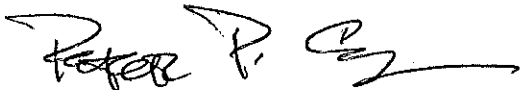

The proposed Fiscal Year 2023 Financial Plan and Program of Services builds upon the leadership and foresight of the current and past Town Councils to facilitate economic development and provide community stewardship. This budget provides for the continued provision of responsive quality public services, reinvesting in our infrastructure and meeting emerging service demands.

In addition to having a diverse tax base and a strong financial position, the town has the unique opportunity to utilize the American Rescue Funds (ARF) to meet a variety of short and long term community needs. While the proposed budget does not include the specific allocation of these funds, the Town Council may wish to consider the future use of those funds as the proposed budget is reviewed.

I look forward to working with the Town Council to review the proposed budget and discuss how through a multi-year perspective we can approach the decisions necessary to create a financial plan that is responsive to the current economic climate and maintains the service levels and sense of community we are all so proud of.

In closing I would like to thank the dedicated members of the Finance Department, the town's leadership team and all the partners across the organization for their efforts in preparing this proposed Financial Plan and Program of Services for Fiscal Year 2022-2023.

Respectfully Submitted,

ORGANIZATION VISION, MISSION AND CORE VALUES

The Windsor Vision

To create an exceptional quality of life that engages citizens, provides commercial and leisure amenities, promotes business and employment opportunities and unsurpassed value to all taxpayers.

We are in the business of creating a context and culture that allows and inspires people to pursue their aspirations. This vision statement assumes we will listen, take our customers' concerns to heart and provide the best leadership to make those dreams come true. The Town of Windsor's elegantly simple and clear vision statement is:

“To create an environment where dreams can come true for individuals, families and businesses.”

Our core values support our organizational vision. We have identified the values by way of a series of exercises that provide insight to our priorities, hopes and beliefs. The five core values that have emerged are:

Innovation. The process of effectively and profitably taking new ideas to satisfied customers. It is a process of continual renewal involving the whole organization and is an essential part of everyday practice.

Responsiveness. Quality as defined by the customer. We exemplify responsiveness in our willingness to help customers and to provide prompt service in a dependable and accurate manner.

Passion. The excitement of doing something – vocation or avocation, art or mission, idea or ideal that we find fulfilling and deeply satisfying. People with passion *ignite* enthusiasm, *inspire* excellence and *invoke* enhanced performance.

Integrity. Saying what we mean and consistently doing what we say. It means honestly matching words and feelings with thoughts and actions, with no desire other than for the good of the community.

Partnership. There are more leaders because people can take turns assuming leadership for tasks where they have knowledge and ability. Leaders inspire and facilitate rather than just give orders that have to be obeyed. Our partnerships also extend to the community where accountability also flows in two directions.

THE BUDGET PROCESS

The process leading to the adoption of the Town of Windsor budget is participatory and encourages input from citizens, boards and commissions, town departments and the Town Council. The budget process focuses on identifying funding levels necessary to continue basic municipal services, Council priorities and community goals.

Council Priorities

At the beginning of the budget process, the Council adopts a set of priorities that focus on the use of current resources in specific areas that have been identified as the most critical. These priorities are used by the departments in formulating goals, objectives and strategies used to gauge the allocation of resources for the accomplishment of long-term goals. These priorities are also used by departments in formulating budget requests for the following fiscal year. The priorities are outlined in the Town Manager's budget message.

Capital Improvements Program

In accordance with the Town of Windsor Charter, the Town Manager shall present to the Town Council a six-year capital improvements program and shall recommend to the Council those projects to be undertaken during the first year of the program and the method of financing such projects. The six-year Capital Improvements Program may be found in Appendix A and the one-year Capital Projects budget is located in Section Q – General Services.

Long-Range Financial Planning

A multi-year financial forecast is prepared on an annual basis for review and discussion with the Finance Committee and Town Council. This process allows the town to look at issues such as budget sustainability, and provides an opportunity to institute revenue and budgetary changes in a timely manner. As part of financial planning, various policies are used to manage financial stability and strength of the Town. These policies have helped during budgetary challenges to meet increasing demands and taxpayer expectations with current economic trends and market influences. They include, but are not limited to, the Town's General Fund and Capital Project Fund policies on fund balance, Cash Management and Investment policy, Procurement policy, and Debt Management policy.

Council Retreat and Public Hearings

At the beginning of the budget process, the Town Council conducts a retreat to focus on the Town Manager's goals and to give direction for the ensuing year. After the Town Council retreat, public hearings are held to solicit input from the community as to its priorities for the upcoming fiscal year and to hear public opinion regarding the proposed budget once it has been submitted to the Town Council by the Town Manager and Board of Education.

Town Manager's Proposed Budget

The Town Manager is required by the Windsor Town Charter to present to the Council a proposed operating budget and a Capital Improvements Program at least thirty days before the date of the annual budget meeting of the town. The proposed budget contains a detailed allocation of projected revenues and expenditures for all of the town's various funds and a summary of the town's debt position. The Town Manager also includes a budget message that outlines the essential elements of the Town Council's and other long-term strategies and goals.

FINANCIAL ORGANIZATION OF ACCOUNTS

The financial operations of the town are organized into funds and account groups, each of which is a separate fiscal and accounting entity. Each type of revenue received or expenditure made by the town is accounted for through one of the funds or account groups described below.

GOVERNMENTAL FUNDS

Most town functions are financed through what are called governmental funds. There are four types of governmental funds: the General Fund, Special Revenue Fund, Capital Projects Fund and Debt Service Fund. These funds can also be referred to what is considered "Major" and "Non-Major" funds. The General Fund and the Capital Projects Fund are considered to be Major Funds. The other governmental funds are considered as Non-Major Governmental Funds. Non-Major Governmental Funds for the Town include the Special Revenue Funds, Capital Project Fund and Debt Service Fund.

General Fund - The General Fund is the major operating fund of the town government and it covers the vast majority of town operations. The General Fund accounts for property tax revenue, other forms of locally-raised revenue and grants not elsewhere classified and the operating expenditures of the town and the Board of Education.

Special Revenue Funds - Special Revenue Funds are used to account for those types of revenues that are legally restricted to being spent for a specific purpose (except for expendable trusts or major capital projects.) These revenues must be accounted for separately from the General Fund for a variety of reasons and do not necessarily follow the same fiscal year as the General Fund. The town's Special Revenue Funds are:

Educational Grant Programs - Accounts for all specially financed education programs under grants received from the federal or state government.

Cafeteria - Accounts for revenue and expenditures of the food service operations in the Windsor Public Schools.

Community Rehabilitation Program - Accounts for block grants received from the United States Department of Housing and Urban Development and the State of Connecticut Department of Housing.

Treehouse - Accounts for revenue and expenditures for before and after school childcare provided by the school system.

Adult Education - Accounts for educational programs that are state-mandated or enrichment based.

Student Activities Fund - Accounts for monies used to support co-curricular and extracurricular activities outside of the regular classroom that directly add value to the formal or stated curriculum.

Performance Bonds - Accounts for guarantees from contractors to ensure obligations to the town are completed.

Town Escrow - Accounts for grants received and kept by the town until they are transferred to the ultimate party.

Scholarship Funds - Accounts for bequests made to the Board of Education or town to be used for financial awards to students.

Other Special Revenue Funds - Accounts for intergovernmental and private grants for various special projects administered by the town.

Capital Projects Fund - The Capital Projects Fund is used to account for the monies used for the acquisition or construction of major capital items (buildings, roads, equipment, etc.) The town's Capital Project Funds are:

Capital Projects - Accounts for financial resources that are restricted, committed or assigned to expenditure for capital outlay.

Capital Project – Open Space - Accounts for funds received through donations and appropriations from the General Fund for the acquisition and improvement of open space.

Debt Service Fund - The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

PROPRIETARY AND INTERNAL SERVICE FUNDS

Proprietary funds are used to account for the town's activities that are similar to those found in the private sector. These activities are not financed by property tax revenue, but by fees charged to the users of the service. The accounting principles used for proprietary funds are very similar to those applicable to similar businesses in the private sector. The town has four proprietary funds that are called Enterprise Funds and one Internal Service Fund.

Landfill Enterprise Fund - Accounts for the operations of the Windsor-Bloomfield sanitary landfill.

Resident Transfer Station Enterprise Fund - Accounts for the operations of the Windsor residential transfer station.

Child Development Enterprise Fund - Accounts for the operations of the Milo Peck Development Center that provides day care services to town residents and to employees of businesses located in Windsor.

Adult Day Care Enterprise Fund - Accounts for the operations of the Caring Connection Adult Day Care Center that provides adult day care services to frail and elderly clients in the Greater Hartford area.

Insurance Internal Service Fund - Accounts for liability, auto and fire insurance, health and workers' compensation activity including premiums received and claims expended.

FIDUCIARY FUNDS

Fiduciary funds are used to account for assets held by the town in a trustee capacity or as an agent for individuals, private organizations or others. Generally, these are donations made to the town for a specific purpose. Expendable trust funds (principal and income may be expended in the course of their designated operations) are accounted for in essentially the same manner as governmental funds. The town has no non-expendable trust funds, but has two types of Fiduciary Funds.

Trust Funds

Pension Trust - Accounts for the accumulation of resources to be used for future retirement benefits.

Other Post-Employment Benefits (OPEB) - Accounts for the accumulation of resources to be used for future retiree health benefits.

BASIS OF ACCOUNTING

The modified accrual basis of accounting is used by all governmental fund types, expendable trust funds and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e. when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The town considers property taxes as available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred.

The town's accounting records for the Child Development, Landfill, Resident Transfer Station and Adult Day Care Enterprise Funds are maintained on a full accrual basis. Revenues are recognized when earned and expenses are recognized when incurred.

BUDGETARY VERSUS GENERALLY ACCEPTED ACCOUNTING PRINCIPALS (GAAP) IN THE UNITED STATES OF AMERICA BASIS OF ACCOUNTING

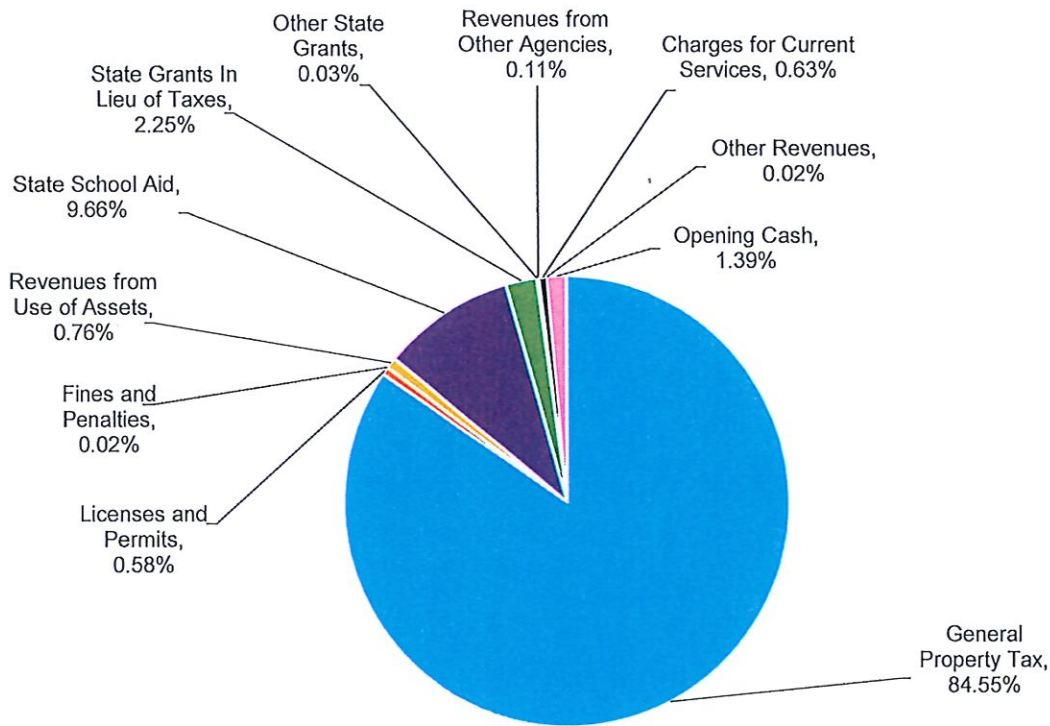

The differences between the budgetary and GAAP basis of accounting are:

- Encumbrances are recognized as a valid and proper charge against a budget appropriation in the year in which the purchase order is issued and, accordingly, encumbrances outstanding at year-end are reflected in budgetary reports as expenditures in the current year whereas they are shown as a reservation of fund balance on a GAAP basis of accounting.
- The current portion of vested compensated absences is reported as a fund liability for GAAP purposes. For budgetary purposes, compensated absences are recognized when used.
- State of Connecticut payments on behalf of the town for the teacher retirement system are reported for GAAP purposes only.

FY 23 General Fund Revenues by Source

Council Action

During budget deliberations, the Town Council made the following changes: an increase in Unrestricted Interest revenue by \$200,000; an increase in the use of General Fund - fund balance reserves under the revenue category Opening Cash of \$1,800,000; and a net decrease to General Fund expenditures of \$265,000, thereby decreasing the amount of revenue required from Current Levy under the General Property Tax category by \$2,265,000. Subsequent to council deliberations, the State adopted their budget which included a mill rate cap of 32.46 on motor vehicles and reimbursements to local governments to compensate for the loss revenues, resulting in additional State Grant revenues of \$205,070, thereby decreasing the total Current Levy by the same amount.

Revenue received from building permit fees is expected to come in over budget for FY 22, mainly due to several new commercial building projects. There is no increase proposed for building permit revenues for FY 23. The majority of other revenue sources (marriage licenses, food permits and hunting licenses) remain stable. Current rates for various licenses and permits are listed in Appendix G.

920 FINES AND PENALTIES

This category accounts for approximately 0.02% of the town's General Fund revenues in FY 23.

	FY 2021	FY 2022		FY 2023	
	Actual	Budget	Estimate	Proposed	Adopted
51401 Court Fines	10,132	20,000	12,000	12,000	12,000
51402 Parking Fines	7,722	14,000	12,000	12,000	12,000
	<u>17,854</u>	<u>34,000</u>	<u>24,000</u>	<u>24,000</u>	<u>24,000</u>

Court fines are received by state courts and distributed to the town by the state. These fines include a surcharge for motor vehicle violations. The town does not have the authority to levy court fines.

925 REVENUES FROM USE OF ASSETS

This category accounts for approximately 0.61% of the town's General Fund revenues in FY 23.

	FY 2021	FY 2022		FY 2023	
	Actual	Budget	Estimate	Proposed	Adopted
51501 Unrestricted Interest	131,351	100,000	75,000	458,000	658,000

	<u>454,783</u>	<u>420,000</u>	<u>415,000</u>	<u>793,000</u>	<u>11,547,660</u>

Unrestricted interest is the revenue received from the investment of cash receipts not immediately being used to meet expenditures. We are expecting interest revenue to begin to increase for the new budget year due to improving interest rates. We expect to achieve an overall rate of return of approximately 0.13% for FY 22 and 0.65% for FY 23. Cell tower lease revenue is increasing due to contractual agreements. During budget deliberations for FY 23, the Town Council increased Unrestricted Interest by \$200,000.

930 STATE SCHOOL AID

This category accounts for approximately 9.64% of the town's General Fund revenues in FY 23.

	FY 2021	FY 2022		FY 2023	
	Actual	Budget	Estimate	Proposed	Adopted
51701 Special Ed. - Excess Costs	1,132,583	1,300,000	1,000,000	1,000,000	1,000,000

This section consists of state grants for school operations that are a result of formulas established by the state. Revenue estimates for this category are obtained from Governor Lamont's proposed budget. The FY 22 estimate is anticipated to come in under budget by \$300,000 due to less revenue received from the Special Education - Excess Costs grant. Guidance from the State indicates that the funding level for the Education Cost Sharing grant for FY 23 is expected to remain consistent with the FY 22 budgeted amount.

This category contains grants and payments received by the town from the State of Connecticut, some of which are intended to replace lost property tax revenue. FY 22 is expected to be over budget by \$639,910, and FY 23 revenue is anticipated to increase \$454,790. Both increases are due to additional Municipal Revenue Sharing funds. The Transition Grant is related to reimbursements due to the State-wide mill rate cap on motor vehicles.

940 OTHER STATE GRANTS

This category accounts for approximately 0.03% of the Town's General Fund revenues in FY 23.

The Other State Grants category consists of a state reimbursement for a portion of the town support expenditures for health services to private schools in town. No new revenue is expected for FY 22 or FY 23 from Coronavirus Relief funds.

950 REVENUES FROM OTHER AGENCIES

This category accounts for approximately 0.11% of the Town's General Fund revenues in FY 23.

This category includes payments received from the Windsor Housing Authority in lieu of taxes for Fitch Court as well as for properties located at 35 Mack Street and 40 Henry Street. A payment in lieu of taxes is received from the Connecticut Airport Authority for certain property located at the airport. The Telephone Property Tax consists of revenue received from telecommunications companies from State of Connecticut assessments on non-wireless telecommunications equipment.

Revenues received from the overall Charges for Current Services category for FY 22 are expected to come in over budget by \$487,310. This is mainly due to increased conveyance fee collections and additional revenue from special education tuition. For FY 23, revenues for the overall category are expected to increase approximately \$62,300. This is mainly due to a projected increase in conveyance fee collections and fees collected from recording legal documents.

960 OTHER REVENUES

This category accounts for approximately 0.02% of the town's General Fund revenues in FY 23.

This section reflects the amount of fund balance at year-end that is appropriated for use in the following fiscal year. This reduces the amount of revenue that is raised through property taxes. For FY 21, the Opening Cash appropriation was not utilized. This was due to sufficient amounts received from General Property Taxes and Other Revenues, combined with operating expenditures coming in under budget. No revenue from Opening Cash is proposed for FY 23, as per Town Council directive. During budget deliberations for FY 23, the Town Council increased Opening Cash by \$1,800,000.

Council Action

During budget deliberations, the Town Council made \$265,000 in overall expenditure reductions. These reductions include a decrease of \$50,000 to Safety Services for the Windsor Volunteer Ambulance contribution and approved an appropriation of \$150,000 in American Rescue Funds for Windsor Volunteer Ambulance; \$215,000 from General Services, which includes a \$175,000 decrease in Capital Projects and a \$40,000 decrease in the transfer to the Caring Connection Adult Day Center and approved an appropriation of \$100,000 in American Rescue Funds for use by the Caring Connection Adult Day Center over the upcoming two fiscal years.

BOARD OF EDUCATION

As required by the Town Charter, the President of the Board of Education submits a separate budget document. For more detailed information, see the Board of Education's recommended Financial Plan for FY 23.

TOWN SUPPORT FOR EDUCATION

This budget provides funds to meet the cost of town services for Windsor schools. These services include State mandated assistance to private schools, property maintenance, insurance, debt service and administrative services. Many of these costs are included in the town's expenditures for education per State of Connecticut State Statute.

Expenditure Summary	FY 2021	FY 2022		FY 2023

Total	5,256,530	5,485,280	5,483,850	5,814,980	5,814,980

Funding Sources

Town Support for Education expenditures are funded solely by the General Fund.

The following products and services to education are budgeted for FY 23:

- state mandated town contributions to private schools for health and welfare services that is partially reimbursed from the state (reflected in General Fund revenues in the Other State Grants category)
- payment of principal and interest on debt-financed school construction projects
- the independent audit, town attorney and town treasurer services
- property, liability and workers compensation insurance and a portion of Risk Management administrative expenses
- retirement and other post-employment benefits services (OPEB) for non-certified employees
- school resource and youth engagement officers to help provide a safe learning environment by minimizing violence through police activities, counseling and other services intended to maximize positive interactions between police and youth
- provide and coordinate environmental education programs for school groups at Northwest Park and in school classrooms to promote environmental stewardship by tailoring education programs, special events and vacation camp programs for school-age children
- grounds maintenance and snow removal for the six Town of Windsor schools.

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$1,430. The FY 23 budget reflects an increase of \$329,700 or 6.0% as compared to the FY 22 budget mostly due to debt financing for school-related capital projects and for costs associated with risk management.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$421,940 or 3.4% mostly due to savings in the Police Department for Personal Services for partial year vacancies and staff out on workers compensation and disability leave. The FY 22 General Fund budget is expected to come in \$512,990 or 4.4% under budget due to the same reasons. The overall FY 23 budget reflects an increase of \$616,200 or 5.0% as compared to the FY 22 budget primarily due to Personal Services including a new officer position equating to 0.48 FTE's for the year and for increased funding for firefighter recruitment and retention efforts. The FY 23 increases also include funding needed to pay for the first full year of the public safety radio system annual maintenance contract as well as a \$50,000 increase in contributions for the Windsor Volunteer Ambulance. The FY 23 General Fund budget, including Town Support for Education, reflects an increase of \$581,140 or 4.9% due to the same reasons.

Council Action

During budget deliberations, the Town Council decreased funding to Safety Services by \$50,000 in Ambulance Services for the Windsor Volunteer Ambulance contribution with an appropriation of \$150,000 in American Rescue Funds to Windsor Volunteer Ambulance.

The overall FY 22 expenditures are expected to come in under budget by \$473,650 or 4.2% mostly due to savings in Personal Services for partial year vacancies and staff out on workers compensation and disability leave. The FY 22 General Fund budget is expected to come in \$466,250 or 4.4% under budget due to the same reasons. The overall FY 23 budget reflects an increase of \$466,230 or 4.2% as compared to the FY 22 budget primarily due to Personal Services for wage and salary step increases, adding a new officer position for part of the year and funding to increase an FY 22 partial year dispatch position to a full year in FY 23. The FY 23 increases also include additional funding needed to pay for the first full year of the public safety radio system annual maintenance contract. The FY 23 General Fund budget, including Town Support for Education, reflects an increase of \$431,170 or 4.1% due to the same reasons.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$228,310 or 12.6% primarily due to Personal Services related to partial year vacancies and reassignments to Uniformed Patrol. The overall FY 23 budget (including Town Support For Education) reflects an increase of \$45,440 or 2.5% as compared to the FY 22 budget mostly due to Personal Services as a result of wage and salary step increases. The Capital Outlay expenditure is for the replacement of a vehicle and is funded by the Police Private Duty Special Revenue Account.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$30,420 or 2.6% due to savings related to a disability leave. The overall FY 23 budget reflects an increase of \$92,020 or 7.9% as compared to the FY 22 budget mostly due to additional funding needed to pay for the first full year of the public safety radio system annual maintenance contract and increases in Personal Services related to wage and step increases. In addition a partial year FY 22 dispatch position is being funded for the full year in FY 23.

COMMUNICATIONS

Products & Services

Communications \$1,256,580

- Serve as the first contact for citizens seeking a safety service response, consisting of more than 11,000 9-1-1 calls for service
- Coordinate approximately 38,000 calls for service per year
- Answer and redirect over 58,000 phone calls into the Public Safety Dispatch Center
- Obtain and assess information to direct Police, Fire, Emergency Medical Services (EMS) and other responses as appropriate
- Utilize all available private, public and criminal justice information networks to search for and to disseminate information necessary to respond to emergency or criminal incidents
- Provide Emergency Medical Dispatch for approximately 3,000 callers annually.

POLICE - ANIMAL CONTROL

The FY 22 General Fund expenditures are expected to come in under budget by \$22,740 or 14.0% due to a partial year vacancy. The FY 23 General Fund budget reflects a decrease of \$3,280 or 2.0% as compared to the FY 22 budget mostly due to Personal Services related to a new hire.

ANIMAL CONTROL

Products & Services

Enforce Laws and Ordinances \$77,440

- Provide prevention and assertive enforcement efforts to maintain a low number of animal complaints in town
- Ensure that patrol officers are continually updated on proper protocols regarding animal issues
- Provide ongoing training to elementary school students on dog bite prevention, the humane treatment of animals and other relevant topics
- When necessary, notify the public of potential threats from wild animals and educate the public on the proper methods of interacting with wild animals
- Maintain a relationship with court officials to ensure quick resolution to serious nuisance and aggressive dog incidents as well as quality of life issues
- Hold a number of high profile pet food drives to resupply the pet food pantry to supplement Windsor residents' pet foods. Monetary donations are used to supplement medical costs for animals taken in at the pound. Organize low cost rabies vaccination clinic
- Maintain active social media presence to communicate directly with the public regarding wild and domestic animal safety and adoptions
- Conduct survey to ensure voluntary compliance with dog licensures.

Operate Dog Pound/Animal Placement \$80,410

- Redeem or place 95% of the animals impounded
- Continue status as a "no kill" shelter as defined by the Humane Society of the United States (HSUS) pertaining to all adoptable pets.

FIRE AND RESCUE SERVICES

The Windsor Volunteer Fire Department minimizes the loss of life and property by providing effective fire prevention, fire suppression and rescue services.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$24,460 or 2.1% due to lower than expected Energy & Utility costs as a result of moving into the renovated Fire/EMS facility at 340 Bloomfield Avenue later than originally anticipated. The FY 22 General Fund expenditures are expected to come in \$46,740 or 3.9% under budget for the same reason. The overall FY 23 budget reflects an increase of \$99,970 or 8.4% as compared to the FY 22 budget primarily due to Personal Services, increased funding for firefighter recruitment and retention efforts, and operational costs associated with the newly renovated facility at 340 Bloomfield Avenue.

Budget Commentary

The overall FY 22 expenditures are expected to come in \$76,170 or 109.1% over budget due to the drawing down and depletion of the \$130,000 appropriation made by the Town Council in FY 20 for this use. The FY 22 General Fund expenditures are expected to come in on budget. The overall FY 23 budget reflects an increase of \$50,000 as compared to the FY 22 budget to assist towards the projected operating loss in the upcoming fiscal year.

Council Action

During budget deliberations, the Town Council decreased funding by \$50,000 for the Windsor Volunteer Ambulance contribution with an appropriation of \$150,000 in American Rescue Funds to Windsor Volunteer Ambulance.

AMBULANCE SERVICES

Products & Services

Emergency Medical Care \$119,830

- Evaluate injuries and provide treatment at the scene and en-route to the hospital
- Provide highly qualified paramedics to administer advanced care to patients suffering from life-threatening illness or injury
- Educate school children and the public in Emergency Medical Services.

SAFETY SERVICES

FY 2022 Highlights

Police Department

The Windsor Police Department participated in a regional Auto Theft Task Force during the second quarter of FY 22 to address the regional increase in motor vehicle thefts. During this period, the Task Force recovered more than 100 stolen vehicles and 10 firearms, along with making over 90 criminal arrests for stolen vehicles and other criminal acts.

Officers continue to focus on motor vehicle safety and lead the State in per capita traffic stops. Windsor officers led the state in FY 20 with 6,545 car stops for a per capita rate of 282 stops per 1,000 driving age residents to compare these efforts with other communities in Connecticut. The next closest community had a per capita rate of 197 stops per 1,000 driving age residents. The department is on track to again lead the state in traffic enforcement, making over 9,000 traffic stops during FY 22.

In FY 22, the police department received grant funds to assist our public safety dispatchers with improving consistency and efficiency in gathering essential information. The software assists dispatchers by using validated questions and scripts to help ensure that emergency responders en route have the information they need and that callers in distress receive clear instructions.

With several officers retiring and moving on from service, the police department continues to recruit and hire new members to the police officer ranks in FY 22. The Department continues to provide a diverse work force that strengthens our ties within the community. An example of this is the hiring of our first Arabic speaking officer. With a young police force, FY 23 will involve a focus on community involvement and officer development.

Fire and Rescue Services

The COVID-19 pandemic had clear impacts on the fire department. We made the hard decision to close the firehouses to our members with the exception of emergency responses and maintenance to our equipment. With the lack of ability to meet in large groups, training was completed virtually or in small groups. Within fire services, the use of Personal Protective Equipment (PPE) was used during all response calls in addition to the disinfecting of fire apparatus after calls. Also during this period, members were not able to socialize at the firehouse. The restrictions as of March 2022 have been lifted and the firehouses are now open for regular usage. We still encourage masking and social distancing to our members.

A statewide formal recruitment effort for volunteer firefighters called "Do you have what it takes?" was completed several years ago in conjunction with a grant received by the Connecticut Fire Chiefs Association. The fire department continues these efforts with a Recruitment and Retention Committee to manage these processes. In the past year, we received more than a dozen volunteer firefighter inquiries and have added nine new members. However during this period, 10 firefighters resigned. Currently the fire department has 73 active members.

In FY 21, volunteer firefighters responded to more than 630 fire and emergency service calls and logged more than 3,000 hours of training.

A new fire pumper was placed in service to replace a 25-year old pumper at the Wilson Station and a new pumper is on order for the Poquonock Station.

Renovation and expansion of 340 Bloomfield Avenue was completed. The town fire department and the Windsor Emergency Medical Services (EMS) moved into the facility during the fall and early winter.

A fun fact about the value of our services...

The Windsor Volunteer Fire Department has members from the ages of 18 to 78 that respond to calls for service.

You've probably seen many new faces at the Windsor Police Department. 66% of our police officers (rank of officer) have five years or less of experience.

FY 2023 Goals

1. Host a community forum for residents related to policing in this age of police accountability.
2. Obtain departmental accreditation through the CT Police Officer Standards and Training Council.
3. Implement a quality assurance program to follow best practices for Public Safety Dispatch.
4. Strengthen the membership of the fire department with a renewed effort towards recruitment and retention.
5. Host public safety community information event(s) with the Windsor Police Department, Windsor Volunteer Ambulance (WVA) and Windsor Volunteer Fire Department.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$93,750 or 3.0%. This is primarily due to reduced and canceled programs as well as lower program enrollments due to the COVID-19 pandemic. Reductions and cancellations of programs and associated Personal Services, Supplies and Services costs account for \$52,320 of the overall decrease in the use of Special Revenue Funds. The FY 22 General Fund expenditures are expected to come in under budget by \$41,430 or 1.9% for the same reasons and from the use of grants received for elderly transportation. The FY 23 overall budget reflects an increase of \$185,220 or 5.9% primarily due to Personal Services, Services and Energy & Utility. The FY 23 General Fund budget reflects an increase of \$115,320 or 5.3% in comparison to FY 22 due to Personal Services.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$62,250 or 5.3%. This is primarily a result of reduced program offerings and lower program enrollment due to the COVID-19 pandemic restrictions. These decreases are associated with programs that are budgeted in Special Revenue Funds. The FY 22 General Fund budget is expected to come in over budget by \$840 or 0.1%. The overall FY 23 budget is expected to increase by \$32,220 or 2.7% mostly due to Personal Services. The FY 23 General Fund budget reflects an increase of \$30,730 or 4.2% compared to the FY 22 budget primarily due to Personal Services, of which \$1,380 is attributed to the hourly minimum wage increase.

Budget Commentary

The overall and General Fund FY 22 expenditures are expected to come in over budget by \$1,770 or 0.4% due to an outdoor pool motor replacement. The overall FY 23 budget reflects an increase of \$9,640 or 2.0% due to increased costs in Energy & Utility.

FACILITIES MANAGEMENT

Products & Services

L.P. Wilson Community Center \$325,950

- Provide support for repairs, utilities, custodial services and year-round operation of the center.

330 Windsor Ave. Community Center \$34,360

- Provide support for utilities at 330 Windsor Avenue.

Outdoor Pools & Parks Amenities \$124,050

- Provide support for repairs, maintenance and daily operating mechanical expenditures associated with the pools.

SENIOR SERVICES

Senior Services strives to help older adults enhance their capabilities and develop their potential as individuals within the community by providing programs that address the physical, cognitive, educational and emotional needs of individuals, as well as fulfilling the social aspects of life in a safe and comfortable environment.

Budget Commentary

The FY 22 overall expenditures are expected to come in under budget by \$4,530 or 2.0%. This is due to a part time vacancy. The FY 22 General Fund budget is expected to come in under budget by \$11,160 or 6.2% for the same reason. The overall FY 23 budget reflects an increase of \$61,830 or 27.7%. This is due to an increase in Personal Services and Services, including contractual services, programs and instructor-led classes. The FY 23 General Fund budget reflects an increase of \$42,000 or 23.2%. This is primarily due to an increase in Personal Services for converting a part time position into a full time position.

SENIOR SERVICES

Products & Services

Senior Center \$237,080

- Promote overall health and wellness by providing a variety of physical activities including multiple levels of aerobics, Tai Chi, dance and Yoga classes, seated exercise, massage therapy, mindfulness and meditation, a membership-based fitness center offering the Renew Active® program, as well as evidence-based programming, such as Tai Ji Quan: Moving for Better Balance®

Total FTEs	5.97	4.63	5.37	5.37

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$55,110 or 15.7%. This is due primarily to the decrease in Personal Services and Energy & Utility due to lower Dial-A-Ride and Caring Connection ridership caused by the COVID-19 pandemic, as well as grants received for elderly transportation. The FY 22 General Fund expenditures are expected to come in under budget by \$51,090 or 21.9% for the same reasons. The FY 23 General Fund budget reflects an increase of \$8,000 or 3.4% primarily due to Personal Services.

TRANSPORTATION

Products & Services

Senior Transportation \$354,380

- Provide transportation for Windsor's seniors and adults with disabilities to in-town and out-of-town medical appointments Monday through Friday
- Provide scheduled trips to grocery stores, department stores, pharmacies, banking, hairdressers, the Windsor Senior Center and various other locations
- Provide evening and weekend transportation to special events and programs sponsored by the Senior Center
- Provide Caring Connection clients with time-specific transportation to and from the facility
- Provide trained drivers to transport Caring Connection clients on special trips throughout the year
- Perform special tasks daily for the Human Services Department (specifically the Senior Center) and on an as needed basis for the Caring Connection

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$52,070 or 25.2% due to the expansion of the Summer Teen Employment Program (STEP) and the Youth-In-Action Program (YIA). The YIA program is funded by a grant from the Hartford Foundation for Public Giving. The FY 22 General Fund expenditures are expected to come in over budget by \$13,420 or 8.1% due to costs associated with the expansion of STEP. The overall FY 23 budget reflects an increase of \$42,580 or 20.6% due to costs associated with the Youth-In-Action program and is offset by a grant. The FY 23 General Fund budget reflects an increase of \$7,310 or 4.4% mainly due to Personal Services and Energy & Utility.

RECREATION AND LEISURE SERVICES

FY 2022 Highlights

Recreation

Recreation Services implemented seven new programs in the areas of sports, virtual gaming, fitness and performing arts. The addition of a badminton program was the highlight of these latest programs. This activity provided an opportunity for intergenerational programming for both youth and adults to learn basic strokes, grip, movement and footwork techniques.

Recreation Services was able to bring back special events. Recreation took the lead in presenting the annual Night of 1,001 Pumpkins and Winter Wonderland. Recreation staff evaluated and retooled the events due to the COVID-19 pandemic. The events were moved outdoors to provide a safer environment for participants, and over 800 individuals enjoyed the two special events. Activities included a pumpkin patch, arts & crafts, over 10,000 holiday lights, inflatable Frosty the Snowman projecting clips from the original Frosty the Snowman movie and refreshments.

During FY 22, the Recreation Services Summer Fun Camp collaborated with the Windsor Board of Education to provide free breakfast and lunch to campers. More than 1,200 children benefited from this service. In addition, the end of summer program survey reflected 100% of the parents felt very comfortable with the COVID-19 safety modifications implemented into the Summer Fun Camp program.

Recreation Services offered 89% of its targeted programming for 2022, of which 91% were returned to in-person.

Senior & Transportation Services

Senior Services experienced an eventful year, even throughout the ongoing COVID-19 pandemic. Many indoor activities resumed in early October 2021, including the popular Early Bird Suppers, evening bingo, CRT daily lunches, weekly massage therapy sessions, pickleball, foot care services, grandparents' bingo, birthday celebrations and dance groups. Staff continued to provide virtual programs and outdoor adventures like kayaking and hiking trips. In addition, the Senior Fitness Center reopened on November 2, 2021.

Seniors enjoyed new programs and support groups this year, such as a bereavement group, wellness and mental health supports and social gatherings. Popular excursions that were offered included trips to see the UCONN women's basketball team, Radio City Music Hall and the Rockettes, as well as an extended trip to Atlantic City.

This year, a very successful outdoor Health & Wellness Fair was presented while the Health Department offered its annual Flu Shot Clinic. In collaboration with the Commission on Aging and Persons with Disabilities and UCONN nursing students, Senior Center staff helped to create a Senior Resource Booklet. The booklet was printed in hardcopy and is also available electronically.

In October, the Senior Center was recognized by the North Central Area Agency on Aging as a Designated Focal Point for Aging Services in the community. Focal Points are locations that meet a specialized standard of providing vital information on programs and resource information to the community.

In December, Windsor Senior Center patrons donated a Christmas tree decorated with all hand-made ornaments to the Wadsworth Atheneum Festival of Trees to support their fundraising efforts. We were happy to learn that the tree was purchased and donated to the Helen & Harry Gray Cancer Center at Hartford Hospital as its final destination.

Transportation Services continued following CDC and FTA public health practices on our buses. Continued mask wearing and physical distancing were adhered to, limiting seating at 6-7 passengers per bus. Electrostatic sprayers with a hospital-grade (chlorine-free) disinfectant was being used to sanitize all surfaces. Transportation provided free transportation to COVID-19 vaccine and test appointments. New scheduling requirements led to lower wait-times for reserving out of town medical rides. Transportation Services continued its full slate of services, including rides to the Caring Connection Adult Day Care.

RECREATION AND LEISURE SERVICES

FY 2022 Highlights (continued)

Youth Services Bureau (YSB)

The Youth Services Bureau was awarded a \$70,060 two-year grant from the Hartford Foundation of Public Giving to deploy resources to young residents impacted by the COVID-19 pandemic. The grant will enhance the Youth in Action high school leadership program and focus on students' loss of learning during the COVID-19 pandemic, specifically those who have lost school credit due to accumulated unexcused absences.

Twenty high school student interns were hired for the 2021 Summer Teen Employment Program (STEP). YSB was able to bring back the Community Block Party Series that provides interns with opportunities to build their work skills while promoting family fun and community spirit in a substance-free environment.

In collaboration with Windsor High School, students attended a virtual assembly raising awareness about the risks of vaping.

The Youth Commission sponsored several virtual family trivia nights and two high school scholarships for students continuing their education in the behavioral health field.

Northwest Park

Environmental educators at the park resumed programs for Windsor Public School classes this year after an 18-month hiatus during the COVID-19 pandemic. Five new program offerings were designed in alignment with the Windsor science pacing guide. Hands-on lessons with natural artifacts and project-based learning activities support state and national science learning standards for grades K-5 and provide a partnership of educational support to Windsor teachers.

The Friends of Northwest Park celebrated their 40th anniversary in 2021 with monthly activities for the community. A unique mix of on-site and virtual contests, games and events offered something for everyone. In addition, a free concert in October delighted an indoor/outdoor audience.

New, professionally designed information panels were installed to provide an attractive greeting to visitors at the park entrance and Nature Center, as well as to improve access to hiking trails and enhance special features, such as the Demonstration Organic Garden. Six new interpretive panels installed in the Sensory Garden encourage exploration of the natural world through sight, sound, smell and touch, and the short, accessible pathway has been refurbished with guide ropes and braille inserts.

The number of facility rentals by private groups increased more than 30% above pre-COVID-19 pandemic levels this year. The smaller of the park's two picnic shelters accounted for the increased demand, as many small groups from local clubs and business teams sought safe outdoor spaces for in-person meetings.

RECREATION AND LEISURE SERVICES

A fun fact about the value of our services...

Recreation and Leisure Services offered 160 virtual programs during the COVID-19 pandemic,

FY 2023 Goals

1. Initiate renovations to pool facilities.
2. Expand and improve upon transportation for seniors to the outdoor pools.
3. Collaborate with Windsor School District on at least one community event/forum.
4. Present at least three programs of interest through Senior Services on Saturdays in the areas of fitness, health & nutrition and enrichment.
5. Develop and install new interpretive displays in the animal barn to improve the educational value of the heritage breed farm animals on display at Northwest Park.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$320 or 0.1%. This is due to the timing of the use of the North Central Area Agency on Aging (NCAAA) grant funding. The FY 22 General Fund expenditures are expected to be under budget by \$900 or 0.2% as a result of allocating grant funds to various line items such as Energy and Utilities. The overall FY 23 budget reflects an increase of \$62,230 or 13.2% primarily due to moving a part time position to a full time position combined with planned increased usage of grant funding. The FY 23 General Fund budget reflects an increase of \$59,560 or 13.0% as compared to the FY 22 budget primarily due to Personal Services and the aforementioned items.

HUMAN SERVICES

FY 2022 Highlights

The Social Services team prioritized outreach efforts throughout the community in the past year to promote services and programs available to everyone in the community. Several were developed as a result of our employee engagement efforts. They include:

- facilitating a visit from the UniteCT mobile bus at the Hopewell Baptist Church to assist residents with utility and rent relief
- participating in the Youth Services Block Party to provide information to residents
- hosting our first Caregivers Community Block Party attended by more than 150 residents
- assisting more than 35 residents during open enrollment season at four Medicare seminars and two Anthem Blue Cross and Blue Shield seminars
- collaborating with Diligence Training, a homegrown business owned by a Windsor High School alumnus, on the Windsor Breast Cancer Awareness Walk attended by approximately 100-110 people and raising \$700 for the Hartford Hospital Breast Health & Outreach Fund
- participating with the Windsor Board of Education's family and community engagement forum *ReSELience: Owning the Power of Your Story*, a presentation on the value of social and emotional learning presented by Kristen Hopkins, CEO of Dangers of the Mind and Windsor High School alumnus
- forming a new youth support group entitled *Teens Thriving Today* together with The Windsor Youth Services Bureau. This all-inclusive youth-led support group offers space for teens ages 14 to 16 to meet people, learn something from peers, eat snacks, and have fun while in a supportive environment.

Utilized the town's *Everbridge* notification system to provide a timely and efficient communication to all food bank clients with emergency notifications such as weather closings, application deadlines or special program reminders such as registration for the annual turkey distribution.

As of August 1, 2021, which marked the ending of the State of CT rental moratorium, the Social Services department has seen an increase in rental assistance calls for service. In total, the department has received more than 20 housing calls from residents looking for resources to prevent any negative action towards their housing status or who were in the process of being evicted.

The Windsor Food and Fuel Bank is a valuable partner to the Social Services Department and Windsor is fortunate to have these hard-working and compassionate volunteers in its corner. In 2021 the WFFB assisted 15 Windsor families with rental assistance. In 2020 there were only two requests.

The Social Services department continues to assist residents that are in arrears with rent and utilities through the UniteCT program for financial assistance. As of March 3, 2022, 302 Windsor households received funds for assistance (\$265,102 utility and \$1,080,277 rent.) 237 applications are pending.

The Social Services team submitted a successful grant application on behalf of the Windsor Food and Fuel Bank, and was awarded the maximum grant amount of \$10,000 through the *Pantry Transformation program* being administered by Connecticut Foodshare and funded by the Elizabeth Ferry Speer Foundation. The funds are slated to be used for physical transformations to the Food Bank area, including improvements to the office and waiting area, new furniture, an information center, and painting.

The state-funded Renters Rebate program was completed by the Social Services team for the second consecutive year. This year, 75 Renters Rebate applications for Windsor residents were processed, which is an increase from the 55 completed last year.

Together with the Health department, Social Services continues to play an integral role in coordinating and monitoring relocation cases in accordance with both state and federal Uniform Relocation Act guidelines. This included swift action to assist four Fitch Court residents following a flooding event in August, 2021.

A fun fact about the value of our services...

During a Grandparent event, the grandchildren painted rocks as a community project. The rocks were delivered to participants of Groceries to Go (G2G) which is a supplemental food distribution program for seniors. Why paint a rock many would ask? Painted rocks, sometimes called a kindness stone is simply a rock that someone has decorated with an inspirational message. The purpose of these rocks is to sprinkle positivity around the community. Nine grandchildren and five Windsor High School students painted rocks. They were excited to know that the rocks were going to be delivered to someone. 25 rocks were packaged and delivered to G2G home-delivery participants.

FY 2023 Goals

1. Collaborate with other town departments and community organizations to plan a series of mental health programming for the community.
2. Improve client accessibility to department resources in new office location at the L.P. Wilson Community Center.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$97,490 or 12.9% due to the cost of additional part time temporary staff and contractual nursing services offset by the receipt of grant funding related to the COVID-19 pandemic. The FY 22 General Fund expenditures are expected to be under budget by \$28,560 or 5.1% due to the use of grant funding. The overall FY 23 budget reflects an increase of \$41,150 or 5.4% as compared with the FY 22 budget due primarily to Personal Services as well as pandemic related grant funding. The FY 23 General Fund budget reflects an increase of \$23,050 or 4.1% due primarily to Personal Services.

Budget Commentary

The overall FY 22 expenditures are expected to come in \$6,960 or 7.3% over budget due to the increased costs regarding flu vaccines, supplies and temporary part-time assistance. The FY 23 General Fund reflects an increase of \$2,510 or 3.2% over the FY 22 budget due to Personal Services.

CLINIC SERVICES

Products & Services

Health Screenings

\$18,940

- Due to COVID-19 Pandemic the Senior Health Fair was held outside. The Senior Flu Vaccine Clinic was also held and 121 senior citizens were vaccinated.
- Due to the COVID-19 Pandemic and the risk of exposure, blood pressure screenings were not held at the Senior Center each month.

Immunization Clinics

\$66,890

- Administer approximately 500 doses of seasonal flu vaccine to Windsor citizens 18 years of age and older, town emergency responders, town staff and local business partners
- Monitor flu vaccine supplies and assist in the distribution of these supplies to local and regional medical providers
- Participate as a member of the Connecticut Immunization Coalition, to improve vaccination rates and plan for statewide flu immunizations
- Collaborate with local physicians and clinics and hospitals to assist customers in getting required immunizations for school and travel
- Continue newly established electronic billing and increase number of contracted insurance providers to expand accessibility of flu vaccine to Windsor citizens.
- Plan and implement COVID-19 Vaccine clinics to meet the needs of South Windsor and Windsor residents and workforce including public and private schools and childcare facilities. Clinics were hosted off-site with a large number of recipients while other recipients were incorporated into weekly clinics. These weekly clinics have been held at both Windsor Community Centers as well as Windsor and South Windsor schools, Windsor Housing Authority, Windsor Mosque and other community sites over the summer. Windsor Health Department was also able to meet the needs of South Windsor and Windsor homebound residents who needed COVID-19 vaccines.

Health Services

\$17,880

- Provide public health information to residents seeking access to health services by responding to their questions and referring them to health care providers and other health services
- Confer with state and local health care professionals and health agencies on issues related to the provision of health services, the interpretation of public health code requirements and community public health issues
- Partner with the Windsor Public Schools and Community Health Centers (CHC) Mobile Dental Services, which provides dental services to students on site, to educate and inform the public about these services.

EMERGENCY MANAGEMENT

The Emergency Management division develops, maintains and implements an up-to-date emergency operations plan for the entire town, supports the activities of the town's emergency responders as they respond to natural and man-made emergencies and is the lead department for local bioterrorism planning.

Budget Commentary

The FY 22 General Fund expenditures are expected to come in on budget. The overall FY 23 proposed budget reflects an increase of \$1,300 or 2.8% due to increased costs for public health emergency preparedness. The FY 23 General Fund budget reflects an increase of \$650 or 11.9% over the FY 22 budget due primarily Personal Services and an increase in contractual services for the Everbridge notification system.

EMERGENCY MANAGEMENT

- Participate in the annual Centers for Disease Control and Prevention (CDC) Operational Readiness Review (ORR) of all emergency plans for MDA Region 3 (Hartford County)
- Conduct and participate in drills and exercises designed to test local, regional, state and national public health preparedness plans
- Serve as MDA Region 3 (Hartford County) lead to provide Windsor & South Windsor residents with needed vaccine dispensing and distribution during public health emergencies
- Coordinate and schedule distance learning opportunities for public health, emergency management and police.

HEALTH SERVICES

FY 2022 Highlights

The COVID-19 pandemic continued into FY 2022 with the Delta and Omicron variants. In response, the department's focus continued with contact tracing, vaccination clinics, employee health as well as enforcement of Centers for Disease Control and Prevention (CDC), CT Department of Public Health (CTDPH), Connecticut Department of Economic Development (CTDECD) and Governor Lamont's executive orders.

Health Department staff assumed responsibilities during the COVID-19 pandemic, including but not limited to, delivering and emailing mask and vaccination guidance to food establishments and local businesses, site visits to barbershops and salons, responding to COVID-19 related complaints and managing COVID-19 vaccination clinic operations. Updating the department website to reflect current changes and events and serving as a community resource remains a high priority. The Health Department did return to their regular routine food inspections schedule, and in person housing complaint investigations.

The Windsor Health Department maintained its partnership with the South Windsor Health Department for both COVID-19 vaccination clinics as well as Influenza vaccination clinics. The Windsor Health Department offered 19 Flu Vaccine Clinics and vaccinated nearly 600 individuals. Clinics were held publicly as well as private businesses, schools and Windsor Public Schools.

After the initial COVID-19 vaccine efforts ended mid-year, the focus shifted to administering vaccines to persons who were more vaccine-hesitant. With grant support, student interns were hired and educational and promotional vaccine information was distributed to increase interest. Mobile clinics were offered throughout Windsor including the libraries, parks, restaurants, apartment complexes and the Farmers Market.

The COVID Booster Vaccine was approved during the Fall 2021 and the Windsor Health Department once again offered weekly clinics in Windsor and South Windsor in November and also held clinics for South Windsor and Windsor Public School staff as well as Loomis Chaffee. COVID booster vaccine clinics have continued in Windsor into 2022.

The Windsor Health Department has also worked closely with the Connecticut Department of Public Health Griffin Hospital VAX Van to increase vaccine access for children, 5-11 year olds, and youth, 12 and older. The VAX Van offers the Pfizer vaccine which was approved for use in children and youth.

Contact tracing also continued with a strong collaboration with the Connecticut Department of Public Health's statewide contact tracing division.

The Health Department again hosted UCONN Nursing students and initiated a rotation with the Caring Connection, the Windsor Health Department, Windsor Senior Services and Windsor Public Schools. The students were able to experience a breadth of community health nursing from a variety of roles.

The Health Department continued to provide blood pressure screenings through the Self-Monitoring Blood Pressure Grant which was initiated in FY 20. For health and safety reasons, the Hypertension Workshops were offered via video-conferencing. While there were few live participants, a number of persons viewed the archived copies of the workshops. This grant will continue into FY 23 with plans to explore partnerships to incorporate in local business's Wellness Programs.

The Health Department continued with the disbursement of personal protective equipment that was started at the end of FY 20. The PPE was provided by the State of Connecticut and distributed to various medical and dental practices throughout town. The town has also distributed masks and COVID-19 test kits on-site and at off-site locations with volunteer support.

The focus of Emergency Management this year was the support of COVID-19 prevention and vaccination activities. These activities included the acquisition of PPE, assessment of all town buildings for proper spacing and barriers to prevent transmission and guidance to town staff on best practices. In addition we supported local small businesses by distributing PPE supplied by the state from the town hall as part of the national effort to keep local businesses in operation.

A fun fact about the value of our services...

In 2002 Windsor was paired with the Town of South Windsor as Mass Distributing Area #31 (MDA #31) as part of a statewide effort to develop plans for vaccinating our residents in an emergency situation (such as Anthrax.) Since then, we collaborated with monthly meetings where emergency vaccination or distribution plans were created and tested in both towns, supplies for setting up clinics were secured and all logistics reviewed and monitored by the state on a regular basis. Although the state modified the MDA model, our partnership with South Windsor has remained strong and proved to be invaluable during the COVID-19 pandemic as we collaborated to provide testing and vaccines to the residents of both towns.

HEALTH SERVICES

FY 2023 Goals

1. Evaluate the health and wellness information on the Town of Windsor's website to ensure the information is relevant, accurate and current.
2. Continue with COVID-19 pandemic related activities including but not limited to contact tracing, employee health and vaccination clinics.
3. Emergency Management will continue to support the COVID-19 prevention and vaccination efforts.
4. Update all permit holders contact information to ensure the ability to provide pertinent updates and information.

#3805 - CPR Classes - These classes are conducted by department personnel. This is an on-going account that runs from year-to-year and will continue as long as classes are offered. Fees are received from those taking classes. Funds are used to purchase books, videos, batteries and other materials used to teach CPR, AED use and First Aid and for Red Cross administrative fees.

#3808 - Clinic Services - This fund is for the Flu Clinics and TB testing for the Police Department (per OSHA requirements) that are conducted by the Health Department each year. This account is used to purchase influenza and pneumococcal vaccines and to pay for clinic supplies. Reimbursements are obtained from Medicare and various insurance companies for the shots that are administered each year. The balance in this fund is used to purchase flu and pneumonia vaccine, tuberculin material (for TB testing) and clinic supplies. Fees charged are in the Price Guide.

#3814 - Bike & Ski Safety Equipment - This fund is used for the purchase and sale of bike safety equipment. On occasion, this account can run a deficit when inventory is purchased prior to those helmets being sold.

#3877 - Regional Emergency Planning - This grant is from the U.S. Department of Health & Human Services and the Centers for Disease Control via the State Department of Public Health. The grant is part of the Cities Readiness Initiative designed to support public health emergency regional planning, training, exercise, and evaluation services.

#3893/3910 - Public Health Emergency Preparedness/Bioterrorism Grant - This is an annual grant received from the Centers for Disease Control via CRCOG. This grant is used for preparing and exercising public health emergency response plans. All monies in this account should be spent each grant year or the unused monies are returned to CRCOG. Grant funds must be spent per a budget submitted to and approved by CRCOG each year.

#3896 - Emergency Management Performance Grant - This grant is from the Department of Emergency Services & Public Protection, Division of Emergency Management & Homeland Security. This grant supports local emergency planning with funding for training, exercises and operational services.

#3897 - Property Maintenance Remediation/Relocation - This fund is used for the remediation of property maintenance violations per Chapter 8, Article VII sec. 8-130(2) of the Town of Windsor Code of Ordinances. The revenues for this project will come from General Fund transfers as well through reimbursement of monies when a lien is released via property transfer or property owner repayment. In addition, funds from this project are used for the Uniform Relocation Assistance Act (URAA).

#3903/3911 - Public Health Block Grant - This is a grant from the State Department of Public Health to local health departments to perform preventive health activities in certain designated areas such as cancer, cardiovascular disease prevention, injury prevention and surveillance monitoring. This grant period runs October 1st through September 30th.

#3905 - ELC-1 Enhancing Covid Grant - This grant money is from the Connecticut Department of Public Health and is intended to enhance local efforts in supporting COVID-19 pandemic surveillance and prevention of further coronavirus transmission. The grant period runs through November 2022.

#3907 - Coronavirus Relief Fund State Grant - This grant is from the State of Connecticut Coronavirus Relief Fund and is to be used for public health and safety personnel costs.

#3908 - COVID-19 - Hartford Foundation Vaccine Equity Grant - This grant is from the Hartford Foundation for Public Giving for vaccine equity and outreach efforts.

#3909 - COVID-19 - Vaccine Equity Partnership Grant - This grant is from the Connecticut Department of Public Health for vaccine equity and outreach.

#3912 - ELC-2 Enhancing Covid Grant - This grant money is from the Connecticut Department of Public Health and is intended to enhance local efforts in supporting COVID-19 pandemic surveillance and prevention of further coronavirus transmission. The grant period runs March 2022 - May 2023.

Budget Commentary

The overall FY 22 budget is expected to come in just under budget. The FY 22 General Fund budget is expected to come in under budget by \$19,610 or 1.1% due in large part to a partial year Children's Services Librarian vacancy and electricity savings from exit lighting conversion to LED. The overall FY 23 budget reflects an increase of \$69,800 or 3.8% as compared to the FY 22 budget due primarily to Personal Services, with grant funding to be used for a young adult intern program aimed at developing a more diverse library workforce. The FY 23 General Fund budget reflects an increase of \$48,300 or 2.7% due primarily to Personal Services.

Funding Sources

Donations include fundraising and gifts given by various independent organizations. The amount of funding and how it is spent may vary based on the donating organization's stipulations. We anticipate that donations will be used for some programs, publicity and materials for loan. User Fees include revenue from book sales, select library fees and replacement fees for lost books. Funds will be spent on replacing lost books, purchasing video and audio items and purchasing paper and cartridges for public printers.

Budget Commentary

The FY 22 General Fund expenditures are expected to come in under budget by \$1,360 or 0.1% due to salary savings after the COVID-19 pandemic protocol resulted in the temporary elimination of one service desk. The FY 23 overall budget reflects an increase of \$61,490 or 6.0% due to Personal Services with grant funding to be used for a young adult intern program aimed at developing a more diverse library workforce. The FY 23 General Fund budget reflects an increase of \$41,490 or 4.2% due primarily to Personal Services.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$11,020 or 4.0% due, in large part, to an American Rescue Plan Act (ARPA) grant used to purchase solar charging stations, washable furniture, upgraded air filters and other supplies needed during the pandemic. The FY 23 General Fund budget reflects a decrease of \$1,350 or 0.5% due to anticipated electricity savings after conversion of exit lighting to LED.

MAIN BUILDING SERVICES

Products & Services

Building Maintenance \$276,030

- Provide lighting, heat, air conditioning, telephones, elevator and water for nearly 200,000 annual visits to the Main Library
- Clean and maintain library seven days per week

LIBRARY SERVICES

FY 2022 Highlights

Library hours were fully restored at the main library in October 2021, extending use of the meeting rooms until 9 PM on weekday evenings for library programs and meetings of outside groups.

Teens at both libraries helped create gardens intended to provide the Windsor Food and Fuel Bank with fresh produce. Raised beds at the Wilson Branch, donated by the Windsor Garden Club, were filled with compost donated by Blue Earth Compost and seedlings grown and donated by Loomis Chaffee students. Teens volunteering through the Youth Services Bureau harvested and delivered produce throughout the summer. Teens at the main library grew dozens of plants simultaneously in an indoor hydroponic garden.

Library staff received CPR/AED training in October 2021. Both libraries are equipped with new AED (Automated External Defibrillator) machines.

A full-day "Training Palooza", spearheaded by the library's professional development task team, was held in the spring. Designed to build connection among a talented staff, the Palooza invited both full and part time employees to do short conference-style presentations on topics that ranged from book repair to meditation to backyard birds. This initiative grew out of results from the town's employee engagement survey.

Both libraries collaborated with the Windsor Health Department by hosting several Moderna COVID-19 vaccine clinics.

The additional \$2,000 budgeted in FY 22 for EDI (Equity, Diversity, Inclusion) was used to fund activities during Hispanic Heritage Month, an African American Heritage database and materials to the collections that focus on diversity.

After operating virtually last year, the Wilson Branch Tutoring program returned to in-person instruction this fall. Librarian Celestia Simmons, with a long career at both public and school libraries, became the new tutoring coordinator.

Both libraries participated in the Windsor Historical Society's Centennial Celebration events. The Wilson Branch provided free books and bookmarks at the September 25th event at the L.P. Wilson Community Center. Main Library staff supplied crafts and historical photographs for residents to engage with during the October 9th event on the Palisado Green.

New Nature Backpacks available for check out at the branch invited children and their families to learn about and explore the natural environment.

To enhance professional and career development, an online Training Portal was created by librarians on staff to help their colleagues learn more about Library and Information Science. The portal contains asynchronous webinars and courses that can be accessed from any device at any time, allowing staff the flexibility to learn when it best suits them.

In response to the growing need from the public for technology assistance, "Gadgets to the Geeks" moved to weekly afternoon rather than bi-weekly evening classes.

Windsor Library and Windsor Senior Services staff partnered for a 10-week Aging Mastery Program (AMP) through the National Council on Aging. Students taking the class were exposed to a different topic related to aging well each week for fun, interactive learning and set goals for positive actions upon graduation from AMP.

Both libraries hosted a new Adult Winter Reading Program this year. The program encouraged adults to kick the winter blues by reading and then to showcase what they'd read to help others get new reading ideas. Participants in the program received coupons for a free hot chocolate at The Bean @226 and became eligible for a prize drawing.

Kidspace staff attracted hundreds of children and their families to dozens of programs held outdoors on the town green throughout the summer and fall. Examples included visits from baby goats and llamas, a storyteller with fairytales from around the world and a "Pirate Experience" featuring a large pirate ship, outdoor games like "walk the plank" and a treasure chest of prizes.

*impact of reduced services and hours of operation during the COVID-19 pandemic

A fun fact about the value of our services...

A copy of **Tarzan of the Apes** by Edgar Rice Burroughs, due on April 22, 1980, was returned in the main library book drop on November 9, 2021 – more than 41 years overdue – making it, quite possibly, the longest overdue item in Windsor Library history!

LIBRARY SERVICES

FY 2023 Goals

1. Survey patrons at the Main Library about services they use most frequently and the ease of accessing them within the building. Examine results and consider options such as relocating staff, service desks and public computers to improve customer service by April 2023.
2. Research and consult with Senior Services staff to determine optimal strategies to use when providing technology assistance to the growing number of patrons with memory loss who are seeking help from librarians by January 2023.
3. Implement Librarians in Training program to develop a more diverse workforce by hiring young adults who might not otherwise consider pursuing library science as a career. Work with the Windsor High School Guidance Department to market the program, utilize state grants to fund it and employ two students by September, 2022.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$561,310 or 247.6%. This increased spending is due primarily to implementation of the American Rescue Funds (ARF) for Small Business and Nonprofit Recovery Grant Program which was authorized by the Town Council in November 2021. The proposed overall FY 23 budget reflects an increase of \$3,020 or 1.3% as compared to the FY 22 budget due to Personal Services.

Development Services

FY 2022 Highlights

Building Safety

The Building Department and Fire Marshal's Office continue to provide excellent customer service and to build relationships with developers, contractors and homeowners alike. The upward trend of homeowners investing in their homes continued this year and a number of large commercial projects were also completed. Some of the larger projects completed this fiscal year include:

- 1215 Kennedy Road – Amazon Distribution Center
- 340 Bloomfield Road– Public Safety Complex
- 4 Batchelder Avenue – NEO Theater renovation and addition
- 35 Mack Street – Windsor Housing Authority apartment renovations

Projects still in progress include:

- 110 Tradeport Drive – INDUS Flex building
- 1109 Kennedy Road – New warehouse
- 105 Baker Hollow Road – New warehouse
- 99 Lamberton Road – Traveler's Laboratory renovation
- 777 Day Hill Road – Day Hill Dome

In addition to construction support, the Fire Marshal's Office continued to partner with other town departments and organizations to use Community Risk Assessment data to help build data-driven initiatives to keep Windsor residents and businesses safe. We also celebrated as Fire Inspector Lauri Volkert was recognized as the National Fire Protection Association's Fire Educator of the Year for 2021. This recognition brought with it many opportunities for Fire Inspector Volkert to present at conferences around the country, sharing information about the good work that is being done in Windsor.

Economic Development

Economic Development incentives were negotiated with Chewy, Inc. to build a fulfillment center which will create up to 1,000 full-time jobs and enhance the local tax base.

Organized and hosted a successful job fair in partnership with the Chamber of Commerce to assist local businesses in recruiting employees. More than 35 businesses and 45 job seekers participated.

Proposed and implemented a Small Business and Nonprofit Recovery Grant program that provided over \$520,000 in grants to more than 55 businesses and nonprofits using American Rescue Funds (ARF).

Prepared a successful open space trail grant for funding of planning and design for a riverfront trail connecting the Windsor Center Trail with the East Barber Street Trail.

Completed an application for \$2.5 million from the CT Communities Challenge Grant program in support of a key redevelopment project in Windsor Center.

Planning

In FY 22, several major projects were approved, including a 166,375 sq. ft. warehouse at 105 Baker Hollow Road, the 487,200 sq. ft. BDL Logistics Center at 1190 Kennedy Road and the 750,000 sq. ft. fulfillment center at Great Pond Village.

Other noteworthy projects include a site plan approval for a 10,000 sq. ft. addition to Data-Mail, Inc. at 1010 Day Hill Road, text amendments for transit-oriented and workforce housing in Windsor Center, affordable accessory apartments, and accommodating economic development in Great Pond Village.

A fun fact about the value of our services...

Our Staff Development Review Team provides a comprehensive review process that saves applicants time and money by making all relevant staff, from planners to police, available to meet with applicants through all stages of the process which expedites their applications before appearing in front of the land use boards.

DEVELOPMENT SERVICES

FY 2023 Goals

1. The Building Safety team will prepare to implement the new state fire and building codes proposed to be adopted in fall of 2022.
2. Development Services will facilitate the implementation of the second phase of Great Pond Village.
3. The Planning Department will complete the State mandated affordable housing plan and incorporate it into the residential development chapter of the Plan of Conservation and Development (POCD). Several new chapter updates will be launched, dealing with conservation and sustainability topics, moving towards completion of the entire POCD by 2025.
4. Economic and Community Development will promote new investment in the Wilson neighborhood by leveraging its status as a Federal Opportunity Zone.
5. Economic and Community Development will facilitate small business recovery assistance in cooperation with local and regional partners which will seek to link local businesses to resources and opportunities.
6. Planning and Community Development will facilitate planning for the development of the proposed Wilson Gateway Park on the former Redevelopment Parcel based on Town Council guidance.
7. Economic and Community Development will pursue Windsor Center development projects in support of the Transient Oriented Development (TOD) Master Plan.

#1707 - Earth Day - This fund was created to accept donations to sponsor Earth Day activities and pay for other expenses, with any balance donated to the Open Space Fund.

#1722 - Fire & Life Educator Award - This award was given to the Fire Inspector for work in strengthening and reimagining the town's fire and life safety educational program and funds will be used to create a new Fire Prevention program.

1921 - Small Business Loan Program - This program was established to provide grants to businesses and local nonprofit organizations to mitigate financial hardship as a result of the COVID-19 pandemic and were allocated from the American Relief Funds.

COMMUNITY DEVELOPMENT

The Office of Community Development encourages neighborhood investment through a variety of initiatives, assists with the redevelopment of targeted properties, and solicits and administers grant funds.

Funding Sources

In addition to General Fund budget, other funding sources may become available. The Office of Community Development actively pursues grant funding. In addition, it has revolving funds which generate program income for the activity from which such income was derived.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$13,920 or 3.6% primarily due to lower costs for Services. The FY 23 overall budget reflects a decrease of \$33,540 or 8.8% with an increase of \$980 or 0.9% to the General Fund portion. Loans and associated program services are the main drivers for the non-General Fund decrease. This budget assumes that the Community Development office will be awarded a Small Cities grant of \$400,000 in late FY 23 to be spent over the course of FY 24 and FY 25.

COMMUNITY DEVELOPMENT

Products & Services

Neighborhood and Grant Activities \$76,560

- Solicit and administer grant funds including Community Development Block Grant (CDBG) - Small Cities funds
- Provide staff support to the Wilson/Deerfield Advisory Committee, Human Relations Commission, and the Fair Rent Commission
- Address quality of life issues in neighborhoods through various initiatives
- Administer the Neighborhood Assistance Act (NAA) Tax Credit program providing local non-profit organizations with an opportunity to leverage private donations
- Promote fair housing awareness through outreach efforts such as holding educational forums and posting notices.

Housing Rehabilitation Program \$272,650

- Promote neighborhood reinvestment by providing financial and technical assistance to income-eligible residential property owners for needed home repairs. Eligible activities include the correction of housing code violations, cost-effective energy conservation measures, lead and asbestos abatement, removal of underground storage tanks and modifications to improve handicap accessibility
- Leverage additional resources for housing rehabilitation by referring clients to the town's Social Services Energy, Utility Assistance Program and to other community agencies.

COMMUNITY DEVELOPMENT

FY 2022 Highlights

The Community Development Team has completed six of the projected nine Housing Rehabilitation projects during FY 22. Due in large part to the COVID-19 pandemic, projects have become more expensive and are taking longer to complete. Throughout the year, the Community Development office has worked on a total of nine projects, of which, three are to be completed in FY 23. Loans are provided to income-eligible households. The total amount expected to be lent for the fiscal year is approximately \$219,000, with an average loan amount of \$34,000 per unit. The scope of work includes cost-effective energy conservation measures, correction of code violations, modifications for handicap accessibility, replacements of critical systems (i.e. septic tanks, heating units) and removal or encapsulation of hazardous material including lead based paint and asbestos and the removal of underground fuel tanks and mold.

During FY 22, the Community Development office referred 19 home owners to the appropriate agency for a variety of energy-related needs including energy audits, furnace cleaning and conversion from oil to gas.

Community Development staff supported the Human Relations Commission with the continuation of the virtual series titled, Conversations on Race, as well as organized and presented the first ever Windsor-sponsored Juneteenth celebration as a part of the promotion of Women's History Month and Black History Month.

Department staff supported the Wilson/Deerfield Advisory Committee by assisting with the revision of the committee's bylaws. A successful community cleanup was organized in the Wilson neighborhood and a Walk and Bike Audit of Windsor Avenue was co-sponsored with the Chamber of Commerce. Neighborhood outreach was also conducted to disseminate information about COVID-19 vaccinations.

The Community Development office also administered the Neighborhood Assistance Act (NAA) Tax Credit Program that assisted local nonprofit organizations to leverage donations from the Windsor corporate community.

A fun fact about the value of our services...

In FY 22, water damage was the leading cause for housing rehab repairs. These included mold remediation, roof repairs and plumbing issues.

FY 2023 Goals

1. Continue the successful Housing Rehabilitation program utilizing revolving loan funds generated by repayments of prior loans.
2. Expand the program's ability to meet the need to rehabilitate housing stock by applying for additional grant funds from the Connecticut Department of Housing.
3. Build relationships and seek partners to maximize Community Development Block Grant funds and to enhance the town's housing rehab and small business loan programs.
4. Continue to work towards strengthening the community via the Human Relations Commission and the Wilson/Deerfield Advisory Committee.

PUBLIC WORKS AND ENGINEERING

The mission of the Department of Public Works and Engineering is to manage and maintain the town's infrastructure, public facilities, equipment, parks and public areas and the landfill, making a positive difference in the quality of life for the residents and businesses of Windsor.

Budget Commentary

The overall FY 22 expenditures are expected to be under budget \$14,890 or 0.2% primarily as a result of savings in Personal Services due to vacancies. The FY 22 General Fund expenditures are expected to be under budget by \$135,500 or 2.0%. The overall FY 23 budget reflects an increase of \$354,580 or 4.4% primarily due to Personal Services, including additional seasonal employees and a full time Maintainer. The FY 23 General Fund budget reflects an increase of \$283,950 or 4.2% mostly due to Personal Services.

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$101,210 or 15.6% mostly due to savings in Personal Services for a partial year vacancy. The FY 23 General Fund budget reflects an increase of \$37,230 or 5.9% due to Personal Services.

ADMINISTRATION

Products & Services

Executive Management \$668,420

- Provide leadership and coordination of all department activities
- Oversee the asset management of the town's infrastructure including roadways, sidewalks, stormwater drainage, street lights, and traffic signals
- Manage and direct the ongoing maintenance and repair operations performed by the department
- Oversee the in-house design and construction administration of the town's capital projects
- Aid in the development of the town's Capital Improvement Program (CIP)
- Provide administrative support for the approval and processing of purchases made by the department
- Promote public awareness of department activities and goals
- Maintain and develop professional relationships with local, state, and federal agencies
- Provide liaison support with public and private utility companies.

Landfill \$18,400

- Provide technical and administrative guidance for the Windsor/Bloomfield landfill to ensure that engineering-related tasks and projects are in compliance.

DESIGN SERVICES

Design Services oversees the asset management of the town's non-building infrastructure including roads, sidewalks, stormwater drainage systems, street lights and traffic signals. It also provides engineering services to design and administer the construction of town capital projects as well as assist the Development Services group in guiding private development in accordance with the Plan of Development (POD) and the Capital Improvements Program (CIP).

The overall and General Fund FY 23 budget reflects an increase of \$19,160 or 1.7% as compared to the FY 22 budget primarily due to an increase in Personal Services.

PAVEMENT MANAGEMENT

Products & Services

Seal Pavement Cracks \$148,470

- Clean and seal roadway cracks to eliminate water seepage into road base on numerous streets.

Localized Pavement Repairs \$116,030

- Repair surface defects and potholes caused by poor base and sub-base material.

Pavement Preventive Maintenance/Snow Materials \$161,280

- Perform thin overlays and other related maintenance measures on certain street sections
- Purchase additional materials for storm control.

Mill & Repave Streets \$556,860

- Coordinate and oversee the milling and repaving component of the town's pavement management program. This type of work is done in two phases with the milling of the street surface being performed first followed by the repaving of the roadway. Streets to be milled and repaved are selected based on pavement condition, traffic volume, geographic location and cost.

Repair Curbing, Driveways & Lawns \$149,670

- Replace damaged or worn curbing at various locations throughout town
- Repair lawns and driveway aprons damaged during snow removal.

Repair Dirt Roads \$16,250

- Grade, shape and roll town dirt roads affected by weather conditions. Install new drainage as needed.

Pavement Management System Maint. \$11,610

- Provide consultation for pavement management system to maintain system and inspect streets.

STORMWATER DRAINAGE

The Stormwater Drainage division maintains drainage channels, stormwater outlets and detention ponds. It also repairs existing drainage structures, such as catch basins, and adds new drainage structures as needed throughout the town.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$5,610 or 1.2% due to Personal Services. The FY 23 General Fund budget reflects an increase of \$19,940 or 4.4% compared to the FY 22 budget due to Personal Services.

STORMWATER DRAINAGE

Products & Services

Repair or Replace Catch Basins and Adjust Manholes \$297,300

- Repair or replace damaged catch basins and manholes in response to complaints, system failures and in conjunction with pavement overlay and road reclamation programs.

Clean Detention Ponds \$12,380

- Remove accumulated silt and vegetation in detention ponds on town maintained property.

Maintain Channels of Brooks \$6,440

- Clean debris, remove silt and vegetation and make repairs.

New Drainage Systems \$12,380

- Install new drainage structures and systems to increase capacity and alleviate erosion, road flooding and icing problems.

Maintain Stormwater Drainage Pipe \$99,090

- Maintain 98 miles of stormwater pipe in the town right-of-ways
- Replace pipes or joints where they are broken or separated
- Flush and purge blocked pipes to remove silt, debris and roots to enable water to flow freely.

Maintain Inlet, Outlet & Watercourses \$4,950

- Maintain and clean out natural drainage channels to eliminate problems caused by sedimentation, erosion and concrete deterioration.

Catch Basin Sand and Litter Removal & Inspection \$62,920

- Inspect and remove sand, litter and other debris from catch basins.

TRAFFIC SAFETY AND COMMUNITY SUPPORT

Traffic Safety and Community Support provides for the management of traffic safety, traffic signs, signals and pavement markings, streetlights and traffic signals, support for community events and support for elections.

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$9,100 or 0.9% primarily due to Personal Services. The overall FY 23 budget reflects an increase of \$25,480 or 2.5% compared to the FY 22 budget due to an increase in Personal Services.

TRAFFIC SAFETY AND COMMUNITY SUPPORT

Products & Services

Town-Wide Safety Markings \$52,720

- Install and maintain pavement markings
- Repaint crosswalks, stop lines and railroad crossings as needed.

Traffic & Safety Signage \$84,290

- Install traffic control and street name signs
- Replace vandalized, stolen or outdated signs
- Provide special street signage as requested.

Streetlights \$526,740

- Fund utility costs for 3,731 streetlights
- Maintain 836 town-owned streetlights
- Repair/replace damaged or aging streetlights
- Inspect/accept new streetlights in subdivisions
- Monitor and inspect contractor repairs.

Traffic Signals \$126,430

- Fund utility costs for 60 traffic signals and flashers
- Maintain traffic signals and school signs
- Conduct annual safety tests and monitor repairs
- Maintain 29 town-owned traffic signals and flashers.

Community Events \$76,910

- Set up and take down equipment for events which may include:
 - Shad Derby
 - Northwest Park Country Fair
 - Chili Challenge
 - Fife & Drum Muster
 - Fishing Derby
 - Halloween events in town center
 - Memorial Day events
 - Lion's Club Arts & Crafts Fairs
 - Block parties.

Guiderails & Barricades \$21,080

- Maintain and repair four miles of guiderails.

State-Mandated Evictions and Auctions \$13,700

- Respond to up to 45 evictions yearly
- Move and store property from evictions
- Auction unclaimed property from evictions and town surplus property.

Election Setup \$18,960

- Set up and take down equipment for referendums, primaries and elections.

24-Hour Emergency Response \$31,610

- Respond to police requests to remove debris caused by motor vehicle accidents
- Remove dead animals from roads
- Respond to requests for chemical spill containment.

Clean Streets \$69,540

- Sweep and remove sand and litter from 155 miles of roads and from town and Board of Education parking areas
- Sweep streets in support of street resurfacing as well as community events.

Sanitary Waste Removal \$31,610

- Remove waste from town facilities and litter receptacles.

EQUIPMENT REPAIR

Equipment Repair provides for the repair, maintenance and replacement of Department of Public Works vehicles and heavy equipment and supports the town's fuel dispensing system.

EQUIPMENT REPAIR

Products & Services

Fleet Maintenance \$683,630

- Maintain and repair public works vehicle and equipment fleet
- Manage inventory and parts for fleet
- Maintain inventory, registration, emission testing and insurance cards
- Respond to emergency breakdown of vehicles.

Fuel Management \$218,830

- Procure gasoline and diesel fuel for town
- Monitor automated fuel system for town vehicles.

Vehicle & Equipment Procurement \$49,000

- Procure vehicles and equipment for public works and other town departments.

STORM CONTROL

The Storm Control division's goal is to minimize disruptions caused by inclement weather, especially winter storms. An additional goal is to provide safe streets and other public ways, reduce delays for motorists and emergency service vehicles and allow for the efficient transportation of goods.

STORM CONTROL

Products & Services

Clear, Safe Pavement Surfaces \$396,900

- Respond immediately, 24-hours-a-day, to hazardous road conditions reported by the Windsor Police Department or others
- Plow and sand over 150 miles of roads, 189 cul-de-sacs, 39 acres of public parking lots, and all town-owned sidewalks along streets and at town buildings
- Maintain snow plowing and ice control vehicles and attachments including 25 snowplows, 20 material spreaders, 3 payloaders and 3 sets of sidewalk plows and sanders
- Mix and maintain a stockpile of materials for traction control
- Maintain sand/salt barrels throughout the Town of Windsor
- Investigate and resolve customer complaints
- Spread traction materials or otherwise alleviate icing conditions.

PUBLIC WORKS AND ENGINEERING

FY 2022 Highlights

Public Works and Engineering

During FY 22, Public Works coordinated the milling and paving of approximately six miles of roadway including East Barber Street, Matthew Lane, Pepperbush Way, Rainbow Road, Eastview Drive, Farmstead Lane, Mountain Road and Long Hill Road. Prior to the milling and paving, Public Works staff performed drainage improvements on these streets. The work included piping repairs and the replacement of tops and other portions of approximately 200 catch basins. Public Works staff also paved all, or portions of, Old River Street, Emerson Drive and Thrall Road. Coordination and oversight of cracked sealing on more than four lane miles of town streets was also completed.

Public Works staff performed the sweeping of over 150 miles of town roads as an additional preventative maintenance measure. Several storm drainage detention basins within the town were cleared and graded to improve their effectiveness.

The Engineering department oversaw the preparation of construction documents for the reconstruction of the northbound side of International Drive. The construction phase of the project will be funded by the Connecticut Department of Transportation's Local Transportation Capital Improvement Program (LOTICIP), which provides 100% state funding toward the nearly \$2.1 million of construction costs. A grant application for the southbound side of International Drive for another \$2.2 million was also prepared and submitted.

Construction oversight of the Sage Park Middle School Field Improvements began in late summer and will continue into spring. A fall 2022 opening of a portion of the fields is anticipated with the remainder to follow in 2023.

Facility Management

The Fire/EMS Station project at 340 Bloomfield Avenue was completed in winter of 2022. The project was delayed for four months due to logistical issues caused by the COVID-19 pandemic.

The Sage Park Middle School roof replacement project was completed in November, 2021.

The design for improvements to the town's aquatic facilities, including renovation of changing facilities at Goslee Pool and Welch Park Pool, is ongoing through spring of 2022.

The replacement of HVAC systems and installation of air conditioning on the second floor of Sage Park Middle School was completed in November of 2021.

HVAC replacement for the Milo Peck Child Development Center building and remaining project work, as well as the addition of air conditioning for Sage Park Middle School are scheduled for the summer of 2022.

Design projects are ongoing for enhanced HVAC for 330 Windsor Avenue Gymnasium, roof replacement at Clover Street Elementary School, Clover Street Elementary School restroom ADA code compliance, L.P. Wilson/BOE main restroom renovations and HVAC replacement systems for the L.P. Wilson Community Center.

The L.P. Wilson Community Center boiler replacement project was completed in the fall of 2021. The Windsor High School roof top units replacement project was completed in the fall of 2021. The window replacement for the Luddy House and Carriage House was completed in the fall of 2021.

PUBLIC WORKS AND ENGINEERING

FY 2022 Highlights (continued)

Traffic Safety and Community Support

Public Works/Engineering oversaw the removal of the obsolete fire station traffic signal and the installation of new solar powered flashing fire station warning signs as part of the 340 Bloomfield Avenue fire and emergency medical services building renovation project. This project was completed in winter of 2022 because of issues caused by the COVID-19 pandemic.

Developed specifications and performed detailed technical reviews of consultant plans for two traffic signals on Day Hill Road as part of the proposed next phase of the Great Pond Village development.

Completed the review of the consultant's bid plans and specifications for the Day Hill Road adaptive traffic signal system which was delayed because of the COVID-19 pandemic. Construction bids were opened in the winter of 2022.

Number of traffic data collections by Engineering.	53	40	65	40
Value of change orders as a % of original contract	5.4%	4.0%	5%	4.5%

A fun fact about the value of our services...

The Public Works department continues to look for savings to stretch dollars a bit further each year and with each project. A few examples of our efforts include:

- Saving the town over \$50,000 by advertising a bid package for the paving of town roads and parking lots rather than utilizing current state bid pricing
- Procurement of gasoline and diesel through a bulk purchasing agreement that realized an average savings of approximately 40% when compared to retail costs. In 2022, the fuel station will be improved with modern tanks, equipment and dispensers to continue these savings into the future.

PUBLIC WORKS AND ENGINEERING

FY 2023 Goals

1. Administer and oversee the construction of Phase One of the International Drive rehabilitation project, which is funded through the State Local Transportation Capital Improvement Program Grant.
2. Oversee the completion of athletic field improvements at Sage Park Middle School.
3. Complete the construction of the fuel station improvements at the Public Works facility.
4. Advance the design of the Broad Street Road Diet Project and continue to explore grant opportunities for construction.
5. Work with the Board of Education to complete the installation of the Sage Park Middle School air conditioning system.
6. Monitor and document ongoing elements of General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems (MS4 General Permit) administered by the Connecticut Department of Energy & Environmental Protection (DEEP).
7. Complete the installation of the Day Hill Road Adaptive Traffic Signal System, funded by a Congestion Mitigation and Air Quality Program grant.
8. Pursue the installation of solar arrays at 100 Addison Road, 340 Bloomfield Avenue and the Poquonock firehouse through power purchase agreements.
9. Continue to explore alternative means of pavement preservation and rehabilitation to provide cost-effective use of pavement management funding, such as cold-in-place pavement recycling and infrared asphalt restoration.
10. With the Public Building Commission's guidance, complete design of the replacement of HVAC systems for the Milo Peck Child Development Center.
11. Activate one new and three modified traffic signals on Kennedy Road.

#1980 - Stony Hill School - This is a former one-room school house on Windsor Avenue near the intersection of Hillcrest Road. This historical structure is maintained by the Department of Public Works. It is currently rented out for fitness training classes. Funds are used to pay all expenses associated with the maintenance of this facility.

#2014 - 330 Windsor Avenue Maintenance - This revolving fund is used for repair and maintenance at the facility. Revenues are received from the Caring Connection, Recreation Department and the Chinese restaurant on site.

#4009 - Town Aid Road Improvements - This is a state grant used primarily for street maintenance and repair-related activities. This account is used as a revolving fund for management of this grant. A major use of this account is for the purchase of materials for the snow and ice program. It is also used for street pavement markings, pavement preventive maintenance (such as crack filling) and catch basin cleaning.

#4012 - Local Capital Improvements, Recording Fees - This account differs from the Local Capital Improvements Program (LoCiP), which is an annual grant from the State. This account was established to receive funds that are the result of an increase in the recording fees charged by the State. These funds may be used for improvements by local governments in the State.

#4018 - Veterans Cemetery - The Department of Public Works places headstones (provided by the government) at grave sites and maintains the cemetery grounds. The town receives funding from the Department of Veterans Affairs (VA) to place the headstones in their designated area. Expenses associated with the maintenance of the cemetery are paid from this account.

#4024 - Solid Waste Management/Anti-Littering - This account was established pursuant to CT PA 21-56. A portion of the revenues received by liquor wholesalers from the sale of "nip" bottles is allocated to cities and towns in Connecticut and used towards managing solid waste and reducing the impact of littering.

#4100 - Rental Revenue properties - This revolving fund is for the receipt of rental revenue and the payment of expenses for properties owned by the town. Presently, this includes the Luddy House (town green), Luddy Carriage House (town green) and the Lang House (Northwest Park). The Chamber of Commerce is located in the Luddy House.

#4101 - Train Station/Freight House - The Amtrak Train Station (Central Street) and Freight House (Mechanic Street) are properties leased from the Greater Hartford Transit District and are sub-leased by the town to others. Both buildings are presently being used by Windsor Arts Center. Larger expenditures expected in the near future include roof work at the train station.

#4102 - Roger Wolcott Building - This is the former Roger Wolcott School facility. Funds are from the Facilities Management General Fund. The costs for utilities and other expenses are paid out of this account for the on-going maintenance of the building. As of February 2022, this building no longer belongs to the town and the balance will be allocated to General Fund expenditures.

#4103 - Parks Garage Leased Space/100 Addison Road - This account was originally used to pay for the lease and other related expenses for the facility at 147 Addison Road which replaced the former Parks Garage on Mechanic Street. Public Works equipment and materials (primarily off-season) are stored at this building. This account is funded from the sale of the former Parks Garage facility. As of January 2017 this account was being used to pay the utilities at 100 Addison Road. The balance is projected to be used by the end of FY 22.

#4800 - Landfill Reuse Planning - A citizen's group worked with a consultant to develop a reuse plan, which primarily incorporated various active and passive recreational uses. The balance shown represents the amount unspent during this planning effort.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$6,290 or 0.9%. This is primarily due to savings in the Personal Services line related to a staff vacancy in the Town Clerk's office. The FY 22 General Fund expenditures are expected to come in under budget by \$6,290 or 1.1% due to the same reason. The overall FY 23 budget reflects an increase of \$38,410 or 5.5% as compared to the FY 22 budget due primarily to Personal Services, increased costs for election related postage and the printing of "There's a lot to do in Windsor" magazine. The FY 23 General Fund budget reflects an increase of \$38,910 or 6.7% for the same reasons.

TOWN CLERK

The Town Clerk's Office is heavily regulated by state statutes. It certifies elections, records, land records and maps, files and issues vital statistics and issues dog licenses and sportsmen licenses. Each of these responsibilities is mandated by state statute. The Town Clerk's Office also provides customer service to the citizens of Windsor by answering the main telephone line, and providing information and notary services.

Budget Commentary

Both the overall and General Fund FY 22 expenditures are expected to come in under budget by \$8,220 or 2% due to a staff member out on disability. The overall FY 23 budget reflects a net increase of \$18,310 or 4.5% as compared to the FY 22 budget due to increases in Personal Services and postage costs for the 2022 State Election. The FY 23 General Fund expenditures reflects an increase of \$18,810 or 5.3% due primarily to Personal Services and 2022 State Election Postage costs.

Budget Commentary

The General Fund FY 22 expenditures are expected to come in over budget by \$1,930 or 0.8% due to an increase in printing the publication *There's a lot to do in Windsor* magazine. The FY 23 proposed overall budget reflects an increase of \$20,100 or 6.8% as compared to the FY 22 budget due primarily to increases in Personal Services and the aforementioned magazine costs.

INFORMATION SERVICES

FY 2022 Highlights

Public Relations

High profile marketing efforts this year focused on road safety, including the re-launch of the Drive-Wise program and COVID-19 pandemic related information including testing and vaccination clinics and raising public health awareness.

On Memorial Day, Windsor welcomed home Reynold N. Hoover to serve as our Memorial Day Parade Marshal. Reynold, a retired 5-star general in the United States Army attended Windsor Public Schools, graduating from Windsor High School.

In honor of the 20th anniversary of 9/11, approximately 3,000 luminaries were displayed on the historic Windsor Town Green. Each luminary was inscribed with the name of an individual who lost their life on that fateful day. Windsor resident Maureen Donegan, who lost her brother on 9/11 shared her story and words of hope to those gathered on the green for a ceremony that included Windsor's emergency responders.

The town's social media platforms saw tremendous growth during the COVID-19 pandemic. While it's unreasonable to think that amount of growth is sustainable, the information that we share continues to reach more and more people, especially on Facebook. Our posts on Facebook have reached more than 105,000 unique individuals in the past year, with 25% being reached from paid ads. This shows an organic reach of more than 75,000 individuals throughout the year. Looking further, our COVID-19 Vaccine Campaign "Let's Get Back to Life, Safely" on Facebook was our most successful outreach of the entire year, reaching 15,400 unique individuals and garnering roughly 2,200 link clicks to our website page. Other top performers include the WinWag Photo Contest, information on mask mandates, and showing off our new Fire/EMS Facility, all individually reaching over 6,000 unique people each.

Town Clerk

As the COVID-19 pandemic ushered in a new culture of online behaviors, it became evident there was a high demand to access town services and information remotely. The Town Clerk's office had previously established the framework needed for our residents and business partners to successfully access our services remotely. The online capabilities include the ability to search data and view electronic images of land records dating back to 1640 for title searches, electronically submit recording packages for real estate transactions and renew dog licenses online. During FY 22, the vast majority of title searchers opted to perform title searches online. Similarly, there was a 15% increase in e-recorded land documents and a 21% increase in dog licenses purchased online. Furthermore, the marriage license application process was streamlined to allow applicants to submit their application remotely, giving staff the opportunity to process the marriage license in advance of the couple coming to town hall.

Election Activity:

Voters and property owners came on May 11, 2021 to vote for the annual FY 22 Budget Referendum. The annual budget submitted by the town council was approved by a vote of 1,348 (Yes) to 742 (No) with a 10% turnout.

On November 2, 2021, 6,049 out of 22,261 registered voters participated in the 2021 Municipal Election for a 27% turnout. The Democratic Party garnered the majority vote in all three races: Town Council, Board of Education and Constable.

Land Activity & Revenues:

The single family housing market was particularly robust this year due to continued low mortgage rates. The exceptionally high demand and chronically low supply of houses led to the double-digit rise in home prices in Hartford County, including Windsor. Revenue generated from Conveyance Tax experienced a \$45,000 increase from the previous fiscal year. During FY 21, the Town Clerk's office recorded a total of 6,736 land documents, an increase of 1,200 documents from the prior year. This increase generated \$213,500 in land recording fees and \$465,600 in Conveyance Tax for the town's general fund revenues.

The FY 21 Targeted Historic Document Grant was awarded to the town for the maximum amount of \$7,500. The grant funds were utilized to restore the 1929 through 1932 Tax Grand Lists that are part of the Tax Assessor's historic records in need of preservation work. The completion of these records finished the multi-year preservation project for the historic Grand Lists. The grant also funded the preservation of historic school and miscellaneous town records.

A fun fact about the value of our services...

Public Relations was recognized with an *Award of Excellence* in the "Best Use of Humor" category at the 2021 3CMA (City, County, Communications and marketing Association) Conference Savvy Awards presentation for a video produced to encourage town staff to participate in an employee engagement survey. Windsor finished third behind Bristol, Tennessee and Orlando, Florida. Additionally, the Town Clerk was awarded the 2020 Town Clerk of the Year award and the 2021 Above and Beyond Award by the Connecticut Town Clerks Association.

FY 2023 Goals

1. Determine the financial feasibility of scanning the archived public building plans presently stored in the lower archive room at town hall as a collaborative multi-year plan with the Building Inspection Services to incorporate digital images into Laserfiche and/or Muncipity for staff and public use.
2. Continue to implement a multi-year plan to preserve the town's historical records.
3. Benchmark current communication methods and explore alternative platforms to increase communication performance measures to continuously elevate outreach to residents.

Budget Commentary

The FY 22 overall budget is expected to come in under budget by \$6,560 or 0.2% mostly due to Personal Services for partial year vacancies throughout the Service Unit. The overall FY 23 budget is expected to increase \$188,110 or 6.8% primarily due to the use of Special Revenue Funds for the anticipated delinquent property tax sale. The FY 23 General Fund budget reflects an increase of \$160,470 or 6.1% mostly due to Personal Services which includes transitioning a part time position into a full time position in the Assessing Department, as well as Services for upgraded financial software in the Finance Department.

Budget Commentary

The FY 22 overall and General Fund expenditures are expected to come in over budget by \$7,420 or 0.8% due to Capital Outlay for hardware that was purchased for a required upgrade to the town's financial software. The FY 23 General Fund budget is expected to increase by \$50,680 or 5.8% and is mostly due to Personal Services. Also contributing to this are increased costs in Maintenance & Repair associated with the department's upgraded financial software.

FINANCIAL ACCOUNTING AND REPORTING

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$4,280 or 0.8% due to a part time partial year vacancy and lower than expected tuition reimbursement expenses. The FY 23 General Fund budget reflects an increase of \$15,570 or 3.0% as compared to the FY 22 budget due to Personal Services and an increase in the cost for the annual maintenance contract for applicant tracking software.

HUMAN RESOURCES

Products & Services

Recruitment and Selection \$99,710

- Recruit and select qualified applicants through advertising and the posting of job announcements; answering telephone and walk-in inquiries; reviewing and processing applications; interviewing and testing; background and reference checking and final hiring

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$2,870 or 1.0% mostly due to a part time partial year vacancy in Personal Services. The FY 23 General Fund budget reflects an increase of \$49,620 or 17.5% as compared to the FY 22 budget primarily due to Personal Services for transitioning a part time position to a full time position.

Budget Commentary

The overall FY 22 expenditures are expected to come in under budget by \$2,070 or 0.7%. This was a result of decreased staffing needs for the July 2021 collection period due to a reduction from in-person tax payments brought about by the continuation of the COVID-19 pandemic. The overall FY 23 proposed budget reflects an increase of \$35,010 or 11.7% as compared to the FY 22 budget primarily due to Personal Services and an increase in the Services category as a result of the anticipated delinquent property tax sale. The \$24,600 for the tax sale will be mostly recovered from the purchasers of the properties. The FY 23 General Fund budget reflects an increase of \$10,410 or 3.5% due primarily due to an increase in Personal Services.

TAX COLLECTION

Products and Services

Current Tax Collection \$78,460

- Collect 95% of the total levy during normal tax-due periods (July-August and January).

Delinquent Tax Collection \$188,220

- Use a variety of methods and procedures such as updating new addresses, mailing delinquent tax notices, issuing alias tax warrants through state marshals and constables, recording liens against real estate with the town clerk's office and conducting delinquent property tax sales in an attempt to collect the balance of the total tax levy.

Parking Tickets \$3,250

- Collect parking tickets fees for the police department.

Tax Billing Preparation \$63,850

- Prepare consolidated tax statements for leasing companies and banks acting as escrow agents in anticipation of annual tax billing
- Mail more than 40,000 tax bills.

ADMINISTRATIVE SERVICES

FY 2022 Highlights

Tax Collection

The Tax Office completed the final steps required in the process of the delinquent property tax sale which was held in April, 2021. This sale collected nearly \$520,000 in delinquent real estate taxes, interest, and fees owed to the Town of Windsor. We are now in the process of identifying and sending notices and letters to those property owners who may be at risk of having their properties included in the next tax sale auction.

Finance and Accounting

During FY 21, the town received a clean audit from the appointed auditing firm RSM US, LLP for the fiscal year 2021. Related to the audit and during FY 22, the town received the national Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting for the 36th consecutive year for the submission for the Town of Windsor's FY 20 Annual Comprehensive Financial Report (ACFR). In addition, in November, 2021 the town was awarded the GFOA's Distinguished Budget Presentation award for the Town's FY 22 Budget document.

The Accounts Payable area of the Finance Department developed and implemented paying vendors through electronic payments versus paying with printed checks. This will allow vendors to receive their payments quickly and more efficiently and will save money and staff time for the town.

The accounting software for the town, Munis, was upgraded from version 11.3 to 2021.3 during FY 22. This version is more user friendly with more functionality and ease of use. This technology enhancement comes with Tyler Hub, Tyler Content Manager and Ready Forms. Tyler Hub includes preconfigured cards in dashboard configuration which will help staff monitor key processes, quickly execute routine tasks and eliminate time-consuming data searches. Tyler Content Manager and Ready Forms will allow for a large variety of documents to be linked, stored and modified-all within the system.

Risk Management

Risk Manager, Marty Maynard, is featured in a new book called "Financial Managers – A Practical Career Guide", by Marcia Santore. The book is oriented towards young people just starting out or adults who are changing careers and looking for a position in the field of Financial Management. Some of the careers discussed in the book include bank managers, finance managers, credit managers, and risk managers. Chapter topics include how to form a career plan, pursuing the right education, writing a resume and interviewing skills. Marty's section is an interview-based format where he talks about what a risk manager does, how he became a risk manager, what a typical day is like, as well as what the challenges, surprises and rewards are in this career field.

During FY 22, assistance to the East Windsor Police Department was provided for their respiratory fit testing program for the use of N-95 respirators by all employees. Instruction was provided to the training officer in the proper sequence of conducting a fit test to ensure compliance with state and federal regulations.

Marty continues to work towards his CRIS (Construction Risk Insurance Specialist) designation from the International Risk Management Institute through successfully passing five courses and exams. He is also working on the Certified Master of Worker Compensation designation.

Human Resources

During FY 22, Human Resources coordinated and completed negotiations with the Public Safety Dispatchers and participated on the negotiation team for a successor agreement with the Windsor Police Department Employee Association. The HR department implemented the contractual changes for both bargaining unit agreements.

The Human Resources team implemented new applicant tracking software that enhances the town's recruitment capabilities while streamlining the talent acquisition process. Some of the tangible benefits include automatic postings of job vacancies to five major job boards, enabling candidates a text to apply option from their personal phones, utilizing a scheduler to automatically sync calendars for hiring managers and recruiters providing applicants with options for selecting their interview time, and ultimately providing both candidates and town employees a high quality onboarding experience that has been proven to contribute to long-term employee engagement.

Throughout FY 22, HR continued to provide support to employees and departments related to the COVID-19 pandemic, including researching and preparing a variety of related policies and procedures.

ADMINISTRATIVE SERVICES

FY 2022 Highlights (continued)

Information Technology

Transitioned all voice and data systems to the Fire\EMS facility at 340 Bloomfield Avenue.

Upgraded the existing town phone system that services town hall, both libraries, L.P. Wilson Community Center, Milo Peck Child Development Center, Public Works, Northwest Park and the transfer station and added the 330 Windsor Avenue facility to the system.

Property Valuation

Completed and signed the October 1, 2020 Grand List on January 31, 2021.

Conducted a visual field review of business personal property accounts which resulted in a net gain in assessed value and increased revenue to the town.

Personal property audits were conducted with the services of an outside vendor resulting in a \$36,000 net tax gain to the town. Six audits were completed and additional audits will be completed in FY 23.

A fun fact about the value of our services...

In FY 20 the Human Resources Department was working on streamlining the new employee onboarding process, including distribution of new hire forms, policies and benefit information. When the COVID-19 pandemic arose it became even more important to reduce the time spent face-to-face with new hires completing their forms. Initially, the department used DocuSign while a new applicant tracking and on-boarding system was being implemented. Implementation was completed in January, 2022. With this system, all pre-employment forms and policies have been uploaded and the applicable packets can be sent to new employees with the click of a few buttons. Prior to automating this process, the new hire packets, totaling approximately 150 pages each, were printed and given to new employees. Beginning in FY 21 to date, it's estimated that over 6,000 paper copies have been saved due to automating this part of the onboarding process.

ADMINISTRATIVE SERVICES

FY 2023 Goals

1. Focus on providing safety training and implement measures to reduce slips, trips and falls in the workforce.
2. Continue to review and propose changes to the town's procurement policy to align with current procurement practices and process improvements, including standardization of forms.
3. Configure and implement information technology resources and infrastructure for the social services and senior services office renovation located at the L.P. Wilson Community Center.
4. Continue implementing features of the new applicant tracking system including enhancing the employee onboarding program and analyzing recruitment data to determine effective recruitment sources.
5. Continue Diversity, Equity and Inclusion (DEI) related training and awareness.
6. Implement an online safety training program for all employees to meet the needs of the organization to supplement training provided by Risk Management.

#1650 - Assessor's Coin-Op Copiers - Revenues are generated by fees obtained from use of the copying machine (GIS maps, etc.) This fund is used toward the purchase of supplies and for the costs associated with the copier maintenance agreements.

#1651 - Delinquent Property Tax Sale - A public auction is scheduled to be conducted by the tax collector in the spring of 2023 for the sale of a variety of real estate properties with delinquent taxes due. Funds collected at the sale will be applied to clear the back taxes and release the tax liens. This fund listed above represents the estimated expenses and expense recoveries from the buyers for this sale.

#1691 - Diversity, Equity & Inclusion - FY 21 Town Council appropriation for town staff training.

GENERAL GOVERNMENT

General Government programs provide funds for the activities of the town's elected officials and appointed boards and commissions as well as the operations of the Town Manager's Office. General Government also includes funding for the Town Attorney, Treasurer, Probate Court, Independent Audit, Intergovernmental Services and Community Services.

Budget Commentary

The FY 22 General Fund expenditures are expected to come in over budget by \$29,240 or 2.7% mostly due to the Counsel and Legal Advice budget for workers compensation litigation and an unanticipated special election for a State Representative seat in March of 2022 that was not budgeted for. The FY 23 General Fund budget reflects an increase of \$120,480 or 11.0% as compared to the FY 22 budget due to three elections budgeted in FY 23 versus two in FY 22. Also contributing to the increase is added funding for processing absentee ballots and for Personal Services and Clean Energy initiatives in the TMO.

Funding Sources

The town's required expenditures for Town Council are funded solely by the General Fund.

Products and Services

The Town Council is the town's legislative and policy making body composed of nine volunteers elected at large for terms of two years. The mayor is selected by the other members of the council. Responsibilities include:

- establishment and review of policies and measures that promote the health, safety and welfare of all Windsor residents
- appropriation of funds for town services and programs
- appointment of a town manager, town attorney, clerk of the council, town treasurer and members of various boards and commissions.

Budget Commentary

The FY 22 General Fund expenditures are expected to come in under budget by \$300 or 1.6% due to lower advertising expenditures. The FY 23 General Fund budget reflects a decrease of \$750 or 3.9% due to less advertising expenses as compared to the FY 22 budget.

Funding Sources

The town's required expenditures for the Probate Court are funded solely by the General Fund.

Personnel Requirements

Probate staff, including one judge and several clerks are exempt and are not considered town employees. Probate Court salaries are paid by the state court system.

Products and Services

The Probate Court of the District of Windsor was established July 4, 1855 and was located in the Windsor Town Hall. In 2010 the Windsor Court was consolidated with the towns of South Windsor and East Windsor. In January 2011, this district court was relocated to the South Windsor Town Hall and named the Greater Windsor Probate Court. The judge of probate is elected by the residents of the three communities for a four-year term.

Responsibilities include:

- oversight of the probate of wills and administration of estates of deceased persons
- appointment of administrators, executors, trustees, conservators and guardians
- presiding over the adoption process
- ordering the commitment of mentally ill persons to private and state institutions
- assisting and advising town staff on matters related to specific cases of individual health, safety and welfare.

The district prepares the budget based on projected costs. The participating towns get invoiced based on actual costs.

Budget Commentary

The FY 22 expenditures are expected to come in on budget. The town's share of the district court's budget for FY 23 is \$9,190, which is 45% of the district court budget of \$20,420. The district Probate Court requests a proportionate share as per Connecticut General Statutes 45a-8, which will be allocated between the towns of Windsor, East Windsor and South Windsor that it serves. The district court budget of \$20,420 is for the municipal share of the court's entire budget and does not include costs for personnel which the State pays. It also includes such items as materials and supplies, storage and network support. The figures from the Assessor's Grand List of October 1, 2021 were utilized to obtain Windsor's 45% proportionate figure of \$9,190.

Elections staff, including two elected registrars, two deputy registrars and election workers are exempt and are not considered town employees.

Products and Services

The Office of the Registrar of Voters is located in the Windsor Town Hall and is staffed by two elected registrars and two deputy registrars. The registrars supervise all elections and keep the records of approximately 21,000 registered voters. Funds are included for registrars, poll workers, supplies and the costs of the annual enumeration (counting of voters).

Budget Commentary

The overall FY 22 expenditures are expected to come in over budget by \$10,320 or 7.6% due to Personal Services and Supplies because of an unanticipated special election for a State Representative seat. The FY 23 expenditures reflect an increase of \$55,070 or 40.8% due to three elections anticipated for FY 23 versus two for FY 22, as well as added funding in anticipation of the State legislature passing a special act regarding no-excuse absentee ballots for the 2022 State election.

The town attorney is the legal advisor of the town council, board of education, town manager, other town officials and boards and commissions. Appointed by the town council for a two-year term, the town attorney protects the rights of the town in actions, suits or proceedings brought by or against it or any of its departments, officers, agencies or boards and commissions. Responsibilities include:

- representing the town in suits, litigation, hearings and labor matters
- advising the town on policy issues and questions of law
- preparing or approving contracts or other instruments in which the town has an interest
- appealing orders, decisions and judgments (upon approval of Town Council)
- compromising or settling any claims by or against the town (upon approval of Town Council)
- coordinating outside legal services for the town.

Budget Commentary

The FY 22 expenditures are expected to come in over budget by \$20,000 or 10.2% as a result of workers compensation litigation. The FY 23 budget reflects no changes as compared to the FY 22 budget.

The breakdown of the budget is as follows:

	FY 22 Budget	FY 23 Proposed

Products and Services

The town manager is the Chief Executive Officer of the town and is responsible to the town council for the administration of all designated departments, agencies and offices. Responsibilities include:

Town Council

- propose the adoption of policies to improve the health, safety and welfare of the town and uphold those policies adopted by council
- keep council informed of the financial condition and future needs of the town
- communicate the policies and financial plans of the town by submission of the annual budget
- provide processes for the efficient and effective purchase of supplies using budgeted funds.

Town Staff

- serve the needs of the community by hiring qualified and competent individuals
- create an environment that encourages town employees to focus on the customer to deliver superior services, to strive for continuous improvement and to recommend increasingly efficient uses of resources.

Community

- guide the balanced growth of Windsor by the promotion of economic development
- represent Windsor among other towns, states and regional organizations to exchange effective ideas and to promote policies
- serve residents by keeping the community informed of town matters, encouraging dialogue between citizens and municipal officers and improving the quality and range of public service.

Budget Commentary

The FY 22 expenditures are expected to come in slightly under budget. The FY 23 budget reflects an increase of \$54,770 or 10.1% mostly due to Personnel Services and funding for Clean Energy initiatives.

Products and Services

An annual audit is conducted by an independent public accounting firm appointed by the town council. The auditor ensures the lawful expenditure of local revenues as well as state and federal grants. The auditor also reports on management or record keeping practices that need improvement. The auditing entity does this by:

- auditing general purpose financial statements and all governmental, proprietary, fiduciary funds and account groups of the town and board of education
- assisting town staff in the preparation of the Annual Comprehensive Financial Report (ACFR)
- conducting federal and state single audits and preparing required reports
- conducting compliance audits as applicable in accordance with Generally Accepted Accounting Principles (GAAP)
- reviewing State Department of Education reports including the ED001, ED006 and DTL forms
- preparing a management letter that includes audit findings and recommendations affecting internal controls, accounting systems and legality of actions.

Budget Commentary

The overall FY 22 expenditures are expected to come in on budget. These expenditures are costs incurred for the audit of the FY 21 financial statements. The overall FY 23 budget reflects an increase of \$3,900 or 5.5% as compared to the FY 22 budget. The FY 23 budget represents the second year of a two year extension of the prior three year audit service agreement.

Budget Commentary

The FY 22 expenditures are expected to come in over budget by \$48,550, mostly due to the tax revenue transfer payment to Great Pond. The FY 23 budget is proposed to increase \$435,340 or 2.6%. Sewer Services are proposed to increase \$250,700 and is based on the Metropolitan District Commission (MDC) 2022 calendar year operating budget. Also included in this increase is additional funding for pay-go capital projects of \$166,000 and \$53,400 for workers compensation and liability insurance. Tax revenue payments to the Great Pond Improvement District are expected to increase \$86,250 due to real property assessed values at Great Pond. The FY 23 Caring Connection transfer reflects an increase of \$20,000 as compared to FY 22 to assist towards addressing the projected operating loss in the upcoming fiscal year.

Council Action

During budget deliberations, the Town Council decreased funding to General Services by \$215,000 by reducing funding for Capital Projects by \$175,000 and the contribution to the Caring Connection Adult Day Center by \$40,000 with an appropriation of \$100,000 in American Rescue Funds for use over the upcoming two fiscal years by the Caring Connection Adult Day Center.

DEBT SERVICE

Debt Services are costs associated with bonds and notes sold by the town for a variety of projects. Principle is the amount allocated annually to reduce the total debt for the town. Interest is the annual cost of all borrowings.

* School debt service is included under Town Support for Education.

Budget Commentary

The FY 22 General Fund expenditures will come in on budget. The FY 23 proposed budget is based on planned FY 22 capital projects to be financed in the spring of 2022 through general obligation bonds as well as short-term borrowing. The General Fund portion of debt service, including Town Support for Education, is proposed to increase by \$235,380 or 3.0% with the anticipated use of debt service reserves in the amount of \$979,340.

SEWER SERVICE

The Metropolitan District Commission (MDC) is a non-profit municipal corporation that was established in 1929 by Special Act 511 of the Connecticut General Assembly. Member municipalities include the City of Hartford and the towns of East Hartford, West Hartford, Wethersfield, Rocky Hill, Newington, Bloomfield and Windsor. The total population served by the district is approximately 400,000. This budget provides funds for the payment of MDC charges for sewer services to the residents of Windsor. The MDC charge is based on the tax collections of Windsor in proportion to the tax collections of the other seven towns in the district.

GREAT POND IMPROVEMENT DISTRICT TRANSFER

Great Pond Village is a multi-phased mixed-use development. In April of 2012, the Town of Windsor entered into an interlocal agreement with the Great Pond Village Improvement District which states that the town will participate with the infrastructure improvements. New taxes attributed to the expansion and growth of the Great Pond development will be shared equally. The town will keep 50% of the new taxes collected and the district will receive the other 50%, which will be used to pay the district's debt retirement for the infrastructure improvements. There will be no town debt issued for this project. The incremental taxes include real estate and personal property. There is no revenue sharing for motor vehicle taxes.

Budget Commentary

The FY 22 expenditure will come in over budget by \$58,570 or 14.6%. The FY 23 General Fund budget is expected to increase approximately \$86,250, or 21.5% as compared to the FY 22 budget, due to the increased assessed value of real property at Great Pond created by additional development.

WORKER'S COMPENSATION & LIABILITY INSURANCE

The Town of Windsor is exposed to various risks of loss related to torts, thefts, damage or destruction of its property, on-the-job injury to its employees and natural disasters. All are covered by some form of insurance. Due to prohibitive costs, the town has chosen to manage a certain amount of its risks internally and has set aside assets to settle those claims. To meet these obligations, the town has an Insurance Internal Service Fund out of which premiums, administrative costs and claims are paid. The Insurance Internal Service Fund receives revenue during the year from the General Fund and the town's two fire districts, as well as refunds and adjustments based on prior years' claims. Annual payments from the General Fund to the Insurance Internal Service Fund are made to cover the town's exposure to loss from liability, employee injury, property damage, theft and misappropriation of assets (see Section R).

Budget Commentary

The FY 22 expenditures are expected to come in on budget. The overall FY 23 Worker's Compensation and Liability Insurance budget is expected to increase \$121,610 or 5.0% as compared to the overall FY 22 budget. The increase is due to anticipated claims in the current year as well as prior year claims and expected increases in the market nationwide. The Windsor and Wilson fire districts will provide \$8,950 for costs associated with their insurance coverage.

RETIREE HEALTH BENEFITS AND RETIREMENT PLAN ACTUARIAL COSTS

The Town of Windsor provides health, dental and prescription insurance coverage to retirees. Actuarial and defined benefit plan advisor costs are also included in this section of the budget. The amount of funding required by the General Fund to contribute to these costs is included in this section of the budget document.

- OPEB (Other Post Employment Benefits)** \$15,000
 - Provides funding for biennial OPEB actuarial valuation and annual audit disclosures to comply with Government Accounting Standards Board (GASB) statements dealing with other post-employment benefits.
- Retirement Plan Investment Consultant Costs** \$45,000
 - Provides funding for investment consultant to manage defined benefit plan investments.

Budget Commentary

The FY 22 General Fund budget includes funding for retiree health, dental and prescription drug benefits as well as defined benefit retirement plan and OPEB plan actuarial and investment advisor costs. The retiree health benefit budget amount is transferred to the Insurance Internal Service Fund where retiree as well as active employee costs reside and from where deductibles and claims are paid. The FY 23 budget proposes a decrease of \$117,020 or 10.4% and is due to expected claims activity and enrollment changes.

OTHER POST-EMPLOYMENT BENEFITS (OPEB)

Other Post-Employment Benefits (OPEB) are a form of deferred compensation consisting primarily of health insurance benefits for retirees, their spouses and beneficiaries. The town pre-funds future retiree health benefits into a trust fund. Pre-funding allows actuaries to use more favorable actuarial assumptions in the valuation process, resulting in a lower liability. Additionally, a trust fund allows for assets to accumulate and earn better rates of return from higher yielding investments, as compared to those from general operating funds. Higher returns help to pay OPEB cost and increases financial and budgetary flexibility.

Budget Commentary

The FY 22 expenditures will come in on budget. The FY 23 budget proposes a contribution of \$750,000. FY 23 will be the ninth year the town has contributed towards funding the town's long-term OPEB obligation. The balance in the OPEB trust fund is projected to be approximately \$6,000,000 on June 30, 2022.

REVALUATION

Revaluation is the mass appraisal of all property within the town to determine the fair market value for municipal tax purposes. The last revaluation was for the Grand List dated October 1, 2018 and was implemented in FY 20.

Expenditures

Budget Commentary

The recommended funding for the revaluation account for FY 23 is \$20,000. The next mandated revaluation will occur for the grand list dated October 1, 2023 and will be effective for the FY 25 budget.

RECYCLING

The Town of Windsor contracts for curbside pick-up and disposal of recyclable materials for Windsor residences. In addition to promoting resource conservation, it helps the town meet state-mandated recycling goals. Leaf collection is also funded through this program.

- Contract for the curbside collection of recyclable materials for approximately 9,650 Windsor households

Leaf Collection Services \$70,390

- Collect 1,000 tons of residential leaves in paper bags and barrels during an eight-week period in the fall

Contract Administration & Public Education \$11,000

- Contract with the Resident Transfer Station Enterprise Fund for the oversight and administration of contracts related to curbside recycling collection and disposal and bagged leaf collection
- Track and report the status of residential and commercial recycling programs in Windsor on a quarterly and annual basis to the State of Connecticut Department of Energy and Environmental Protection.

Budget Commentary

The FY 22 expenditures are expected to come in under budget \$10,020 or 1.8%. The FY 23 budget reflects an increase of \$240, and is based on the second year of a five-year contract for curbside collection services and a 3.0% increase for leaf collection services.

CAPITAL PROJECTS

Capital Projects are projects in the town's six year Capital Improvement Program that are financed using a variety of funding sources including debt financing, state and federal aid and General Fund resources. Projects or specific phases of projects that are financed out of the General Fund are referred to as "pay as you go" projects. The funding for these projects comprise one account in the General Services section of the budget.

On this page, "Other Funds" include new borrowing authorizations, state and federal grants, appropriations from the General Fund unassigned fund balance, appropriations from the Capital Projects Fund assigned fund balance and other town funds. The General Fund allocation for FY 23 will fund pavement management, sidewalks repairs, Public Works and Public Safety fleet replacement as well as project design services.

Council Action

During budget deliberations, the Town Council decreased funding to Capital Projects by \$175,000.

TAX REFUNDS - PRIOR YEAR

Prior year tax refunds are issued by the town if there is an adjustment to the taxable value of a property for a prior year assessment. These payments constitute an expense to the town (refunds for the current year show as a reduction of revenue) and can vary significantly from year to year.

Budget Commentary

The FY 22 expenditure is projected to come in on budget. No increase is proposed for FY 23.

CARING CONNECTION TRANSFER

Over the past several fiscal years, an appropriation from either the General Fund unassigned fund balance or from General Services has been made to the Caring Connection to address the difference between program revenues and operating expenses.

Total	120,000	120,000	140,000	100,000

Budget Commentary

A transfer from General Services of \$120,000 was adopted for the FY 22 budget. The amount requested for FY 23 is \$140,000 in order to address the projected operating loss in the upcoming fiscal year.

Council Action

During budget deliberations, the Town Council decreased the contribution to the Caring Connection Adult Day Center by \$40,000 and approved an appropriation of \$100,000 in American Rescue Funds for use over the upcoming two fiscal years.

OPEN SPACE

The Open Space Fund was created in January 2003 for the purpose of receiving payments in lieu of open space as well as donations and appropriations for the acquisition and preservation of open space.

#1630 - Revaluation - This fund provides the revenue needed to conduct the next revaluation, which is due to occur for the Grand List dated October 1, 2023. The funding for the revaluation account for FY 23 is proposed at \$20,000. This will allow the balance to accumulate and provide the necessary funds to pay for the next revaluation.

#1640 - Other Post-Employment Benefits (OPEB) Actuarial Analysis - This fund provides the revenue needed to conduct the biennial OPEB program actuarial analysis and plan valuation. The funding source for this is the General Fund.

#1703 - Open Space Fund - This fund is intended to create a pool of funds to be readily available for the acquisition of open space as opportunities arise. These funds can be used separately or more effectively as a match to available grants for the purchase of open space or development rights. They can also be used to improve open spaces and conduct other open space related activities.

#1709 - Great Pond Village Special District Fund - This fund provides the revenue needed to facilitate the transfer of tax increment revenues to the Great Pond Village Improvement District pursuant to the interlocal agreement with the town.

#1710 - Mill Brook Open Space Fund - This fund is intended to be used to pay for improvements to the Mill Brook Open Space parcel.

INSURANCE INTERNAL SERVICE FUND

An internal service fund is a proprietary fund which is similar in nature to an enterprise fund (business-type accounting). However, it is internally rather than externally focused. An internal service fund (also called intergovernmental service fund, working capital fund, or revolving fund) is used when one service unit within the town finances the goods and/or services provided to another service unit on a cost reimbursement basis. An internal service fund allows the town to determine the total cost of providing a service by isolating the accounting for this service into separate funds and by matching the total cost of providing this service with the user charge revenues generated by it. Each service or capital project served by an internal service fund includes in its budget an amount sufficient to cover the estimated cost of the goods and/or services to be serviced from the internal service fund. Internal service funds normally recover their complete cost of operations without producing any significant profit.

Insurance Internal Service Fund - Finances both the current cost of the town's insured and self-insured programs and future obligations of the town's risk management program.

Liability Insurance: The town utilizes a variety of insurance programs to provide coverage against liability exposures. The Insurance Commission along with the town's agent of record provides coordination in the purchase of insurance policies for various coverages, high deductibles and limits. The town presently utilizes high deductibles to assist in controlling cost.

Self Insurance Workers Compensation: This program is utilized for paying first dollar claims for injuries sustained by town and Board of Education employees who qualify to receive benefits as injured employees under state law.

Each year the town allocates funds to be used to pay claims below the \$600,000 retention limit. The town purchases insurance for claims in excess of \$600,000. The funds are also used for third party claims, administrative services, excess insurance policy premiums and costs associated with centralized safety and training.

Employee/Retiree Benefits: This program accounts for the town's costs for benefits including life insurance and disability for employees and health insurance costs for employees, retirees and eligible dependents.

DESCRIPTION OF INSURANCE POLICIES

Automobile Liability - A form of liability insurance to protect the insured against claims for bodily injury and property damage arising out of the use of town-owned or operated vehicles. The current policy has a \$1,000,000 limit. Travelers is the current carrier.

Boiler Insurance - Coverage for loss or damage to objects, structures and personal property of the insured resulting from accidents to heating, air conditioning, cooking, power generating or driven machinery and equipment. The current policy has a \$100,000,000 limit and a \$50,000 deductible.

General Liability - A broad form of liability insurance to protect the insured against claims for bodily injury and property damage arising from the insured premises, operations, products, completed operations or contractual liability. The current policy has a limit of \$1,000,000 per occurrence and a \$3,000,000 aggregate per location. Travelers is the current carrier.

Excess Workers Compensation - Insures against losses in excess of a self-insured retention for benefits specifically provided by the Workers Compensation or Occupational Disease Laws in the State of Connecticut. The current self-insured retention is \$600,000 for both the Board of Education employees and town operations. The Excess Insurer which provides coverage over the retention has statutory limits (state limits).

Employee Blanket Bond/Crime - Crime coverage includes Faithful Performance (F/P) and Employee Dishonesty (E/D) which indemnifies the town for a loss caused by failure of an employee and loss of money, securities or any property due to acts of fraud, dishonesty, forgery, theft, embezzlement or willful misappropriation from a covered town employee. The current coverage for F/P & E/D has a limit of \$1,000,000 and a \$2,500 deductible.

Catastrophe Coverage/Umbrella - Protects the insured against claims in excess of the limits of the primary General Liability, Automobile Liability, Police Professional, Public Officials Liability and School Board Errors and Omissions policies. The current coverage limits are \$15,000,000 per occurrence and aggregate with a self-insured retention of \$10,000.

Public Officials Liability - Coverage against claims arising out of any actual or alleged error, misstatement, act of omission, negligence or breach of duty by a town public official. The current coverage limits are \$1,000,000 per occurrence and aggregate with a \$10,000 deductible.

Police Professional Liability - Coverage for alleged violations of civil rights (i.e., false arrest, excessive force) by the town's law enforcement employees. The current coverage limits are \$1,000,000 per person, per occurrence and aggregate with a \$10,000 deductible.

Cyber Liability - This coverage protects the town and the Board of Education from network security liability, privacy liability, network extortion, malicious internet media, regulatory proceedings and provides for a data breach fund. The current coverage limits are \$1,000,000 per occurrence with a \$10,000 deductible.

Football and Sports Accident - Insures against excess losses resulting directly and independently of all other causes from accidental bodily injury to insured players, managers and coaches sustained while participating in a scheduled game, tournament or practice session and/or while traveling directly to or from such game or practice session. The current coverage limits depend on the injury sustained.

Volunteer Firefighter Accident - Provides accident and specified sickness coverage for Emergency Service personnel. The current coverage limits vary per accident or sickness.

Fiduciary Liability - Provides coverage for pension plan administrators against liability from alleged mismanagement of the town employee's pension fund. The current coverage limit is \$1,000,000 annual aggregate with a \$5,000 deductible.

School Board Errors & Omissions - Coverage against claims arising out of any actual or alleged breach of duty, neglect, error, misstatement, misleading statement or omission committed solely in the performance of duties by an employee of the Board of Education. The current coverage limits are \$1,000,000 per occurrence and aggregate with a \$35,000 deductible.

Property Policy - Special coverage for loss or damage to town-owned property, contents and personal property of the insured, including extra expense and rental value. The current coverage limits are replacement value on properties with a \$15,000 deductible, property coverage is for \$280,852,492. This also includes \$10,000,000 in coverage for damages caused by flood and earthquake with a \$50,000 deductible and \$25,000 deductible respectively. There is terrorism coverage as well. Travelers is the current carrier.

Inland Marine (including Watercraft Coverage) - Physical damage coverage for portable equipment including contractors and fire department equipment, computers, valuable papers, accounts receivable and watercraft. The current coverage limits and deductibles vary per type of property insured.

Nurse Professional Liability - A form of liability insurance to protect town and school nurses against claims of alleged malpractice. The current policy has a \$1,000,000 limit.

Landfill Premises Liability - A form of liability insurance to protect the town from claims at and on the landfill premises. The current policy has a \$1,000,000 limit.

Fire Department Insurance – Provides all lines of coverage for the town's fire department, the two fire districts and the four social companies within the fire department. The current policy has a \$10,000,000 limit with an aggregate of \$20,000,000 with very low deductibles.

Workplace Violence Insurance - This provides additional coverage for all public facilities in the event of an incident. There is 1st party and 3rd party liability coverage to supplement the existing liability and property policies and to cover items not normally covered by our existing policies. Currently there is a limit of \$3,000,000.

LIABILITY INSURANCE INSURANCE INTERNAL SERVICE FUND

The town utilizes a variety of insurance programs to provide coverage against liability exposures. The Insurance Commission along with the town's agent of record provides coordination in the purchase of insurance policies for various coverages, high deductibles and limits. The town presently utilizes high deductibles to assist in controlling costs.

Budget Commentary

The FY 22 estimate is expected to come in on budget. The overall FY 23 liability insurance budget is projected to increase \$98,610 or 8.9% over the FY 22 budget due to industry standards and coverage allocations. Based on current and recent past events, the insurance market has been increasing premiums in the public sector from 15% to as much as 30% in certain liability coverage and property insurance.

WORKERS COMPENSATION INSURANCE INTERNAL SERVICE FUND

This program is utilized for paying first dollar claims for injuries sustained by the Town of Windsor and Board of Education employees who qualify to receive benefits as injured employees under state law.

Budget Commentary

Each year the town allocates funds to be used to pay claims below the \$600,000 retention limit. The town's excess insurance provides protection for single claims in which cost exceeds \$600,000 for most employees and \$750,000 for public safety employees. The funds are also used for third party claims, administrative services, excess insurance policy premiums and costs associated with centralized safety and training. The excess insurance reflects an increase due to the excess worker compensation market hardening nationwide with the presumption of COVID-19 claims by state governments along with market correction nationwide.

EMPLOYEE/RETIREE BENEFITS INSURANCE INTERNAL SERVICE FUND

This program accounts for the town's health insurance costs for existing retirees, employees and their dependents as well as the life insurance and disability programs offered by the town. Active employees are reflected in their individual service units whereas retirees are reflected in the General Services section of the budget document (see page Q-5).

Budget Commentary

The FY 22 employee and retiree total benefit costs are expected to come in under budget by \$91,000 or 2.0%. This is due to lower than expected health and dental claim expenditures. The FY 22 employee and retiree general fund costs, after deducting employee and retiree copays and enterprise fund contributions, are expected to be \$26,750 or 0.8% under budget. The FY 23 total benefit costs are increasing \$25,000 or 0.6% based on medical, prescription and disability claims trend and expected claims experience. This increase is mitigated slightly by a decrease in dental costs due to better than expected claims experience. The total FY 23 general fund contribution is increasing \$5,620 or 0.2% over the FY 22 budget after deducting employee and retiree copays and enterprise fund contributions.

Landfill Enterprise Fund

**Town of Windsor
FY 2022-2023
Proposed Budget**

LANDFILL ENTERPRISE FUND

INTRODUCTION

From 1972 through July 2014, the Windsor-Bloomfield Sanitary Landfill served the solid waste disposal needs of the towns of Windsor and Bloomfield. During the summer of 2010, a final landform was approved by the State Department of Energy and Environmental Protection (DEEP) and substantially completed in July 2014. The landfill did not have the capacity to take additional external wastes through FY 15 and was closed to customers on July 1, 2014. Enhanced-operations at the Windsor Transfer Station began on July 1, 2014.

The retained earnings of the Enterprise Fund, which were approximately \$8 million in FY 02, ultimately increased to more than \$30 million several years ago, enough to meet the immediate closure and expected long term post-closure costs for the landfill.

Closure and capping efforts are expected to continue through FY 23 and into the first half of FY 24 and include work within the wetlands area and finishing detention basins, surface water let-down structures, and perimeter roads. Work in CY 23 is also expected to include the capping of the tornado debris area which is off the waste footprint and is east of Huckleberry Road. These projects must all comply with state and federal closure requirements.

Work completed to date includes the installation of drainage basins and the completed landfill gas collection system. The gas system provides complete coverage to the entire waste footprint and was fully-completed in FY 19.

The capping process requires that an impervious material be placed and compacted to the required depth and density. Consulting engineers provide quality assurance oversight to confirm that the State DEEP approved capping specifications are met in order to reduce the amount of storm water infiltration into the solid waste. Next, a layer of highly-organic topsoil is spread over the clay and finished with hydro-seed. This vegetative support layer allows grass to grow on the top of the landfill which reduces the potential for erosion. During months when placement of the clay cap is not feasible, landfill staff works on "ancillary" capping projects such as spreading of intermediate cover and surface re-grading, drainage basin maintenance, road construction and, if weather permits, the screening of large rocks from the main clay stockpile.

A fully-completed cap has been applied to approximately 48 acres which encompasses the entire landfill with the exception of the landfill's outer slopes. The lower impervious cap layer has already been applied to many of the outer slopes as well. We will begin compacting the lower lifts of clay, and placing second lifts of clay on the on the outer slopes when the winter weather breaks in late spring of 2022. After those lifts have been successfully compacted, the final topsoil layer can be applied to those outer slopes and can be hydro-seeded.

During FY 19, town staff and DEEP came to an agreement over a conceptual approach that utilized a subsurface horizontal pipe and diffuser to address the aesthetic concerns regarding the wetlands adjacent to the landfill. Town received a preliminary cost estimate of approximately \$1,100,000 to perform this work. A geotechnical study was performed in the Fall of 2020, and final design work was completed over the winter of 2020-2021.

During mid-2021, a construction permit was obtained from the Windsor IWWC. The permit required from the US Army Corps of Engineers ("USACE") remains under review. As part of the public review process that has occurred within the past few months, the CT DEEP has agreed to reconsider a modified wetlands approach that was previously proposed by the Town. This is a much simpler and less-intrusive process that utilizes the wetlands natural ability to filter contaminants from ground and surface waters in the area. In addition, additional plantings in the wetlands would provide improved visual screening for the orange staining that is considered to primarily be an aesthetic issue in the wetlands area.

If the modified wetlands approach is ultimately agreed upon, it would likely result in significant expense reductions to closure and post-closure costs for the Landfill Enterprise Fund. The FY23 proposed budget still assumes that a USACE permit for a subsurface pipe installation is obtained in the Spring of 2022, and that construction would commence during FY 2023. To that end, the expense related to the subsurface pipe project is still included in the Services line of the proposed FY 23 budget.

The FY22 estimate and FY23 proposed budget both include "other revenues" that total \$170,000 for the sale of the two trash compactors that will no longer be utilized at the landfill. The FY23 budget includes capital expense funds of \$275,000 to replace the 1996 wheel loader that is utilized in the capping process, and will continue to be utilized for long-term transfer station operations as well.

Financial Summary

No operational revenues have been budgeted since FY 15. Revenues for the sale of solid waste compactors is expected to bring in \$70,000 in FY 22, and another \$100,000 in FY 23, and are included on the budget accordingly. Since January 2015, the town has submitted reimbursement requests for closure-related expenses that totaled approximately \$1,275,000 as part of a \$2,000,000 closure grant that was awarded many years ago by the State of Connecticut. The town has received 90% of the requested funds (\$1,148,703) with the remaining 10% to be received after the entire capping process has been completed and certified by the State DEEP. It is anticipated that approximately \$408,770 will be received in FY 22 which is reflected on the line item entitled "CT DEEP Reimbursement Grant" on page S-3. The FY 23 budget includes a reimbursement from the grant in the amount of \$536,540, which represents 90% of the remaining balance of the grant (approximately \$596,200). This request will be used to partially offset the expense related to the wetlands work that is expected to occur in FY 23. The wetlands project expenses are included in the Contractual Services line, and the expense of purchasing topsoil continues to be reflected in the Supplies line of this budget as well. It is expected that the entire balance of the \$2M grant will be depleted at the conclusion of FY 23.

Estimated Year-End Balance Available for Future Obligations

As planned, the Landfill Fund draws down from the retained earnings in order to fund the landfill capping project. The FY 22 budget assumed that there would be an annual net loss of \$2,025,170. The FY 22 estimate of a \$1,162,220 loss is \$862,950 better than budget. At the end of calendar year 2023, our goal is to have the entire clay cap installed. The estimated June 30, 2023 retained earnings balance available for future obligations is expected to be \$18,401,085.

Landfill Capping Activities \$876,570

- Perform grading of immediate cover over the waste materials and compact the clay cover over the intermediate cover
- Install, grade and seed the topsoil over the clay cover
- Install stormwater drainage structures on the landfill
- Maintain and repair stormwater basins on the site.

Landfill Wetlands Project \$900,000

- Install underground piping to divert groundwater from wetlands as recommended by the Connecticut Department of Energy and Environmental Protection (DEEP).

Landfill Gas Collection System \$42,000

- Perform ongoing maintenance to the gas collection system including relaying condensate header lines and repairing well casings as necessary
- Perform ongoing and long-term monitoring of the landfill gas collection system.

Engineering \$279,750

- Provide engineering and survey support services on a contractual basis
- Sample, analyze and issue reports for water quality monitoring as required by federal and state environmental regulations
- Continue compliance with the state DEEP and the federal Environment Protection Agency (EPA) requirements
- Assist with closure of landfill cells
- Collect and analyze storm water samples as required by storm water regulations
- Maintain the integrity of approximately 80 groundwater and gas-monitoring wells, in addition to gas collection wells and equipment.

Equipment Purchase, Maintenance & Fueling \$479,990

- Inspect, repair and maintain heavy equipment
- Perform scheduled preventive maintenance & oil sampling on equipment to detect major failures before they occur
- Purchase new wheel loader to replace a 1996 Volvo L120C loader that is used for capping, pushing up brush, loading out scrap metal and plowing snow at the Landfill/Transfer Station.

Administrative \$94,560

- Conduct regular site inspections to ensure compliance with federal and state regulations
- Maintain records according to the state DEEP and the federal EPA regulatory requirements
- Maintain all federal and state landfill permits
- Sample, analyze and issue reports for water quality monitoring as required by federal and state environmental regulations. Continue compliance with the site Stewardship Permit including:
 - testing leachate discharges
 - managing site monitoring programs
 - continuing analysis of decomposition gases
 - conducting overall landfill engineering projects
 - complying with federal environmental requirements
 - assisting with closure of landfill cells.

Property Maintenance \$76,220

- Perform ground maintenance on approximately 200 acres of landfill property
- Maintain 13,900 feet of perimeter fence line
- Mow and plant grassed and capped areas
- Plow access roads, and recycling and transfer station areas
- Provide preventive maintenance for all structures and facilities.

Administrative Overhead \$50,000

- Payment made to the town for services provided to the landfill by General Fund employees.

Insurance \$32,250

- Liability insurance for facilities and premises.

Resident Transfer Station Enterprise Fund

**Town of Windsor
FY 2022-2023
Proposed Budget**

RESIDENT TRANSFER STATION ENTERPRISE FUND

INTRODUCTION

Prior to July 1, 2014, the purpose of the transfer station was to provide residents with a highly-competitive low-cost outlet for waste materials which were then ultimately disposed of onsite in the landfill. Once the landfill closed, materials have been transported out of town at an additional cost and are subject to the higher disposal fees than other disposal sites charge within our region.

The State of Connecticut is in the midst of a waste disposal crisis. Due to rapidly rising disposal cost and the ongoing effects of the global pandemic, the Transfer Station Enterprise Fund has showed negative net annual operating income for each of the last two fiscal years. We are proposing steps to update our pricing models accordingly to address increased disposal costs.

Services

The FY 23 budget proposes the continuation of services including residential drop off of municipal solid waste (MSW), metal recycling, electronic recycling, appliances, propane tanks, mattresses, other recyclable items not collected at the curb, tires, leaves and brush and the continued operation of the Take-It-Or-Leave-It facility. Oversized and bulky waste items and construction and demolition materials are accepted at the transfer station as well. In addition to the existing list of materials that are managed at the Transfer Station, staff proposes to implement a pilot-study during FY 23 to evaluate the feasibility of an organics recycling program at the Transfer Station.

The Transfer Station facility is available exclusively to Windsor and Bloomfield residents. Presently, the hours of operation are: Monday & Friday 8:00 am - 2:45 pm, Tuesday & Wednesday 10:00 am - 2:45 pm, and Saturday 8:00 am - 3:45 pm. Staff is recommending no changes to hours of operation for FY 23.

Fees

As mentioned above, net annual losses in the previous two fiscal years support the need to make additional changes to the pricing structure at the Transfer Station in FY 23 in order to mitigate further dependence upon retained earnings to meet our ongoing operational expenses.

The future of Materials Innovation and Recycling Authority (MIRA), along with the continued global recycling volatility, continues to create unrest within the local solid waste marketplace. This uncertainty is expected to continue and to escalate through 2023 when the boilers at the Hartford waste to energy plant are expected to be decommissioned. The proposed FY 23 budget includes expense increases of approximately \$6 per ton (from \$93.50 to \$99.50 per ton) for MSW and bulky waste disposal, and increases to the rate-per-haul as well. Taken alone, these fee increases would result in further net annual losses to the Transfer Station. In order to try to re-establish a positive net annual balance, the proposed FY 23 budget includes fee increases to several materials managed at the Transfer Station. The proposed changes to our Transfer Station tipping fees are detailed below.

The current fee for a resident to purchase an annual permit is \$170. A half-year permit is also available for \$90.00. For residents who do not have a permit, the side-window fee is \$7 for up to three bags (or 100 lbs.) of kitchen-type MSW. Additional bags are currently charged at \$3 each. Town staff has proposed that permits be raised to \$180 and \$95 respectively; that the side window transactions be raised an additional \$1 (to \$8) and individual bags be increased by \$1 each for FY 23.

The Transfer Station currently charges \$100 per ton for the disposal of brush and \$175 per ton for bulky wastes. Town staff has proposed that these fees be increased to \$115 per ton and \$190 per ton respectively. These tipping fees remain well-aligned with the fees at other disposal facilities within our local marketplace.

Oversized wastes are charged a "volume-based" fee, and that fee is set to cover the costs to manage, transport and dispose of these materials. The fees for these items are currently \$20 for chairs and \$30 for sofas respectively. Freon-containing appliances, propane tanks, and tires are each subject to a fee to cover the costs to properly manage and dispose of these wastes as well. At this point, current fees cover the disposal costs of these items and town staff has proposed that fees remain unchanged for FY 23. These costs continue to be lower than similar fees for these materials at other disposal sites in our area.

In 2018, China launched "National Sword", a policy that has had a severe global impact on the recyclables market which continues to affect Windsor at the local level. Recyclables that once had value continue to be an economic liability. Minimal changes in the recyclables market are expected during FY 23.

As the global condition created an additional expense to the Transfer Station, new recycling fees were established in FY 20 for patrons of the transfer station who chose to use the recycling roll-off containers instead of recycling their materials curbside at their homes. Two fees are charged for recyclables based upon size of vehicle. (\$5.00 per car, \$10.00 per truck). These fees continue to be in line with similar charges at other facilities within our region and no change is proposed to these fees for FY 23.

Mattresses that qualify under the Connecticut Mattress Recycling program are not charged a fee since the site began participation in the program in early FY 18.

Financial Summary

It is anticipated that the total revenues for the Resident Transfer Station Enterprise fund will be approximately \$367,910 for FY 22. This exceeds the budget by \$32,240 and is driven primarily by an increase in the receipt of construction and demolition materials and yard wastes which is presumably due to the ongoing COVID-19 pandemic. As expected, total expenses for FY 22 are also higher than budget and are estimated to be \$384,670 or \$51,740 over budget. The resulting annual net loss of \$16,760 is \$19,500 less than budgeted.

The proposed FY 23 budget incorporates the above-mentioned changes to our fee structure. If these proposed fee increases are implemented, the FY 23 revenues are anticipated to be \$413,530 and expenses are expected to come in at \$408,510, resulting in a \$5,020 operating surplus for the year. When the \$31,430 expense related to our proposed Organics Recycling Pilot Program is taken into consideration, the result is an annual loss of \$26,410 to the Transfer Station Enterprise Fund for FY 23.

As has always been the case, it is important to note that due to the volatility of the recyclables market and additional uncertainty related to regional solid waste disposal issues, the economics of the Transfer Station Enterprise Fund could rise or fall sharply due to broader trends that are beyond the control of the town. In addition, waste generation rates for several material types have changed dramatically due to the COVID-19 climate.

If the global recyclable markets rebound to former levels, the Transfer Station Enterprise Fund could show a positive annual balance and would be further supported by the current fee schedule. Conversely, if scrap metal or other markets dip below current levels, the opposite would hold true. Staff continues to look for ways to gain operational efficiencies that could potentially provide future savings related to our transportation and disposal costs in order to keep our fees as low as possible for our residents.

Adult Day Care Enterprise Fund

**Town of Windsor
FY 2022-2023
Proposed Budget**

ADULT DAY CARE ENTERPRISE FUND

INTRODUCTION

Established in 1987, the Caring Connection was created by innovators in the field of eldercare. In alignment with its core values the Town of Windsor responded to the need for a caregiving service that supported frail elders and their family caregivers. At that time, adult day centers were an untested and generally unknown venue in which to provide care for frail, older adults. For 34 years, the talented staff of the Caring Connection has cared for elder citizens from Windsor and surrounding towns with professionalism and compassion. The Caring Connection, a medical model adult day center certified with commendation by the Connecticut Association of Adult Day Centers, Inc. and the Connecticut Department of Social Services, offers clients skilled nursing, therapeutic recreation, healthy nutrition, family counseling, personal care, socialization, and transportation. Space is allocated for speech, physical and occupational therapists to provide their services as ordered by physicians.

During FY 22 the COVID-19 pandemic has continued to challenge the Caring Connection. Approved remote services are still being offered to our clients who are part of the Connecticut Home Care program for Elders in conjunction with the Department of Social Services. This includes meal delivery and daily telephone checks as well as the delivery of activity pages. The center continues to operate as a mask wearing community in a socially distanced environment. Some outside vendors and partners like our creative arts therapist, entertainers, and our therapy dog, Jack have been able to return to our program all following our mitigation plan and best practices developed in conjunction with the Connecticut Association of Adult Day Centers.

The Caring Connection's financial challenges continue. The yearly loss is predicted to be \$177,190 in FY 22. Total Revenues are down by 28.6% or \$87,470. Decreases in expenditures to personal services, transportation costs and contractual services are all related to the impact of a lower census. Total expenditures are down by 10.6% or \$47,060.

Overall FY 23 revenues, based on our current census trends, projected growth and current COVID-19 pandemic reality are projected to be \$282,770 which is \$22,680 or 7.4% lower than the FY 22 adopted budget. Total FY 23 proposed expenditures are expected to be \$22,450 lower than FY 22 budgeted expenditures due primarily to reductions in census and personnel. The FY 23 budget is projected to have a \$137,010 shortfall between revenues and expenses.

Our community partners will continue to be an integral component of our FY 23 marketing efforts including surrounding senior centers and communities, physician offices and social/caseworkers with emphasis in Windsor, Hartford, Bloomfield and Windsor Locks. We look forward to resuming our Intergenerational relationships with the Windsor Montessori School, the Loomis Chaffee School and Windsor High, all valuable opportunities that embellish our program and keep our clients connected in the community.

During FY 23 the Caring Connection **will celebrate 35 years** of changing lives. We look forward to using this opportunity to spread the message about the benefits of Adult Day Centers in conjunction with what is being planned by the Connecticut Association of Adult Day Centers for 2022.

Budget Commentary

The FY 22 estimate is expected to come in under budget by \$1,700 or 0.9% due to savings in expenditures. The FY 23 proposed budget is projected to be \$1,620 or 0.9% more than the FY 22 adopted budget due to increases in Personal Services offset by savings in postage and energy and utilities.

ADMINISTRATION

Products & Services

- Administration* \$166,590
- Develop the budget and monitor the overall financial operation of the program including accounts receivable, accounts payable, payroll, grant writing and administration, fundraising and donations
 - Update all policies and procedures, admissions, discharges and medical records to maintain CT Association of Adult Day Health Center's peer review certification to receive federal and state funding
 - Prepare and write grants, contracts and monthly reports for the Home Care for Elders program, Veteran's Administration, North Central Area of Aging IIIB, Alzheimer's Aide Grant, Association and Respite Care program, Reynolds Foundation, United States Department of Agriculture Child & Adult Food program, and Bank of America grants
 - Supervise and provide orientation for all personnel, volunteers and students including scheduling and conducting all mandatory in-service training
 - Provide administrative support to all areas on the interdisciplinary team
 - Provide counseling, information support and referrals to clients and caregivers
 - Provide an "hourly day center program". This program fills a community need for individuals who require only intermittent adult day services
 - Produce a monthly newsletter in conjunction with nursing, therapeutic recreation and transportation services
 - Oversee the Therapeutic Recreation program including planning and development of the monthly calendar, leading select activities, assisting with off site trips
 - Complete all required client therapeutic recreation goals, assessments, and care plans
 - Inventory and order all supplies for art, music and therapeutic recreation programs.

- Intake, Assessment, and Case Management* \$14,680
- Conduct interviews of prospective clients, assessments, evaluations and interviews of all clients in conjunction with caregivers and case managers

Total FTEs	2.31	2.16	2.28	2.28

Budget Commentary

The FY 22 estimate is expected to be under budget by \$9,110 or 5.9% due primarily to less nursing services needed as a result of the decreased census. Money spent for food served during the pandemic had a shift between contractual and supplies purchased due to availability. The FY 23 proposed budget is projected to be \$2,730 or 1.8% higher than the FY 22 adopted budget due to increases in the Personal Services and Services expenditure categories.

NURSING

Products & Services

Skilled/Non-Skilled Nursing \$112,680

- Monitor daily medical status: weight, blood pressure and pulse
- Monitor behavior modification, range of motion exercises, nail care and incontinence
- Administer emergency care
- Provide restorative and rehabilitative nursing
- Administer, order, document and store medications. Update physician orders as needed
- Supply wound and skin treatments as ordered by physician
- Prepare snack calendar and daily snacks
- Monitor meal service, diets and purchase groceries
- Arrange for all vaccines, including purified protein derivatives (tuberculosis testing) and seasonal flu for clients and staff
- Develop interdisciplinary care plans for each individual client and review with caregivers on a 6-month basis
- Monitor and provide special needs diets, provide set ups and cueing as needed
- Assist clients with activities of daily living including walking, eating, toileting, grooming and personal care
- Assist with the planning and development of the monthly calendar, leading select activities, assisting with "out trips."

Case Management \$17,430

- Assess and evaluate all clients for intake in conjunction with administration, caregivers, and case managers
- Develop interdisciplinary care plan with client, caregivers and social service agencies
- Review and assess clients for signs of change in mental, physical and emotional condition and report issues to caregivers, case managers and/or physicians
- Arrange for community services and discharge planning
- Serve as client advocate and report any issues to appropriate authorities.

Communication, Record Keeping, \$27,650

Training and Education

- Maintain daily documentation of care through flow sheets including meal intake, toileting, ambulation, medications, treatments, hygiene, mental status and behavior
- Write monthly summaries on each client and complete a 6-month review for each client in compliance with the State of CT Community Care client and care plans
- Provide mandatory in-services with staff
- Coordinate medical and therapy appointments, with transportation for clients.

THERAPEUTIC RECREATION

Therapeutic Recreation delivers a quality therapeutic recreation program with the objective of maintaining and bettering the capacity of lifelong skills, improving physical and emotional well-being and encouraging and fostering community involvement and individual interests.

Budget Commentary

The FY 22 estimate is expected to come in under budget by \$12,890 or 59.1% due to less spent on therapeutic recreation staff as a result of the reduced census. The program director, being a Therapeutic Recreation Director, supervises that aspect of the program at this time. The FY 23 proposed budget is projected to be \$8,550 or 39.2% less than the FY 22 adopted budget due to the projected reduced census.

THERAPEUTIC RECREATION

Products & Services

Therapeutic Programming \$13,250

- Assist in developing, planning and implementing a therapeutic recreation program designed to meet clients' cognitive, social, physical and spiritual needs
- Involve clients in ongoing intergenerational community programs with Windsor schools, Loomis Chaffee school and the Child Development Center programs
- Assist with integrating clients in the community via attendance at cultural events (external), restaurants and shops outside the Caring Connection
- Provide special programming for clients with Alzheimer's disease and related dementias
- Further enhance ongoing therapeutic music therapy, and creative arts programs.

TRANSPORTATION

Transportation Services provides safe, accessible and assisted transportation for all handicapped and disabled adults.

ADULT DAY CARE ENTERPRISE FUND

FY 2022 Highlights

The Caring Connection Adult Day Health Center continues to maintain its excellent reputation as a municipally-operated, community-based health center. The center is a member of the Connecticut Association of Adult Day Health Centers, the Connecticut Association of Not-for-Profits Agencies, and the National Council on Aging. FY 19 was our re-accreditation year when the Center had a deficiency-free review with commendation.

FY 22 marketing efforts have been a combination of in person and virtual as dictated by the COVID landscape. During the summer we produced an animated promotional video that has been posted on our website and Facebook page. In the fall, we participated in senior health fairs in neighboring communities that were held in person and some in drive-by format. In November we hosted our second annual soup and cracker drive for the Windsor Food Bank. In December the "Problem Solving For The Common Good" class at Loomis Chaffee School took on the Caring Connection as one of their projects. Through the eyes of these young future leaders several unique marketing suggestions were proposed. We look forward to adapting and utilizing some of these suggested proposals as we roll out a new brochure this year and put a new face to our social media presence. We also plan to continue building our social media presence by offering educational presentations as we did in December with dementia specialist Pamela Atwood who shared tips about decreasing caregiver stress during the holidays.

Once again in FY 22, staff, clients and their families donated to the Social Services "Socktober" drive and clients worked to make and donate about 20 fleece tied blankets to support Windsor's Project Santa. Both wonderful Windsor community projects it was an honor to participate in.

Clients, caregivers and the Caring Connection facility continued to receive benefits from outside funding sources in FY 22 including:

- Home Care for Elders Program (Connecticut Community Care, Inc.)
- North Central Area Agency on Aging (IIB/Client Subsidies, Alzheimer's Aide Grant, Alzheimer's and Respite Care Funding)
- State of Connecticut Department of Social Services
- Veteran's Administration
- United States Department of Agriculture Adult Day Care Food Grant via State of Connecticut Department of Education
- Granger Trust
- Reynolds Foundation
- memorial donations.

Other Fiscal Year 2022 program highlights include:

- act as a site for UCONN Nursing School students
- more robust social media presence including the use of sponsored Facebook posts to boost in-house events
- six foot socially distanced and mask wearing safe environment continuing to successfully meet client needs during the pandemic
- remote services to CCCI clients requesting this service per family choice
- revision of the Caring Connection brochure
- begin planning for 35th anniversary.

Proposed Budget**

CHILD DEVELOPMENT ENTERPRISE FUND

INTRODUCTION

The National Association for the Education of Young Children (NAEYC) accredited Windsor Discovery Center and Montessori School, located at the Milo W. Peck building, has provided extraordinary educational learning experiences for over 40 years. During the school year, the center will serve more than 60 children from 72 families in the following programs: Infant/Toddler Care, Montessori Toddler, Montessori Primary, Montessori Kindergarten and Elementary after school care. For the summer months, we offer a variety of summer programs that have separate enrollments serving an average of 68 children per week ages 18 months to 10 years.

The COVID-19 pandemic has drastically impacted the revenues and expenses of the Discovery Center. The center has been forced to utilize a substantial portion of their approximately \$400,000 accumulated retained earnings (cash reserves) in the past 24 months. This is due to the limited enrollment coupled with increased part time staffing needs to accommodate recommended classroom cohorts and the inability to share teachers among classrooms, all caused by the pandemic.

The Infant Toddler and Toddler Montessori programs are going strong. Both programs have waiting lists for the 2022-2023 school year. Based on current enrollment and spaces available for siblings, we do not anticipate more than one opening in the full-day Toddler Montessori program for the 22-23 school year. The ½ day Toddler Montessori Program and the infant program have vacancies for the 2022-2023 school year. We will be able to accommodate families that are on the waiting list to fill these programs.

The Primary Montessori program and the elementary programs have been steady at 50% capacity due to the COVID-19 pandemic, but unfortunately neither of these programs reached capacity this year. We are optimistic we will be able to recover in the younger programs for the 2022-2023 school year while it may take an additional year to recapture elementary families.

The FY 22 adopted budget assumed a loss of \$144,360. Due to the pandemic, the enrollment has averaged 50% capacity in the Primary Montessori program and after school program. The summer programs averaged 65% capacity across all programs. These programs suffered an additional loss due to the uncertainty of viral spread among children. As a result of the COVID-19 pandemic the Child Development fund is estimating a loss of \$233,990 for FY 22.

An operating loss of \$176,640 is projected for the Child Development Enterprise fund for FY 23. The FY 23 budget was developed with the assumption of returning to full capacity in most programs, with a reduction of services in the Elementary Program. Unfortunately, the Elementary Program did not experience an increase in enrollment this school year. Our marketing efforts continue to generate waiting lists in some of the programs. Parent referrals, the birth of siblings and word of mouth continue to be a driving force in our enrollment.

We will continue to offer the full and half day programs five days per week in the Primary and Toddler Montessori classrooms, full-time infant/toddler care, and after school care for elementary students at the Discovery Center. The FY 23 proposed revenues include an increase in registration and activity fees. The FY 23 projected expenditures are based on current staffing patterns.

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$24,610 or 4.8% due to vacancy savings in addition to supplies and services as a result of the COVID-19 pandemic. The FY 23 proposed budget reflects an decrease of \$5,310 or 1.0% as compared to the FY 22 budget primarily due to Personal Services.

INFANT/TODDLER PROGRAMS

Products & Services

Infant/Toddler \$215,170
• Conduct a year-round, full time program for 8 children age six weeks to twenty months.

Montessori Toddler \$296,700
• Provide eight half-day spaces for children 18 months to three years (10 Month Program)

• Provide one full-day, year-round program for eight children ages 18 months to three years

• Provide an eight-week half-day summer program for eight toddlers.

PRESCHOOL/KINDERGARTEN PROGRAMS

The Windsor Montessori School and Discovery Center provides the Montessori Method of education and development in a thoughtfully prepared learning environment for children three through five years of age. The school year programs and summer programs are offered on a half day or full day schedules. During the school year, a total of 60 children are served in these programs with an additional enrollment during the summer months.

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$26,820 or 5.7% due primarily to a partial year full time vacancy and lower enrollment as a result of the COVID-19 pandemic. The FY 23 proposed budget reflects an increase of \$44,000 or 9.3% as compared to FY 22. This increase is due primarily to Personal Services, and increased part time hours as a result of maintaining CT Department for Disease Control recommended cohorts.

PRESCHOOL/KINDERGARTEN PROGRAMS

Products & Services

- Montessori* \$436,660
- Provide a Montessori educational experience for children ages 32 months through five years on a full or half-day schedule from September to June
 - Provide weekly music and Spanish classes to all students.

- Preschool Summer Program* \$80,340
- Conduct a nine-week theme-based preschool summer program for children ages three and four.

ELEMENTARY PROGRAMS

The Windsor Montessori School and Discovery Center provides before and after-school child care during the school year for families whose children attend Oliver Ellsworth, Kennedy, Sage Park Middle Schools and/or private elementary schools. A full-day summer camp is offered for nine weeks during the summer months for children entering kindergarten through fourth grade.

Budget Commentary

The FY 22 expenditures are expected to come in under budget by \$10,110 or 6.1% due primarily to a partial year full time vacancy and lower enrollment as a result of the COVID-19 pandemic. The FY 23 proposed budget reflects a decrease of \$6,810 or 4.1% as compared to the FY 22 budget due to lower enrollment in this program.

ELEMENTARY PROGRAMS

Products & Services

Before and After School Elementary \$76,890

- Provide an after-school program for kindergarten through sixth grade students
- Expand to full-day sessions during inclement weather, in-service days, holidays and school vacations
- Care is provided to children from Oliver Ellsworth, John F. Kennedy, and Poquonock Elementary schools, Sage Park Middle School and local private schools.

Elementary Summer Program \$42,760

- Provide a nine-week full-day summer experience for children entering into first through fourth grades that includes educational and recreational field trips, swimming, arts and crafts activities, archery, science and nature experiences, cooking and non-competitive games.

K-1 Summer Program \$38,910

- Conduct a nine-week summer program experience for children ages five through seven.

FACILITIES MANAGEMENT

FY 2022 Highlights

The Windsor Montessori School and Discovery Center continue to offer a variety of programs and services for families attending the center and the community-at-large.

During the COVID-19 pandemic we followed all Office of Early Childhood (OEC) recommended precautions. We did not participate in offsite field-trips or host community events, but we offered alternative activities and programs. We conducted weekly music classes, began Spanish classes in November 2021, looked forward to animal presentations from Northwest Park, cooled off with outside water games, provided additional archery lessons, and enjoyed weekly treats from Menchies. Families also had an opportunity to purchase a Subway lunch every Friday during the summer months.

Our teaching staff met the OEC Professional Development requirements by completing virtual training to uphold the school's reputation of having a highly qualified faculty. Staff participated in CPR/First Aid, Medication training and enrolled in college courses. Due to the pandemic, additional professional development opportunities have become available for staff during the evening hours and online. Staff attended the trainings of their choice to meet the OEC Professional Development requirements. We are waiting for the results of the National Association for the Education of Young Children (NAEYC) accreditation visit.

Although our community involvement was different this year, we still participated in Connecticut Children's Medical Centers *PJ Day for the Kids* event. This is an annual event with a mission to not only raise money but to honor the brave kids fighting cancer and serious illnesses at Connecticut Children's Medical Center. Students and staff wore their PJs for the kids and we raised \$320 for this worthy cause. We collected more than 20 coats for the annual Coats for Connecticut Drive. A new community involvement activity this year is "Food Bank Fridays." Each week we collect a specific item for the Windsor Food Bank. The kindergarten students count, sort and graph the items each week.

We started a monthly event called "Second Cup of Coffee," held on the first Friday of each month. This is a simple way to bolster our communication with families and to let them know we appreciate them for trusting us to educate their children during this difficult time. Families were able to meet and socialize with each other and have conversations with the director. We also held parent orientation and our parent education events all following federal CDC guidelines for group events.

Our marketing efforts consisted of family referral coupons, new enrollee sign on bonuses and posting openings on our social media platforms.

Capital Improvement Program
2023-2028

Town of Windsor
FY 2022 – 2023
Adopted Budget

**TOWN OF WINDSOR, CONNECTICUT
CAPITAL IMPROVEMENT PROGRAM
FY 2023 – FY 2028**

Relationship between Operating Budget and CIP

The Town of Windsor prepares a Capital Improvement Program (CIP) separate from its operating budget. The operating budget provides for general municipal service delivery, including personnel services costs, supplies, contractual services and certain capital equipment. Revenues for the operating budget are derived primarily from property taxes, intergovernmental sources and user fees.

The Capital Improvement Program is a financial plan that adds to, supports, or improves capital assets, physical infrastructure, or productive capacity of the town. Capital projects typically have the following characteristics: expenditures that take place over two or more years; continuing appropriations beyond a single fiscal year; debt financing due to significant costs, that will be shared by current and future beneficiaries; systematic acquisition over an extended period of time in order to implement major operating systems or public programs; and scheduled replacement or maintenance of physical assets. Revenues for capital projects can be derived from debt financing, current property tax revenues, state and federal grants or private sources.

A proposed Capital Improvement Program (CIP) is submitted to the Town Council, Town Planning and Zoning Commission and Capital Improvements Committee for review. Projects that require General Fund financing and appear in the first year of the proposed CIP are incorporated into the proposed operating budget, which is submitted in the spring.

Schedules of the Town's debt capacity, principal and interest payments through maturity, and current bond rating are located in our Comprehensive Annual Financial Report. The principal and interest payments related to FY 23 are included in Appendix F of this document. These schedules provide information to assess the affordability of the Town's current levels of outstanding debt and the ability to issue additional debt in the future.

The following pages represent the schedule of projects in the CIP. The General Fund contribution corresponds to the Capital Projects budget in the General Services section of the budget on pages Q-10 and Q-11.

#1980 - Stony Hill School - This is a former one-room school house on Windsor Avenue near the intersection of Hillcrest Road. This historical structure is maintained by the Department of Public Works. It is currently rented out for fitness training classes. Funds are used to pay all expenses associated with the maintenance of this facility.

#2014 - 330 Windsor Avenue Maintenance - This revolving fund is used for repair and maintenance at the facility. Revenues are received from the Caring Connection, Recreation Department and the Chinese restaurant on site.

#4009 - Town Aid Road Improvements - This is a state grant used primarily for street maintenance and repair-related activities. This account is used as a revolving fund for management of this grant. A major use of this account is for the purchase of materials for the snow and ice program. It is also used for street pavement markings, pavement preventive maintenance (such as crack filling) and catch basin cleaning.

#4012 - Local Capital Improvements, Recording Fees - This account differs from the Local Capital Improvements Program (LoCIP), which is an annual grant from the State. This account was established to receive funds that are the result of an increase in the recording fees charged by the State. These funds may be used for improvements by local governments in the State.

#4018 - Veterans Cemetery - The Department of Public Works places headstones (provided by the government) at grave sites and maintains the cemetery grounds. The town receives funding from the Department of Veterans Affairs (VA) to place the headstones in their designated area. Expenses associated with the maintenance of the cemetery are paid from this account.

#4024 - Solid Waste Management/Anti-Littering - This account was established pursuant to CT PA 21-58. A portion of the revenues received by liquor wholesalers from the sale of "nip" bottles is allocated to cities and towns in Connecticut and used towards managing solid waste and reducing the impact of littering.

#4100 - Rental Revenue properties - This revolving fund is for the receipt of rental revenue and the payment of expenses for properties owned by the town. Presently, this includes the Luddy House (town green), Luddy Carriage House (town green) and the Lang House (Northwest Park). The Chamber of Commerce is located in the Luddy House.

#4101 - Train Station/Freight House - The Amtrak Train Station (Central Street) and Freight House (Mechanic Street) are properties leased from the Greater Hartford Transit District and are sub-leased by the town to others. Both buildings are presently being used by Windsor Arts Center. Larger expenditures expected in the near future include roof work at the train station.

#4102 - Roger Wolcott Building - This is the former Roger Wolcott School facility. Funds are from the Facilities Management General Fund. The costs for utilities and other expenses are paid out of this account for the on-going maintenance of the building. As of February 2022, this building no longer belongs to the town and the balance will be allocated to General Fund expenditures.

#4103 - Parks Garage Leased Space/100 Addison Road - This account was originally used to pay for the lease and other related expenses for the facility at 147 Addison Road which replaced the former Parks Garage on Mechanic Street. Public Works equipment and materials (primarily off-season) are stored at this building. This account is funded from the sale of the former Parks Garage facility. As of January 2017 this account was being used to pay the utilities at 100 Addison Road. The balance is projected to be used by the end of FY 22.

#4800 - Landfill Reuse Planning - A citizen's group worked with a consultant to develop a reuse plan, which primarily incorporated various active and passive recreational uses. The balance shown represents the amount unspent during this planning effort.

#1630 - Revaluation - This fund provides the revenue needed to conduct the next revaluation, which is due to occur for the Grand List dated October 1, 2023. The funding for the revaluation account for FY 23 is proposed at \$20,000. This will allow the balance to accumulate and provide the necessary funds to pay for the next revaluation.

#1640 - Other Post-Employment Benefits (OPEB) Actuarial Analysis - This fund provides the revenue needed to conduct the biennial OPEB program actuarial analysis and plan valuation. The funding source for this is the General Fund.

#1703 - Open Space Fund - This fund is intended to create a pool of funds to be readily available for the acquisition of open space as opportunities arise. These funds can be used separately or more effectively as a match to available grants for the purchase of open space or development rights. They can also be used to improve open spaces and conduct other open space related activities.

#1709 - Great Pond Village Special District Fund - This fund provides the revenue needed to facilitate the transfer of tax increment revenues to the Great Pond Village Improvement District pursuant to the interlocal agreement with the town.

#1710 - Mill Brook Open Space Fund - This fund is intended to be used to pay for improvements to the Mill Brook Open Space parcel.

#0375 - 375th Anniversary - Revenues are from the sale of commemorative items and from donations for the 375th anniversary celebration. Remaining funds to be used for construction of a commemorative bench from a historical elm tree removed from the town green.

#2100 - L.P. Wilson Fund - This is the town's portion of expenses for facility maintenance/utilities at the L.P. Wilson Center and for the use of the space. The balance is being used for planned on-going capital maintenance projects.

#4104 - John Mason Statue Relocation - This account was set up as a result of an appropriation made by Town Council from the General Fund Unassigned Fund Balance for a contribution to the Windsor Historical Society for site preparation costs for the relocation of the John Mason Statue.

#5200 - Community Use of Schools - The Board of Education charges groups for the use of school facilities. However, due to state regulations, the town is required to receive this money and it is placed into this account. In the past, the Board of Education has used these funds for custodial overtime at their facilities. These funds can also be used for facility repairs and maintenance (i.e., refinishing of gym floors).

#7219 - OEC Child Day Care Stabilization Grant - This is funding the Child Day Care Enterprise received from the State Office of Early Childhood. Funds to be used to cover personnel costs, educational advancement, tuition reimbursement, facility maintenance and improvements, personal protective equipment, cleaning and sanitization supplies, goods and services necessary to maintain the child care business, and mental health support for children and employees. All funds will be spent between July 1, 2021 and September 2023.

#7225 - Milo Peck Building - This is the town's portion of expenses for facility maintenance/utilities at the Milo Peck building and for the use of the space. The balance will be used for maintenance projects as needed.

#1919 - ARF Grant Revenue - This project was created to account for the total receipt of Coronavirus State and Local Fiscal Recovery funds, which will get allocated to specific projects as they get approved by Town Council. The funding from this grant comes from the U.S. Office of Treasury as a result of the American Rescue Plan Act to support the town's response and recovery from the COVID-19 pandemic.

#1921 - Small Business Loan Program - The funding for this project was allocated from the ARF Grant Revenue (project 1919). The Small Business Loan program was established to provide grants in the amount of \$10,000 each to businesses and local non-profit organizations to mitigate financial hardship as a result of the COVID-19 pandemic.

#1922 - Windsor Volunteer Ambulance ARF Contribution - The funding for this project was allocated from the ARF Grant Revenue (project 1919) to Windsor Volunteer Ambulance. The town council appropriated funding of \$150,000 for operations and principal retirement.

#1923 - Caring Connection ARF Contribution - The funding for this project was allocated from the ARF Grant Revenue (project 1919) to the Caring Connection Adult Day Center. The town council appropriated funding of \$100,000 for use over the next two fiscal years.

DEBT MANAGEMENT POLICY

Windsor continues to maintain an outstanding credit rating of AAA by Standard and Poor's Corporation, which is the same that is assigned to obligations of the United States Government. In general, bond ratings are assigned by the rating services on the basis of established standards covering four basic criteria: economic strength and diversity, management policies and practices, debt burden, and fiscal performance. The town adheres to certain fundamental policies with respect to the incurrence of debt, in order to maintain its debt burden in line with available resources:

- a) total debt service requirement maintained to within a range of 6% - 8% of total operating expenditures
- b) forecasted future annual debt service requirements not to exceed 8% of annual general fund operating expenditures when any new bonds are issued
- c) total amount of bonds issued will not exceed 50% of the legal debt limit
- d) unassigned fund balance for the General Fund maintained between 15% - 20% of annual General Fund operating expenditures.

The town's legal debt limit is based upon tax collections for the most recently completed fiscal year including interest and lien fees, and net of state reimbursements for revenue losses. As of June 30, 2021, Windsor's base for establishing its debt limit is \$105,237,872. State law establishes various debt percentage limitations based on the purposes for which the debt is issued. The following limitations are currently in effect:

- 1) General Purpose - 2.25 times the base
- 2) Schools - 4.50 times the base
- 3) Sewer - 3.75 times the base
- 4) Urban Renewal - 3.25 times the base
- 5) Unfunded Past Pension - 3.00 times the base
- 6) Total Debt - 7.00 times the base.

The town's net direct debt and net overlapping indebtedness totals \$147,737,847 and the total debt limit is \$736,665,104, as presented in the FY 2021 Town of Windsor Annual Consolidated Financial Report.

APPENDIX “H”
Charter Provisions Concerning
Annual Budget

Town of Windsor
FY 2022 – 2023
Adopted Budget

CHARTER PROVISIONS CONCERNING ANNUAL BUDGET

CHAPTER 8. FINANCE AND TAXATION

Sec. 8-1. Departmental estimates.

It shall be the duty of the town manager to compile preliminary estimates for the annual budget. The head of each department, office or agency of the town supported wholly or in part from town funds, or for which a specific town appropriation is made (except the board of education) shall, at least ninety (90) days before the end of the fiscal year file with the town manager, on forms provided by the town manager a detailed estimate of the expenditures to be made by said department or agency and the revenue (other than tax revenues) to be collected thereby in the ensuing fiscal year.

Sec. 8-2. Duties of town manager on budget.

Not later than thirty (30) days before the date of the annual budget meeting of the town, the town manager shall present to the council:

- (a) Estimates of revenue, presenting in parallel columns the itemized receipts collected in the last-completed fiscal year, the receipts estimated to be collected during the remainder of the current fiscal year and estimates of the receipts to be collected in the ensuing fiscal year;
- (b) Itemized estimates of expenditures, presenting in parallel columns the actual expenditures for each department, office or agency for the last-completed fiscal year, the expenditures as estimated for the current fiscal year and the manager's recommendations of the amounts to be appropriated for the ensuing fiscal year. The town manager shall present reasons for these recommendations. The president of the board of education shall have the same duties and follow the same procedure with respect to the budget for the board of education;
- (c) A program previously considered and acted upon by the Town Planning and Zoning Commission, in accordance with section 8-24 of the general statutes, as amended, concerning municipal improvements, of proposed capital projects for the ensuing fiscal year and for the fiscal years thereafter. Estimates of the cost of such projects shall be submitted by each department, office or agency annually in the form and manner prescribed by the town manager. The town manager shall prepare a six-year capital improvements program and shall recommend to the town council those projects to be undertaken during the first year of such program and the method of financing the same. The town council will establish by ordinance a capital improvement committee with at least one representative from the Public Building Commission to advise and assist the town manager in preparing said program for the second through the sixth year of such program.
- (d) Nothing herein shall preclude the town council from approving any capital project not included in the above described program.
- (e) Times of performance specified in this section are not of the essence, but are goals to be achieved for the orderly processing of the town budget.

Sec. 8-3. Powers and duties of council on budget.

The format of the supporting documentation for the estimates presented to the town council under sections 8-2 (a) and 8-2 (b) shall be determined by the town council before January 15. The town council shall hold one or more public hearings not later than fifteen (15) days before the annual budget meeting at which any elector or taxpayer may have an opportunity to be heard regarding appropriations for the ensuing fiscal year. Following receipt of the estimates from the town manager and the president of the board of education and the holding of such public hearing or hearings, the town council shall prepare a budget which complies with any minimum standards or requirements of the state tax department and shall recommend the same to the town

APPENDIX H

budget meeting of the town. Sufficient copies of said budget shall be made so as to be available for general distribution in the office of the town clerk and the town manager, and at least five (5) days prior to said annual budget meeting the town council shall cause to be published in a newspaper having circulation in the town a summary of the budget showing anticipated revenues by major sources, proposed expenditures by functions or departments, and the amount to be raised by taxation. The budget shall become effective when approved by said annual budget meeting and an official copy shall be filed with the town clerk.

CHAPTER 9. THE TOWN MEETING

Sec. 9-1. Annual budget meeting and special meetings.

(a) Upon town council approval of its recommended annual budget, it shall set a date for an adjourned town meeting vote on the voting machines. If any budget recommendation fails to pass, the council shall make adjustments and resubmit such adjusted budget recommendations to a vote on the voting machines until approved by the voters at which time the final budget shall be considered adopted.

This procedure for the adoption for the annual town budget shall be in lieu of the petition procedures set forth in *Connecticut General Statutes* § 7-7.

(b) Special town meetings shall be called by the town council when required under the terms of this Charter. The procedure for calling a special town meeting shall be as provided in the *Connecticut General Statutes*.

Sec. 9-2. Procedure.

All town meetings shall be called to order by the town clerk or in the absence of the town clerk, by the town manager or the mayor of the council. A moderator shall be elected and all business conducted in the manner now or hereafter provided by the general statutes, except as in this charter otherwise provided. It shall be the duty of the town clerk to serve as clerk of all town meetings but in the absence of the town clerk, an acting clerk may be designated by the meeting.

Sec. 9-3. Appropriation - manner of approval.

(a) Any appropriation in excess of one (1) per cent of the tax levy in the fiscal year for which the appropriation is made in addition to or supplementary to the annual budget appropriation, the issuance of bonds or notes in excess of two (2) per cent of the tax levy for the fiscal year in which the borrowing is made except notes in anticipation of taxes to be paid within the fiscal year in which issued and any ordinance providing for the sale of real estate of the town valued in excess of ten thousand dollars (\$10,000.00) used or reserved for town purposes or any appropriation for the purchase of real estate valued in excess of ten thousand dollars (\$10,000.00) for such purposes, shall become effective only after it has been adopted at a town meeting by the vote of a majority of those present and entitled to vote at such meeting, except that any appropriation in excess of three (3) percent of the tax levy for the fiscal year for which the appropriation is made in addition to or supplementary to the annual budget appropriation and any bond issue or issuance of notes or other borrowing in excess of three (3) percent of the tax levy for the fiscal year for which the borrowing is made in any fiscal year shall only require approval by referendum vote on the voting machines at any regular or special election. The town meeting shall not act upon any proposal for the sale or purchase of real estate or the issuance of bonds or other borrowing, except upon the recommendation of the town council contained in a resolution of said town council nor act upon any appropriation which has not been acted upon by the town council. The town meeting shall not increase the amount of any appropriation above the amount recommended by the town council or make any appropriation not recommended by the town council and shall not increase the amount of any bond issue above the amount recommended by the council.

(b) The annual budget shall be adopted in accordance with the procedures set forth in § 9-1.

(c) If the voters disapprove the budget appropriation recommended by the town council, the annual budget appropriation for the then existing fiscal year shall be continued until the new budget appropriation is adopted.

Adopted Budget

GLOSSARY OF TERMS

ACCOUNTING SYSTEM: The total set of records and procedures which are used to record, classify and report information on the financial status and operations of an entity.

ACCRUAL BASIS OF ACCOUNTING: The method of accounting under which revenues are recorded when they are earned (whether or not cash is received at that time) and expenditures are recorded when goods and services are received (whether cash disbursements are made at that time or not).

APPROPRIATION: An authorization made by the legislative body of a government that permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and are typically granted for a one-year period.

ASSESSED VALUATION: A valuation set upon real estate and certain personal property by the Town Assessor as a basis for levying property taxes.

ASSETS: Property owned by a government that has a monetary value.

BOND: A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date[s]) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are typically used for long-term debt.

BUDGET DOCUMENT: The official written statement prepared by the budget office and supporting staff which presents the proposed budget to the legislative body.

BUDGET MESSAGE: A general discussion of the proposed budget presented in writing as a part of or supplemental to the budget document. The budget message explains principal budget issues against the background of financial experience in recent years and presents recommendations made by the Town Manager and budget officer (if not the chief executive).

CAPITAL ASSETS: Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets.

CAPITAL IMPROVEMENT PROGRAM: A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount to be expended in each year and the method of financing those expenditures.

CAPITAL OUTLAYS: Expenditures for the acquisition of capital assets.

CAPITAL PROJECTS: Projects that purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

CASH BASIS: The method of accounting under which revenues are recorded when received in cash and expenditures are recorded when paid.

CONTINGENCY ACCOUNT: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for.

DEBT SERVICE: Payment of interest and repayment of principal to holders of a government's debt instruments.

DEFICIT: (1) The excess of an entity's liabilities over its assets. (See Fund Balance). (2) The excess of expenditures or expenses over revenues during a single accounting period.

DEPRECIATION: (1) Expiration in the service life of capital assets attributable to wear and tear, deterioration,

APPENDIX I

action of the physical elements, inadequacy or obsolescence. (2) That portion of the cost of a capital asset which is charged as an expense during a particular period.

ENTERPRISE FUND: A fund established to account for operations financed in a manner similar to a private business enterprise; i.e., where the costs of providing goods and services to the public are financed or recovered through user charges.

EXPENDITURES: Where accounts are kept on the accrual or modified accrual basis of accounting, the cost of goods received or services rendered whether cash payments have been made or not. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payments for the above purposes are made.

FULL FAITH AND CREDIT: A pledge of the general taxing power of a government to repay debt obligations (typically used in reference to bonds.)

FUND: An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

FUND BALANCE: The excess of a fund's assets over its liabilities. A negative fund balance is sometimes called a deficit.

GENERAL FUND: The fund supported by taxes, fees and other revenues that may be used for any lawful purpose.

GENERAL OBLIGATION BONDS: When a government pledges its full faith and credit to the repayment of the bonds it issues, then those bonds are general obligation (GO) bonds. Sometimes the term is also used to refer to bonds that are to be repaid from taxes and other general revenues.

GRANT: A contribution of assets (usually cash) from one governmental unit or other organization to another unit or organization. Typically, these contributions are made to local governments from the state and federal governments. Grants are usually made for specified purposes.

MATURITIES: The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

MILL: The property tax rate that is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of property valuation.

MODIFIED ACCRUAL BASIS: The basis of accounting under which expenditures other than accrued interest on general long-term debt are recorded at the time liabilities are incurred and revenues are recorded when received in cash except for material and/or available revenues, which should be accrued to reflect properly the taxes levied and revenue earned.

OBJECT OF EXPENDITURE: Expenditure classifications based upon the types of categories of goods and services purchased. Typical objects of expenditures include:

- personal services (salaries and wages);
- contracted services (maintenance contracts);
- supplies and materials; and
- capital outlays.

OPERATING BUDGET: A plan of financial operation embodying an estimate of proposed expenditures for the calendar year and the proposed means of financing them (revenue estimates).

OPERATING TRANSFER: Routine and/or recurring transfers of assets between funds.

REVENUE: The term designates an increase to a fund's assets which:

APPENDIX I

- does not increase a liability (e.g., proceeds from a loan);
- does not represent a repayment of an expenditure already made;
- does not represent a cancellation of certain liabilities; and
- does not represent an increase in contributed capital.

REVENUE ESTIMATE: A formal estimate of how much revenue will be earned from a specific revenue source for some future period; typically, a future fiscal year.

SPECIAL ASSESSMENT: A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

TAX LEVY: The total amount to be raised by general property taxes.

TAX RATE: The amount of taxes (mills) levied for each \$1,000 of assessed valuation.
